Northwest Travelers powwow results given

Results from the Northwest Traditional Travelers Powwow dance contests follow.

- Boys 7-12 Fancy Traditional—**
1st James Walsey, Granger, WA
2nd Solomon Scabbyrobe, White Swan, WA
3rd David Spotted Eagle, Wamic, OR
- Girls 7-12 Fancy Traditional—**
1st Suzie Walsey, Granger, WA
2nd Adrian Merrifield, Warm Springs, OR
3rd Bridget Eaglespeaker, Yelm, WA
- Teen Girls 13-16 Fancy—**
1st Jolene Boise, Warm Springs, OR
2nd Michelle Eaglespeaker, Yelm, WA
3rd Bixie Eaglespeaker, Yelm, WA
- Teen Girls 13-16 Traditional—**
1st Margaret Dave, Yakima, WA
2nd Arlyssa Rhoan, West Hills, OR
3rd Quee-Lee Eaglespeaker, Yelm, WA
- Lyda's Special 13-15 Fancy—**
1st Thea Moran, Wapato, WA
2nd Jolene Boise, Warm Springs, OR
3rd Charmaine Watts, Warm Springs, OR
- Teen Boys 13-16 Francy/Grass—**
1st James Teeman, Warm Springs, OR
- Teen Boys 13-16 Traditional—**
1st Sky Yallup, Pendleton, OR
2nd Gary Smith, Toppenish, WA
3rd Russell McCloud, Toppenish, WA
- Team Dance Sunday Finals—**
1st Donny Rain Team
2nd Estomina Made Team
3rd Delia Begay Team
- Veterans Special Ray Moody—**
1st Charley Tailfeather, Simnasho, OR

- 2nd Bill Johnson, Pendleton, OR
3rd Ken Miller, Warm Springs, OR
- Buckskin Special Ray Moody—**
1st Millie Colwash, Warm Springs, OR
2nd Ella Jane Jim, Warm Springs, OR
3rd Arlita Rhoan, Warm Springs, OR
- Old Northwest Traditional Straight War Dance Finals—**
1st Roger Suppah

Education sponsors workshop

On Friday, May 3, 1991, Betsy Pierson will present a workshop about recognizing child abuse and neglect. This workshop is scheduled for 1:30-3:30 p.m. in the Warm Springs Community Center Social Hall.

This two-hour workshop will benefit any interested parents, preschool staff, child care workers, and school employees who want to know more about how to recognize the signs and symptoms of child abuse and neglect.

Betsy is an experienced Child Protective Service worker for the

Children's Services Division. She is presenting this workshop throughout the state of Oregon. The workshop will include a slide presentation and some time for questions.

You are invited to attend. If your agency will be sending a number of staff, please let us know so we can have enough chairs set up. Any questions? Call 553-3241 for more information.

There is no cost to workshop participants. Sponsored by the Warm Springs Department of Education.

Jobs open to high school students

Attention Madras High students. Are you interested in a career in Natural Resources Management?

Position	Shift/Hours	Job Description/Experience
Forest Aide 4 positions	6:30 am-3:00 pm	Assists in presale, scaling sale administration, forest development, engineering forest development.
Fisheries Aide 2 positions	8-5	Creeling, Fish Acquisition & Distribution, Radio-Telemetry Studies, Substance-Fishery monitoring, Campground maintenance, Timber sales.
Range Aide 3 positions	8-5	Range management, Plant identification, Vegetative Monitoring, Range Improvement methods and Engineering design.
Water Aide 1 position	8-5	Water monitoring, retrieving data from the computerized monitoring equipment, conducting in-stream biological surveys, information on the computer system.
1 GIS/Computers	8-5	Observe all GIS use in the field of Natural Resources, learn basic drafting skills, enter data on computer, plot maps, identify the various parts of the GIS computing center.
1 Soil Survey Aide	8-5	Assists in describing soils in the field. Site index work on forested land to determine potential tree growth on each soil. Clipping forage on rangeland and on woodland understory sites to determine potential forage production on each soil.
1 Archaeological Aide	8-5	Assists in field surveys and Cultural site documentation, prepares reports and site documents, including mapping, training in cultural resource identification, plant knowledge.
1 Secretary Aide	8-5	Assist with administrative support activities of the department, engaging in clerical functions such as typing, filing and answering phones and routine correspondence.

Contact Natural Resources for an application, 8 a.m. to 5 p.m., Monday through Friday. Or call 553-3548.

State announces position vacancies

Engineering Specialist (entry) \$1287-\$1690 Mo.
Engineering Specialist I \$1474-\$1954 Mo.

Oregon State Highway Division has permanent and seasonal vacancies statewide. Positions perform surveying, drafting, inspection, etc. ES (Entry) requires algebra and geometry knowledge. Engr. Spec. I requires an Associate Degree in Engineering Tech, OR 18 months engineering experience; OR a BA/BS in Architecture, Geology, Mathematics, or Physics.

Complete a State of Oregon application available from any local Employment Division office or ODOT Personnel (503) 378-6281. If you wish to be considered for current vacancies, please submit your application now.

