

Changes increase function, appeal of Kah-Nee-Ta

The reflection of Lodge manager Rosaline Moran shows her checking the new TV in newly refurbished suite.

Kah-Nee-Ta may not have been filled to capacity with guests in recent months but the Resort has been bustling with activity of another kind—that of hammers, saws and major renovation.

Three suites have been renamed and remodeled. Paiute, Wasco and Warm Springs suites now have new carpet, jacuzzis and fireplaces. The South and West wing third floors have new carpet as well.

The Appaloosa Lounge has been updated and now sports a new mauve and teal blue color scheme.

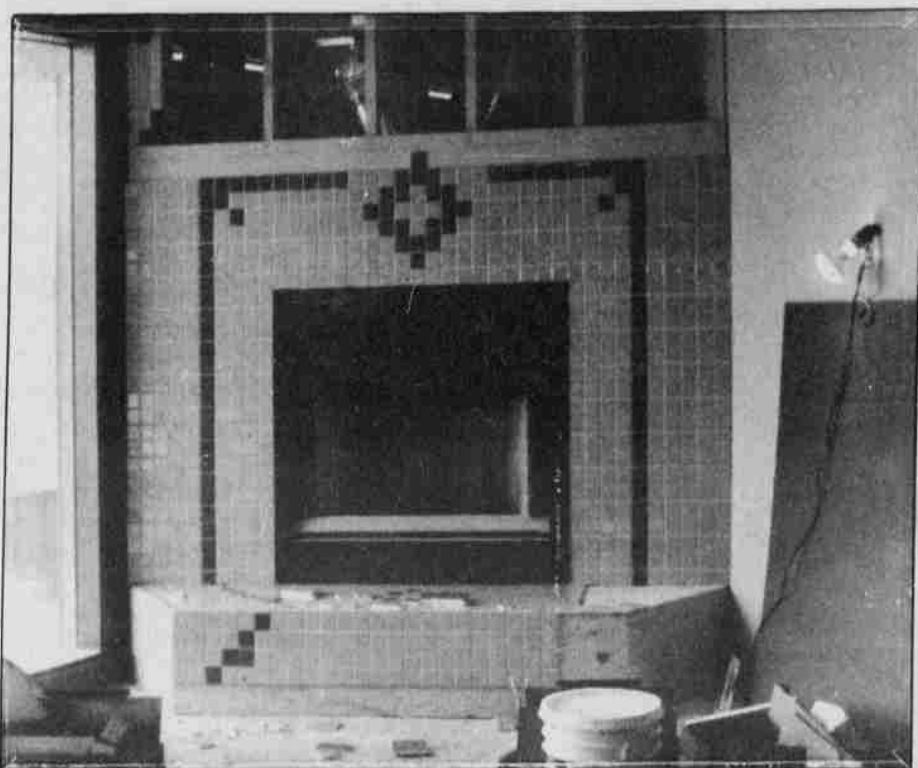

The Village salmon bake area now has 29 new RV hookups with cable TV and paved access roads. Complete landscaping is planned for the area in the near future.

The River Room has been renamed and is now known as the River Side Cafe. The Pinto Room just off the Lodge lobby has a new name as well, and is now the Pinto Deli. The Pinto Deli will feature a soup and salad bar with a deli menu.

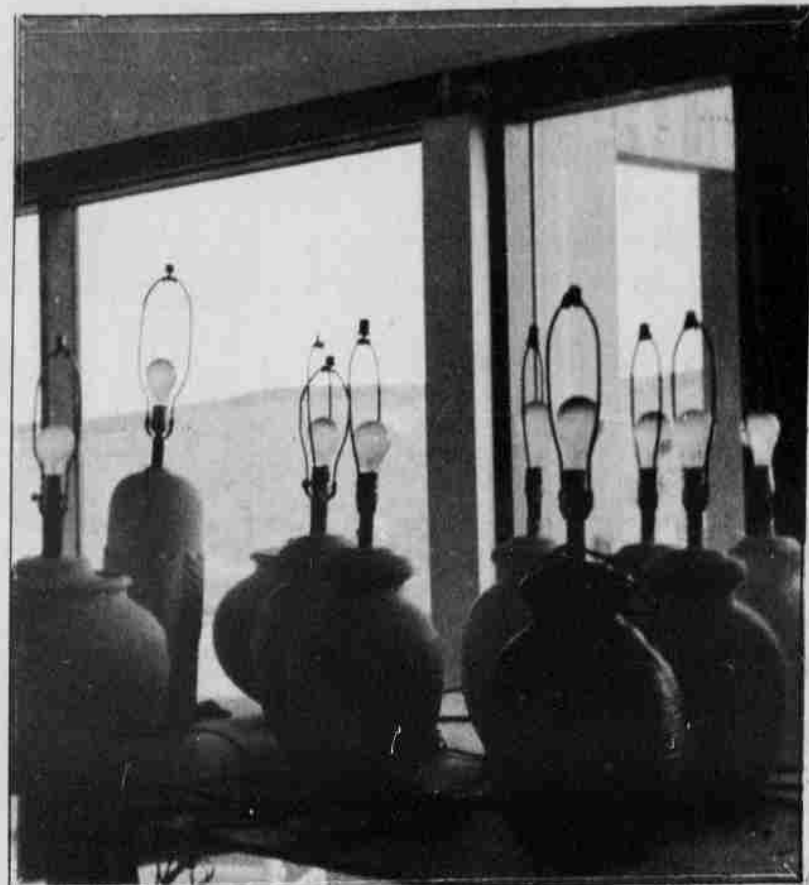

The Golf-Pro Shop has been remodeled and the year-old driving range has been fine tuned with the help of Albert Comedown and George Danzuka. Further work on the driving range includes irrigation and planting of grass as early as spring.

Kah-Nee-Ta showed a profit in 1989, a first since the Lodge was built in 1972. An annual meeting is scheduled for Wednesday, March 28 at the Agency Longhouse. Dinner will be served at 6:00 p.m. with the meeting to follow at 7:00 p.m. All interested tribal members are encouraged to attend.
