

To my Little Honey Bee:
As each day arrives so bright and clear
The first thing I do is wish you were here
But always there is something in my heart
That reminds me we are miles apart
I hope through this message it can be
A time when it will be just you and me.
Love you,
Step By Honey Bee's very Pooh

You're my special Valentine
I think of you all of the time
You've stolen my heart
In your own special way
Then we exchanged vows
on that warm November day.
If given the chance to
turn over time
I'd make the same moves,
cause you're my special Valentine.

Your face is the one I wake to every morning.
Your's is the beauty that people see.
Your loving kindness is everlasting.
Your's is the song that I sing.
Without you I would be nothing.
You gave us a vision for the lost and dying.
That's why we sing thank you, Jesus, King of
Kings.

Lord, there are many who have touched my life
So greatly that I will never be the same.
Below is a list, just a few to name:
Lord, you've been good to me.
You brought Easton into my life,
Blessing me greatly by being his wife;
Perry and Aaron, my remaining sons,
Watching them grow brings lotsa love, tons and
tons;
Shanell, so pretty and small
Caring for her is such a joy, a beautiful doll
Ella and George, Regan too,
Plus the rest of the family, I know we can count on
when we're down or feeling blue;
Pebbles and Eraina with their shots of sunshine,
Pretty smiles and always there to give their time;
Merle and Rose, the family and church,
Giving us strength, never leaving us in the lurch.
Myrna opening her doors to us at all hours,
Is one of many special friends, her kindness just
towers;
Paula and Dan, Larson and Pat, Foster and Sandra,
Donna, Marsha and Sid, too.
And to all my family and friends, I just want to say
God Bless you all always and
Have a very happy, happy Valentine's Day!
Tina
