Thirty-two schools from throughout the state were represented at the state cross-country meet held at Lane Community College in Eugene, Oregon. Alyssa Macy, a freshman, placed seventh to lead the White Buffaloes cross-country team to tenth place in overall team standings.

Alyssa took command of the race early and set a fast pace. The fast pace took a lot out of Alyssa and as time passed the experience of the older girls took its toll, especially that of Andrea Garner of Illinois Valley who took the lead away from Alyssa and was never challenged the rest of the way. She

turned in the winning time of 10:35.9, well ahead of the second place finisher. Alyssa's time was 11:12.9, still good enough to give her seventh place over the 3000-meter course. Monica Davidson of Reedsport was second. Third place went to Kelley Teamey, Henley, fourth to Amy Flora, Myrtle Point, Heidi Bomengen took fifth, Lakeview, sixth went to Stacy Thomas, Gold Beach; seventh to Alyssa Macy, Madras, Stephanie Gigman placed eighth, Rogue River. Jeannine Davis took ninth, Pleasant Hill and tenth place went to Natasha Bushnell, Philomath.

Other runners for the Buffs were 68th-Jennifer Mollman 12:27.3, 75th-Sheylene Boise 12:31.0, 81st-Jolene Boise 12:37.8, 85th-Arlinda Duff 12:46.0, 94th-Becky Soliz 12:59.9, 111th-Marcy Hawes 13:51.1. The Buff team, a young team, most of them freshmen, should be heard from again in the future.

The boys had two entrants which qualified for the state meet and they were Scott Dalamarter who placed 33rd with the time of 17:52.8, and Thurman Squiemphen who placed 85th with the time of 19:04.0 over the 5000-meter course.

Leading the pack at left is Andrea Garner of Illinois Valley and Alyssa Macy of Madras, near midway through the 3,000-meter girls Cross Country State finals on the LCC course in Eugene.

Madras falls to Tigers

The Madras White Buffaloes closed out their regular football season dropping a close barnburner to league champs, the Ontario Tigers, 28-25, on October 24.

The Tigers, the Beast from the East, had their hands full with a scrappy Buff team as they invaded Eastern Oregon, to attack the Beast right in his own cave, giving them quite a scare. It was a battle right down to the wire, as Ontario really had to play ball to pull this one out, and thanks to the Buffs three PAT misses. When the final buzzer sounded, the Tigers knew their cage was really rattled.

The Buffs lit up the scoreboard first in the opening minutes of play as they kicked off to the Tigers and pounced on a mis-handled ball. Three plays later they scored on a 10 yard run. The PAT was good by a kick by Justin Chester which put the Buffs out in front 7-0. From there the game went into a hard-hitting battle on both sides and Ontario was able to even the score at 7-7 as the first quarter ended.

It was a duel between Jason Harris and Krahn of Ontario as each back carried the ball 25 times each with Harris getting the edge with a total of 144 yards to 130 for Krahn.

Each team was able to score a TD in each quarter but the Buffs were unable to convert on their PAT's after a successful first kick which was good, and after that a kick failed and two passes fell incomplete. At any rate the Ontario Tigers knew the Buffs were there to play ball.

So now, it's on to the state play-

offs for the Tigers and they will face Cascade who has an identical record as the Tigers with a 7-2 record. Also, the Tigers have the hometown field advantage for their first game. In the meantime, the Burns Hillanders, who sewed up the No. 2 spot in the GOL, will travel to meet the Hood River Valley team who are the champs of the Tri-Valley league and are sporting a 9-0 record, and should give the Hillanders quite a game.

The Buffs fell victim to the Hood River Valley team earlier in the season in a close game where the Hood River team had to really hold off a determined Buff squad in the final half of the game. The Buffs have dropped a few close games especially on the road and some them resulted by not getting the PAT's. The Buffs had a real tough schedule this year and are looking to the next, which might be a better one.

3 N Livestock ladies win state tournament of champions

The 3 N Livestock Ladies bowling team, consisting of Anna Clements, captain, Angie Greene, Norene Greene, Margie Tuckta and Birney Tufti, won the 1989 "30th Annual Tournament of Champions" bowling tournament held in Milwaukee, Oregon in June, 1989. The tournament consists only of teams that finish first or second in their league.

The 3 N team had quite a climb to accomplish this honor. The team was tied with another team at the end of the first third of league play. The 3 N team, a member of the Tuesday Twister league, won their roll-off.

Then, at the end of the season, the three winners of each third of league play had a roll-off for first and second places for eligibility to enter the Tournament of Champions. The 3 N team came out on top against teams with high handicaps.

The 3 N Livestock team also travels to nationals and all-Indian tournaments in Reno, Las Vegas and Carson City, Nevada and in

Wichita, Kansas. The team recently placed second in a tournament in Carson City, Nevada. Bowlers in

that tournament came from the western United States.

The team conducts fund-raising

activities to help defray traveling costs. They would like to thank everyone who has supported them.

Buff volleyball team bumped out of tourney

A trip to the state play-offs for the Madras White Buffalo Volleyball team was short lived at Lane Community College, in Eugene, Oregon on November 9, 10 and 11, 1989.

On the opening round the Buffs met a fired up Lake View Honker team who beat the Buffs in two sets, dropping them into the consolation bracket right off the start and on Friday morning, Sweet

Home put the cream on the pie by eliminating the Buffs from further tournament play, beating them two out of three sets.

In losing to the Lakeview Honkers, the first set was by the score of 10-15, where for a moment it appeared like the Buffs were getting things together and closed the gap on the Honkers, but with little mistakes Lakeview capitalized on to pull the game out. In the second game the score see-sawed at the

early stages of the game and all of a sudden the Honkers came out with a flurry to pull far ahead of the Buffs and coasted in for the win.

On Friday morning they took to the floor at 8 a.m. to face Sweet Home, dropping the first game 13-15, then coming back to win the second 4-15, but in the last game, Sweet Home came back to take that one 10-15, to put an end to their tourney play for this year.
