## Bufs lose on last second shot

**"Sports Talk"**  
by Sid Miller

The Madras White Buffalo team lost a heart breaker in the final seconds of regulation playing time to the Burns Hilanders on their home court by the score of 53-51, last Friday night February 16.

"How important are free throws?" Ask the Bufs as they missed on two attempts at a one and one shot with less than a half a minute to play to lose the game 53-51. The Bufs were leading and with time running out the Burns Hilanders fouled Madras and what could have been the game saver they missed the first shot where than

Madras fouled Burns and they sank both shots getting with-in one of the Bufs and with time running out Burns fouled the Bufs again and again they missed the first shot and Wheeler took the rebound and raced across mid-court and let a long three pointer go to win the game. Free shots are very important in every game and many times spell the loss for a team if too many are missed.

That loss puts the Bufs in a tie with the Burns Hilanders with a five win and four loss record while the Ontario Tigers and the Mac Hi Pioneers are tied for second place with 7-3 records.

Eric Petersen led the scoring for the Bufs with 18, Jason Harris 14, Todd Earnest, 6, Tony Holiday 6, Scott Moses, 4, Jeff Colins 3, Remo Smith 1, Commingore, Sullivan and Jones. There were only four players who scored for the Burns Hilanders with Joe Wheeler scoring 28, Harris 15, Uriate, 6, Eggleston 4, Bartel, Rothwell, Fisher.

This coming weekend the Bufs travel east to meet the Nyssa Bulldogs on Friday night and Baker City on Saturday. Than on March 2, they end regular season play hosting Mac Hi Pioneers, with game time JV 5:45 and Varsity at 7:30 p.m.

## Buff girls top Baker City 57-39; Burns 55-38

The Madras White Buffalo girls won two important games over the week-end. On Friday night they hosted the Baker City team and came away with a big win by the score of 57-39, then on Saturday they traveled to Burns and beat the Hilanders by the score of 55-38.

The two wins puts the Buffaloes in second position in league standing at 8-2. While Baker is standing in the doorway with a 7-3 record and both teams have two more games to play in regular season schedule.

On Friday night, the Bufs were out to avenge an earlier loss to the Baker team on their home floor earlier in the season. Baker did get off to a good start to out score the

Bufs in the first quarter 15 to 11, but in the second quarter the Bufs put things together to take the lead away from Baker and led 27-21 at the end of the first half. Baker made a little comeback in the third quarter outscoring the Bufs 13-11 and trailed by four at the end of the third quarter, but then the Bufs tookoff and ran away from the Baker team outscoring them 19-5 in the final quarter to bag the 57-39 win.

On Saturday night it was all Madras throughout the game even though it did look pretty close at times early in the game. At the end of the first quarter the Bufs led 10-9 and scored 10 to Burns 7 to take a 20-16 half time lead. In the third quarter Madras collected 19 points and 16 more in the final quarter while the Hilanders could

get 11 in the third and 11 in the fourth to give the Bufs the 55-38 win.

This week-end the Buff gals end their regular season play on the road east as they travel to meet the Ontario Tigers on Friday night and the league leading Vale Vikings on Saturday night. They must win to keep their hopes up for a state tourney spot. Baker on the other hand can still tie or even get ahead of the Bufs if the Bufs should lose both games and Baker wins both. If Madras splits and Baker wins there two games there could be a tie for second place and if that should happen and a tie created between Baker and Madras there will be a one game play-off for the second place spot at state. Shirley Allen is doubtful to see anymore action with the team for the rest of the season because of an ankle injury. The Bufs have been operating shorthanded most of the season because of injuries...however these last two games are very important and a win is a must for the Madras girls.

## Adleman Basketball Shoot-Out set

Young athletes throughout the State of Oregon are gearing up for the 10th annual Rick Adleman Basketball Shoot-Out on Saturday, February 24.

Boys and girls of all ages can participate in the Shoot-Out by collecting pledges based on the number of baskets successfully completed during a three-minute time period.

This year, not only will participants be able to shoot baskets at a designated location, but they may also have the opportunity to do so on their own backyard, or a place of their choice with an adult supervisor.

Players will earn prizes for the amount of dollars raised. These prizes include: Coupons for a Coke product or Pietro's mini pizza, Blazer sweatshirts, tickets to a 1990-91 Trailblazer home game or an autographed basketball. Grand prize winners can win a "Day In The NBA" which includes a chance to visit and have your photo taken with Coach Adleman and some of your favorite Blazer players, and tickets to the 1990 Rookie Game at this summer's Blazer Slam 'N Jam.

Basketball Shoot-Outs are being held in Bend, Redmond and Prineville. Interested athletes can find registration forms wherever Coke

achievement award in the four-year-old division and Vickie and Charlie, age nine, who were recognized for their volunteer efforts.

Leo, Sr. received his award for competing in more races than anyone in his age division (35-39 years). He ran in more than a dozen races during 1989, including the Boston Marathon. The Roadrunners Club

assisted Leo with expenses to attend the Boston run after being voted Most Inspirational runner by the Club in 1988. He has received special invitations to compete in the

Goodwill Games in Seattle in July and the Big Sur Marathon in April. The Club also gave Leo, Sr., an honorable mention as Runner of the Year for his age division.