AA/EEO Employer

Noxious weed control program to begin

A noxious weed control program will be implemented on the Warm Springs Reservation in 1991. The work plan will address priority areas for noxious weed control.

Many noxious weed species are found on the Warm Springs Indian Reservation. These weeds threaten the productivity of the reservation lands in forest, range, and agriculture. Community lands and lands adjacent to the reservation are also threatened. Noxious weeds can cause untold economic losses to the land as well as a reduction in the value for recreation, wildlife and aesthetics.

In cooperation with County, State, and Federal agencies, the reservation is committed to a vigorous and effective control program.

Federal funds from the BIA for noxious weed control on the Warm Springs Indian Reservation will amount to \$45,000 over two years. There's \$2,500 available in cost assistance matching funds from the Oregon Department of Agriculture for tansy ragwort eradication.

The Wasco County Weed and Pest Department is under contract with the Department of Energy, Bonneville Power Administration (BPA) to treat BPA powerline right-of-ways in Wasco County. Wasco County Weed and Pest Department will be spot treating 17 miles of powerline R-O-W. Primary focus will be the knapweed complex.

The Oregon State Department of Transportation, State Highway Division budgets for road shoulder treatment of U.S. Highway 26, by state highway personnel. The State subcontracts the weed control of

the right-of-way, outside the shoulder treatment area to the fence, to the Wasco County Weed and Pest Department.

As stated earlier, 17 miles of BPA R-O-W will be spot treated for the knapweed complex. Highway 26 will be spot treated from the junction of the W-100 road to the Deschutes River. Spot treatments will also occur along Highway 3 and Highway 9. Primary focus along these R-O-W's will be the knapweed complex, tansy ragwort, St. Johnswort, Dalmation toadflax, whitetop and Canada thistle. Spot treatment of the knapweed complex will occur around the Simnasho Longhouse, the Dry Hollow access road, sec. 4, T 8 S, R 13 E, and sec. 5, T 11 S, R 11 E and around the Industrial Park. Spot treatment of yellow star thistle will occur in sec. 23, T 9 S, R 12 E along the fiber optic line. Spot treatment of whitetop will occur in the Tenino valley, mainly in the abandoned croplands. All secondary and tertiary roads south of the McQuinn Line, north of the Campbell Line, between Highway 26 and Highway 3 will be spot treated for the knapweed complex and tansy ragwort.

So far, five biological releases have been made. Three releases have been made for Canada thistle, with the control agent being *Urophori cardui*, a gall fly. The first release being along the Warm Springs River, west of Kah-Nee-Ta

Resort, in T 8 S, R 13 E, SW ¼ of the NE ¼ of Section 20. The other two releases made at the junction of the S-507/S-507A roads, in T 5 S, R 9 E, NW ¼ of the SW ¼ of Section 16 and the other at the junction of S-507/S-42 roads, in T 5 S, R 9 E, NW ¼ of the SW ¼ of Section 17.

The Wasco County Weed and Pest Department will be collecting *Sphenoptera Jugoslavica*, a root-boring beetle for the control of diffuse knapweed. Two hundred of these insects were released along Beaver Creek near the bridge on the S-501 road. Three hundred were released along the Deschutes River near the White Horse Rapids.

When noxious weeds invade and occupy a site, they do so at the expense of desirable vegetation. Grass seeding of newly distributed logging and road construction sites will be used as a preventative noxious weed and erosion control measure.

Environmental considerations and constraints can be found in the "Environmental Assessment, Noxious Weed Control, Warm Springs Indian Reservation, 1989-1992." This "1990 Noxious Weed Control Work Plan" is tied to the "Noxious Weed Control Plan, Warm Springs Indian Reservation, 1989-1992." Please reference these documents for overall program direction and intent.

Hazel Lucei-Saligan

Twenty-six year old Hazel Lucei-Saligan of Warm Springs died April 29 at University Hospital in Portland, Oregon due to natural causes. She was born July 18, 1964 in Redmond, Oregon to Norman and Janice (Hoptowit) Lucei. She attended schools in both Warm Springs and Madras.

She was married April 26, 1985 at the Warm Springs Shaker Church to Marcos Olea-Saligan. Saligan was a homemaker. She was also employed as fire lookout for the Confederated Tribes from 1989 to 1990, as well as working for a time at Kah-Nee-Ta Lodge and as an Avon representative. Saligan was an enrolled member of the Confederated Tribes and a life long resident of Warm Springs. She was also a member of the Warm Springs 1910 Shaker Church. Her hobbies included swimming, cooking and socializing. She enjoyed people and especially loved spending time with her children.

Prayer services were held Wednesday, May 1 at 2 p.m. at Bel-Air Colonial Funeral Home with the dressing ceremony following at 3 p.m. Funeral procession then followed at the Warm Springs Shaker Church for overnight services. Committal services were then held Thursday, May 2 at 7 a.m. at the Agency Cemetery in Warm Springs which was officiated by Peggy Poitra.

