Healthy events invite participation

The Warm Springs Elementary students will be having a T-shirt design contest at school. The deadline for this project will be April 25, 1990. There will be three local judges that will pick the winners for the T-shirt best representing this year's theme, "Soaring Into a Healthy Life".

On Wednesday, May 9, the Warm Springs Elementary School will be gathering on the football field to "Join Hands Against Drugs". Special guests include: McGruff, Smokey the Bear, Billy Rabbit, Miss Wabbit and other visiting friends.

All tribal departments, supervisors, general managers, CEO and community members are invited to help support our children. Julie Mitchell, Director of Early Childhood Education Programs will be the special guest speaker. Everyone please be there before 11:00 a.m.

Friday, May 11, everyone is invited to join in the "Spring Into a Healthier Life" walk/run which will begin at noon from the football field behind the Warm Springs Elementary School and around the campus area, back to the field to end the walk/run. Everyone come join in and let the children know the community of Warm Springs is supporting their activities.

Arts and Crafts show set Committee members wanted

Plans for the Third Annual Arts and Crafts Show are underway. The committee members have met once a month since February 1990. The date of the show is October 13, 1990.

The committee hopes to encourage tribal members and community members to attend meetings and voice their opinions or concerns with the goal of making the Arts and Crafts Show a success and a show in which pride can be expressed.

The committee has a commitment from the Head Start Parent Group to operate the food concession.

Pat Reddogg has volunteered to make a sign to advertise the show

and to update our previous advertisement sign.

A need exists for volunteers to man the guest book tables and volunteer time and energy for a drumming and dancing exhibition.

The next scheduled planning meeting is May 4, 1990 at 9:00 a.m. in Carol's Room at the Community Center. For more information, please call Carol at 553-3243.

Tests offered

Mt. View Hospital is offering mammogram testing during the month of May at a cost of \$50.00. Call Mt. View Hospital for more information, 475-3882.

Estimo wins CHAMP's logo contest

Jackie Estimo of Warm Springs won the CHAMP's Logo Contest and \$150. Her art work will be used on the cover of a community resource manual and calendar among other CHAMP's ventures. The contest was judged by community members and employees. A total of nine entries was submitted.

The Community Health Action Mobilization Planners group thanks her for her interpretation of the CHAMP's Statement of Philosophy, which is:

We, the people of Warm Springs, believe the community can and should be healthy. We believe that all individuals have a right to, and a responsibility for, their own health decisions. We subscribe to the preservation and protection of our traditional beliefs and values for multiple generations. We believe that by putting the people's needs

first we will regain trust, respect, and compassion for each other. Through the community working together, taking ownership of its health and striving to improve the quality of all our lives, we will become a healthy community, enhance our self-esteem and preserve our way of life.

The CHAMP's core group would like to thank the following people for their entries and outstanding art work: Michael Saludo, Sue Matters-Miller, Thomas Morales, Leonard Bryant, Pat Reddogg, Pamela Langness of Warm Springs, Dee Ann Glazier of Bend and Jay Swartz of Plainsville.

mated at about three percent annually. In order to maintain elementary and high school class sizes at the current levels, five new teaching positions are included in next year's budget. The total amount requested for the teachers is \$188,842.

Crowded conditions at Warm Springs Elementary have created the need for two new classrooms. A modular unit has been budgeted for this purpose at a cost of \$60,000.

Other changes include requests for more bus driver time, ten days additional secretarial time, two hours of increased time for the payroll clerk, and increased hours for cafeteria supervision.

Employee benefits costs have continued to increase including retirement costs, health insurance (up 20 percent), as well as dental and vision insurance.

Government regulations have caused the District to include funds for asbestos abatement and removal, removing a gas tank and soil testing.

Revenues—
Basic school support funds from

the state of Oregon are estimated at \$3,453,419, which is an increase of \$253,419.

Impact Aid should reach \$2,225,425, which is an increase of \$72,621.

Total revenue is estimated to be \$7,179,954, an increase of \$490,203.

Summary—
The amount needed to balance next year's budget is \$4,194,186. When \$671,459 for uncollected taxes is added, this results in a proposed levy of \$4,865,645, or an estimated \$14.52 per thousand dollars of assessed value.

The District will also seek an additional serial levy for roofing, plumbing and asbestos abatement. The serial levy would allow the costs for major maintenance projects to be spread over two years. The serial levy would cost \$294,965 each year for two years. The 1990-91 tax rate is estimated at \$0.88 per thousand dollars of assessed value.

Residents wishing to review the entire budget may obtain a copy at the school district support services building at 1366 Buff Street in Madras.

We would like to wish Donna Anstett well in her new job in the Purchasing department.

in Timber Cruising.

Students also completed fire training in a three day camp April 12-14. Jackson Heath was named to the Hot Shot Crew at that event, which includes the ten students selected from the 130 attending.

During the workshop students attended classes and engaged in hands-on experience in fire suppression and safety. They were able to try out new equipment and practice various fire-fighting techniques.

Thanks to Nikki Courtney who worked in our office after school. She has since returned to her track team.

We would like to congratulate Rosella Mosely who received national recognition for her work this term at the University of Utah. Congratulations to Pat Tulee who received a 4.00 grade point average at Portland Community College and Elizabeth Woody who also received a 4.00 grade point average while attending Evergreen College.

We would also like to recognize Bodie Shaw who has maintained a 3.6 grade point average throughout his studies at COCC. We are proud of all of them.

Defense course available

A self defense training course, for men and women, ages 13 to senior citizen, will be held on the four Saturdays in May, beginning May 5, 9:00 a.m. to 12:00 p.m. at the Evergreen Center in Redmond. Instructor is Grant Cavalli of Madras. The course is sponsored by Central Oregon Battering and Rape Alliance.

Forum discusses laws, codes

Tribal Court Chief Judge Don Costello has instituted a series of informational forums to encourage members of the community to

meet with the chief judge and other court staff to exchange ideas for the betterment of the court system.

Because the Tribal Code and the Rules of Court prohibit discussion of individual court cases outside scheduled hearings or trials, the forums will focus on issues of general concern to the public and the court. It is hoped that the forums will result in better communication between the court and the public.

The forums will be held in tribal courtroom #1 from 7-8:30 p.m. on the following Mondays: April 30, May 21, and June 25.

Future dates will be announced in the Community Calendar of Events.

Dental Health month promotes smile, posters

The Indian Health Service Dental Clinic promoted the National Children's Dental Health Month in February with a Smile, Poster and Limerick contest along with a fun run/walk at the elementary school.

Contest winners are as follows: Smile Contest-Trevorn Yazzie, Vernon Winishut and Krista Rhoan; Poster Contest-Robert Thomas; and Limerick Contest-Ina Wain-anwit which won with this limerick:

You really need to floss and brush
It's really fun, it's easy mush
If your teeth have plaque
They'll get really black

You don't want plaque, so floss and brush.

Although not everyone won the contests, the dental clinic staff feel that everyone who participated was a winner. Each contest winner received a ten dollar gift certificate for the Book and Game Company at the Mountain View Mall in
