Bufs lose to #1 team

As I see them... After a convincing win on the road with the opener at Seaside, things sort of turned sour over the past two weeks for the Madras White Buffalo football team.

The Buffaloes traveled to the Hood River Valley to mix it up with the No. 1 rated Hood River Valley Eagles, who are the defending champions of the state in the 3A category and what used to be the AA league at that time.

The Buffaloes took it right to the host Hood River team holding them on their first possession of the football after the kick-off. After taking over the ball, the Buffs marched right up the field on a couple of good pass plays and Tony Holliday cracking over to paydirt to give the Buffs first score of the game to lead 6-0, after the kick failed. Hood River came right back to score on a long pass to even things out and their kick failed leaving the score 6-6, after one quarter of play. The game was played pretty even throughout the second quarter but just before half, Hood River kicked a field goal to take a 9-6 lead going into the intermission.

In the third quarter things tightened up on the Buffs and they were unable to score any more points while Hood River came back with another field goal in the third quarter. The Buffs were sort of bogged down and were unable to move the ball against the defending champs. In the third quarter Hood River connected on a long pass to go all the way for the score. With the kick good, the Hood River team was in

a commanding lead. Still the Buffs were unable to get a drive going and before the third quarter ended, Hood River added another field goal to sweeten their pot to the lead 19-6. During the final quarter Hood River iced the game with the final scoring drive to give them a 25-6 win over the visiting White Buffalo team.

The game was a lot closer than what the score makes it look. The Buff defense broke through several times sacking the Hood River quarterback. It was just little things that spoiled something good and Hood River was able to capitalize and produce the scores.

Tourney set

The All-Indian "Get In Shape" double elimination basketball tournament will be held October 12 and 13, 1990 at the Toppenish Community Center. Ten men's and eight women's teams will compete in the tourney.

Entry fee for the men's teams is \$150; women's entry fee is \$100. The first place men's team will win \$500 plus jackets and sweatshirts. The women's first place team will be awarded a plaque and jackets. Awards will be given through fourth place.

Entry fee deadline is October 5, 1990. For further information contact Leonard Blake at (509)865-5119; Judy Craig or Cindy Yallup at (509)865-5121. Or write to Blake or Craig at 1014 East 1st #29 Toppenish, WA 98948.

The Madras White Buffaloes had their hands full with the defending state champions the Hood River Eagles on their field. The Buffaloes dropped a 25-6 game on September 7, 1990.

Crook County escapes with narrow win

The home opener was a bummer for the White Buffaloes as the 4-A Crook County Cowboys came to town to squeak out a 13-7 win over the host Buffs. It was pretty much a defensive game as neither team could get a good drive going. Crook County scored first and they led 7-0 at the end of the first quarter. In the second quarter Tony Holliday went weaving his way into the end zone and a kick by Justin Chester evened things up and the teams took the intermission in a 7-7 deadlock.

It was the popping of the pads for both teams in the third quarter as each defensive team gave much ground. Although there were some good plays, the drive stalled and after three quarters, the score stood at 7-7. In the final quarter, the Cowboys marched down the field right to the two yard line where the Buff defense held the Cowboys and took over the ball. But the Buffs were unable to move the ball and Ryan Boyle was to punt from the end zone when the Cowboys burst through the line to block the punt

and a Cowboy pounced on the ball, giving Crook County the TD. The kick failed and the score board lit up 13-7 in favor of the Cowboys.

The Buffs did have a good drive going but bogged down. The Buffs had to give up the ball with time running out and they Buffs moved up field pretty good. But with a minute or less the Cowboys hauled in a pass from fill-in quarter back Jake Coochise and they just sat on the ball letting time expire giving them their first win of the season.

This weekend, the Madras White

Buffaloes are on the road for their first GOL Conference game with the Mac Hi Pioneers, from Milton-Freewater, Oregon.

Because their is no radio station in that area to carry Mac Hi games, the game won't be aired on KWSO. However, most other away games can be heard over KWSO.

Braves prepare for season

Chemawa Braves are preparing for the fall sports in the 2-A, Tri-River league of schools which include the Colton Vikings, Gervais Cougars, Jefferson Lions, Kennedy Trojans, Regis Rams, Salem Academy Crusaders, Santiam Wolverines Scio loggers.

