Chief Spirits take second at tourney

Team members include: (left to right, top row) Paula Smith, Lacey, Michele, Donnie Winishut, Waldon Winishut, (bottom) Maria Minthorn, Easton Aguilar, Becky Aguilar, Al Starr and Rick Minthorn.

The Chief Spirits traveled to Muckleshoot, Washington the weekend of August 26th and 27th to compete in the Ronnie Starr Memorial Tournament. Saturday the Spirits played their first game against Nisqually I and lost 10 to 4.

This dropped them to the losers bracket which meant if the Spirits wanted to win the tournament, they had to work hard to come back to the winning bracket. The second game was against a very young team called the Li'l Ducks.

The Spirits won 21 to 0 by the fifth inning. The third game was played against Tulalip, Washington. The sun was setting and the game getting serious, Waldon Winishut got beamed in the head while running to second base and Easton Aguilar getting spiked on third base, squelching the double play that was in mind. The Spirits came out on top with the score 6 to 4.

Sunday was just as intense as the Spirits advanced further around to the winning bracket. Their first game was against Nisqually II. There was good defensive playing on both sides throughout the game but the Spirits pulled through with the score being 3 to 2. A game away from championship, the Spirits went up against a local Muckleshoot team called The Bears. This game went scoreless until the fifth inning when the score became tied at one to one. The game ran into the ninth inning when a run was batted in to win the game for the Spirits.

The championship game was against Nisqually I once again. Both teams were ready to play each other. The final outcome was Nisqually I 6, the Chief Spirits 3. The Chief Spirits won the second place sweatshirts. Donnie Winishut and Maria Minthorn earned all-star caps and the team coach, Ricky Minthorn received the award for Mr. Hustle. The other team members included: Paula Smith, Becky Aguilar, Lacey and Michele, Waldon Winishut, Easton Aguilar and Al Starr.

Teams compete in relay

Five teams from Warm Springs entered the Hood to Coast relay August 25. The run started at Timberline Lodge and ended in Seaside, Oregon. Each team consisted of 12 members plus an extensive entourage of drivers and two vehicles.

With over 700 teams entered, Stan Kneeland's team, the Jefferson County Fast Prancers, came in 65th with a time of 20 hours. All members received medals.

Terry Squiemphen, captain of the co-ed team, the Thirty Dozen, said his team completed within their projected time and all received medals. Their time was 26:40. This was the fifth year for some of the team members to participate in the run and for one couple, Dan and Fran Ahern, it was the first.

The women's team, the Pant-Hers, had to run with 11 members but finished at 30 hours. Team captain Monica Sampson was happy with the results. Last year the team finished at 3:30 a.m. and no one was around, but this year, they

them on. Sampson said, "It really made us feel good and almost made us cry to hear people cheering us on." The veterans of the run were Evaline Patt, Sandra Greene and Sampson. The other runners were first timers. The youngest three team members were Louisa Tuckta and Shaylene and Jolene Boise.

The Sidwaller Striders team was made up of young men, aged 13 to 17. They came in at 23 hours and still had enough energy to take a dip in the ocean. They all received medals even though they were 40 minutes short of their projected time. The team was comprised of two boys from Montana, two from Redmond and two from Madras. The rest of the team members were from Warm Springs with Alfred and Debbie Smith, Jr. being their sponsors.

The fifth Warm Springs team, the Lazy Guys Club, with Jerry Sampson as team captain, finished with a time of 25:08.
