Rodeo at the Wasco County Fair-Tygh Valley

The Wasco County Fair survived a scare of a cloud burst Saturday night, August 18, 1990, but the rodeo went right on schedule filled with action from the rodeo stock furnished by the B bar D rodeo contractors of Redmond, Oregon. Doing the announcing for the rodeo was non other than Jake Grossmiller who does an excellent job as he is very versed on the rodeo game and is acquainted with a lot of the contestants as he gives a little run-down on each contestant during the show. A person like that keeps the show interesting and pleasant to watch.

There was action from start to finish both in the rodeo arena and on the race track as race horsemen provided some exciting races during the show. There were a quarter mile, a half mile and a relay race that provided plenty of action. On the final night in the quarter mile

Delvis Heath of Warm Springs was the winner with Loren Orbest of Oregon City second and Vernon Spino third. In the half mile race it was again Delvis Heath's horse the winner with Loren Orbest and Delvis Heath third. Heath had two horses in the race. During the relay race it was Delvis Heath's team first, Vernon Spino team second, and Ricky Graybael team third.

During the rodeo the action was competitive in every event. One of the highlights was the wild horse race at the conclusion of each performance. On the first night Jason Smith was the winner, Hobo Patt also placing. On the second night it was the Gunier team the winner with Hobo Patt second. "Remember now, all these statistics are unofficial." The following are the results of each event starting with the Calf Roping.