Survivors include her husband, Marcos Olea-Saligan, her children Farrell Katherine Lucei, Marcos Edmonton Olea and Tony Norman Olea. Her parents Norman and Janice Lucei also survive her. Three brothers, Donald Hoptowit, Edward Lance Lucei, and David Edward Lucei, two sisters Rose Lee Lucei and Emily Marie Lucei all of Warm Springs survive her along with her grandparents Edna Decoteau and Robert Lucei of Toppenish, Washington. She is preceded in death by her grandparents Napoleon Hoptowit and Hazel Thomas.

Vladimir Tracy Pineda-Soto, Jr.

Infant baby Vladimir Tracy Pineda-Soto, Jr. was born stillborn to Vladimir Pineda-Reyes and Jolene Soto at St. Charles Medical Center in Bend, Oregon on April 20.

Services were held Monday, April 22, 10 a.m. at the Bel-Air Colonial Funeral Home in Madras. Burial services followed at Simnasho Cemetery officiated by Larry Authur. Casketbearers included Manuel Lopez, Eloin Car-

Legal Notice

The Confederated Tribes of the Warm Springs Reservation of Oregon

vs. Michael Means Defendant

Order to Show Cause for Public Notice Case no. CR89-90

To: Michael Means

You are hereby notified: That the above cited case(s), as filed in the Warm Springs Tribal Court, has been scheduled for show cause hearing at 11:00 a.m., on the 17th day of May, 1991.

You are hereby ordered: To be and appear at the Warm Springs Tribal Court at the time and date shown to show cause why the suspended sentence of 65/10/90, should not be imposed for your failure to comply with the sentence imposed against you. This hearing will not be a full hearing on the merits of case; you must appear and defend against a complaint that you failed to obey the Order of the Court.

If you fail to appear as so ordered, the Tribal Court shall enter a complaint for contempt of court and issue a warrant for your arrest. If you have any questions, you should seek legal assistance immediately.

Dated at Warm Springs, Oregon, on this 17th day of April, 1991.

Walter Langness, III Judge, Warm Springs Tribal Court

Respectfully, Coach Tony "Big Rat" Suppah

Coach relates teams' tourney efforts

To the editor,

As usual the competition was very tough in our bracket. It's tough on the team or any team, once you start building a name for themselves. This didn't come overnight, before we were just another team to beat.

Our young athletes pulled themselves together, and played some good ball, over the weekend. In the semi's against the host team, White Swan Flaming Bulls, they did get over confident, and careless. Giving up a 17 point lead, and managing a 54-52 victory. After the game, I told them, they were lucky, and that they had nothing to cheer about in the end. To never let up on an opponent, regardless of the lead. For if it was them getting beat, they'd keep trying to score more points on us. They have to learn to build a killer instinct, as a team, when it comes to competition.

Never to count the marbles, until the game is over, letting the final score showing the results, of the team. Never to keep stats on themselves during the game, while playing. For as it did in the semi's, it throws your whole game off. The team is a fine bunch of young athletes, upcoming in the sport of basketball, and well disciplined. I do enjoy working with, and love them very much. I'm very appreciative on the family support, on allowing them to travel and compete in these tournaments. Also to the sponsors for their

support, on allowing these kids to compete. Our thanks goes out to Mr. Levi Greene, for his support for these kids and their team, may He above watch over you always. Our roster consisted of: Lil Bull Owl Suppah, T.J. Foltz, Scott Riddle, Ryan Swearingen, Travis Starr, Doug Blodgett, Judas Tillequots, Jonas Miller, Isreal Scott, and manager Leif Suppah.

Respectfully, Coach Tony "Big Rat" Suppah

To the editor,

The competition was very tough, with no weak teams in the tourney. There was a lot of future talent on these teams. In our first game against the Lone Pine Cougars, our girls was educated in the game of basketball. As do many teams do, they under estimated their opponent, due to lack of size. That's a no no in any competition, never judge a book by its cover, unless you regroup, majority of the time end up in defeat, as we did.

They were not very tall, but were well coached by Roger Phiander, fundamentally strong, with a lot of speed. From start to finish they put a full court press on us, with no let up, even when they were well ahead. As a team they were well disciplined as young as they were, both offensively and defen-

sively. After the game we found out that they were the A.A.U. Champions, in their age division.

Our team realized then size wasn't everything or all they needed to win. They had to work their way through the back door, with some tough games, but managed to pull a 3 point victory. In the semi's, for a rematch against Lone Pine again.

Knowing how tough our opponents were I figured to regroup, and make better showing. That never did happen, we made a poor showing in the first half, and could never make a come back. Lone Pine Cougars are one of the teams to be reckoned with, future stars in school and Indian competition. I was just glad we made it to the final four. Our team did have a successful season, as far as, tournament went.

Our thanks goes out to Alfred Smith, Jr. in his assistance for transporting the team; and also sponsoring them. God bless you and yours always.

Our roster consisted of: Littlefawn Suppah, Marcie Smith, Erica Christensen, Alvagene Charlie, Charmain Watts, Jennifer Buscher, Nicole Buscher, Jennifer Calac, Kim Skunkcap, Brenda Dick, Tiffney Henry, and manager Obedt Suppah.

Respectfully, Coach Tony "Big Rat" Suppah