With the schoolyear just getting underway at Chemawa, the athletic programs are far behind all the schools in the state. This year there will be no football program at all there, one reason is because of the late start with the school where the kids are already behind a couple of games of the other schools and they haven't even started practice. So there is no football this year.

The Chemawa Braves will participate in Cross Country and Volleyball. According to Brenda

Bremner who is the Athletic Director and girls volleyball coach said they had their first practice season this past Monday. So far she has four returnees. Those who are moving up show good promise. They have already had to forfeit some league games. They will have their first league game next Wednesday when they host Salem Academy September 26. Bremner expects to see Regis and Kennedy as top contenders in the league this year and she hopes that Chemawa can compete well with the league and hopefully make the play-offs.

The Cross Country team has two returnees and they will fill the rest of the team as fast as they can. The Chemawa Invitational is their first meet in October and hopefully they will be in full force with both a boys and a girls team.

Co-ed team enters Butte

A 12 person co-ed relay will take place October 12-13, 1990 from Crestwell Butte to the Newport Bay. The relay race will alternate legs from 5K (3.1 mi.) to 8K (4.9 mi.) each individual will run three legs.

The Northwest Nation Road-runners are the only team from Warm Springs known to be entering the relay and they are fundraising and have a total of \$140 to raise and would appreciate any support.

The team members include Sandra Greene, Shielah Wahnetah, Fritz Miller, Laura Caulloux, Dan and Fran Ahern, Jerry Sampson, Ray Shike, Jr., Angie Greene, Oliver Kirk, Tom Begay and Joe Tuckta.

Registration begins

Registration is now open for St. Pat's Cowdeo to be held October 20 & 21 at the Jefferson County Fairgrounds, Madras. Kids ages 6-14 are eligible. To register contact Kathryn Bain at 475-2130.

Kids participate in Pee-Wee Rodeo

Each year there is a Pee-Wee Rodeo Association for kids to participate in. There are rodeos during the summer months and in August they have their finals to see who has made the most points in each division and events to become the champion.

This year Liane Tom was named the All-around champion for the six-year-old and under contestants. Another local boy, Justin Tom,

was in the roping event to share the top spot in that event and the two will receive a belt buckle. The two local kids did well for themselves this year.

The divisions are: seniors, ages 12-14; intermediate, 9-11; juniors 6-8; and the under age are from 6 years and under. The Association is open to any kid who likes to rodeo each year.

1990 Pee Wee Rodeo Season Results

All Around Titles

Senior Cowboy Justin Buchanan, Bend	Junior Cowboy Brian Bain, Redmond
Senior Cowgirl Sarah Cornwell, Redmond	Junior Cowgirl Jessie Palmer, Redmond

- Goat Tying - Rickie Mickle, Redmond

Mini-workshops explain ways to avoid heart attack

Do you know how to avoid having a heart attack? Do you know the risk factors associated with having a heart attack? Would you like to know what your risk factors are? Would you like to know how to lower your risk factors?

If you would like to avoid an untimely early death due to heart disease and learn about "heart health," you will be interested in the following workshops. The first workshop, which concerned blood pressure, was held September 18.

All mini-workshops will be offered in Conference Room II at the Administration Building. They will last 15 minutes (come during your coffee break). Times will be: 8:00 a.m., 8:30 a.m., 9:00 a.m., 9:30 a.m., 10:00 a.m., 11:00 a.m. and 11:30 a.m.

Thursday, September 20, Blood Cholesterol

What is cholesterol? What does HDL and LDL mean? What is an unsafe level of cholesterol? How can you lower your cholesterol level?

Tuesday, September 25, Diabetes

What is diabetes? How does it contribute to heart disease? What can you do about lowering this risk?

Thursday, September 27 -- Screening clinic at the administration building. Blood Pressure, Blood Cholesterol and Blood Glucose from 10:00 a.m. to 11:45 a.m.

Tuesday, October 2, Smoking

What is a smoker's added risk of heart attack?

Thursday, October 4, Obesity

How does obesity contribute to heart risk?

Madras JV Volleyball team returns the ball to Mac-Hi Pioneers during game Friday, September 14, 1990.
