Appreciation extended

To the Washat Elders and Shakers,

We wish to let the elders, the drummers, and people who took the time to come and sing. And praise the Creator for Blessing me and my family with a home.

That we pray for a Blessing for each and every person that was here, and they made us feel so good that people do care and still carry the Creator's way of worship for the Indian people.

We would also like to pray for a Blessing for the Shaker people, for helping us with our sorrow, so that we can walk with a light feeling knowing that our brothers are being well taken care of. Also the house lighting.

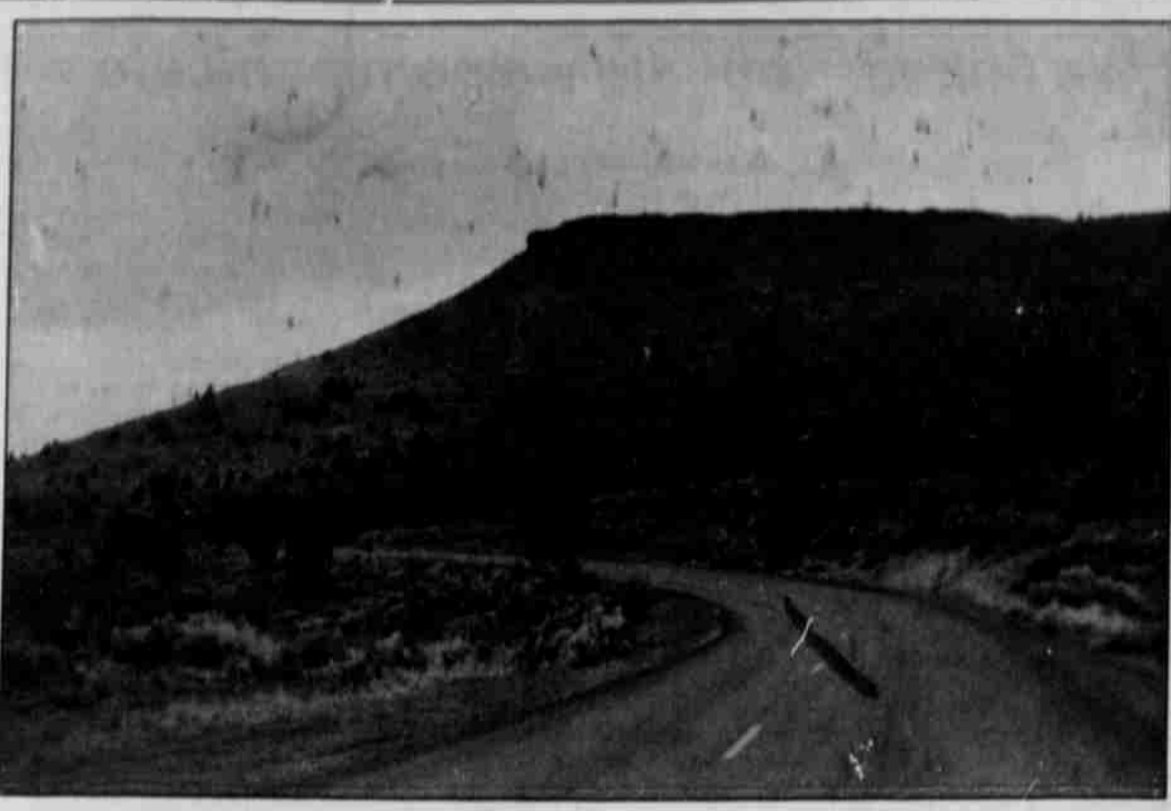

We would also like to say our thanks to Mr. Finch, Jerry Sampson and Bill Caudle and crew. Jesus Bless you one and all in your own way of worship.
