Letters to the Editor

"Spilyay Speaks"

There is always time to reflect back to the olden days, especially on memorial day. Here in Warm Springs, on Memorial day we take pride in honoring the entire family members who have passed on, not only those who have served in the Armed Forces but to all the family members because there was suffering during days of the wars for Mothers and Fathers as their sons and daughters were in the Armed Forces, in time of disrupt. And for those who have served the country and now have passed on. Each Memorial day flags fly on the graves of those who served either in service or in an organization with the Armed Forces.

Here in Warm Springs there are really no formal speeches every year, no special parades but for the family members gather at the cemetery in respect of their loved ones. Family members cleaning the graves and decorating them with flowers.

The Indian Nations across the country take great pride in honoring their veterans, as they are always acknowledged during the Powwows, because the warrior's are the ones who have put their lives on the line to protect what's ours and to be free.

Across the country there are special programs set up to honor all the servicemen and women. To show that their efforts were not in vain. Many visit the Vietnam Memorial place in Washington, D.C., and here in Oregon their is the Vietnam Memorial in Washington Park, in Portland. It is always gratifying to see the parades across the country of Veterans of Foreign Wars, the Legionaires and all the groups who support the Armed Forces.

We can look back to see records of men who served in WWI, WWII, the Korean War, Vietnam, and just recently the Desert Storm. Today we are free to do as we please here in this country of ours despite all those Anti war demonstrators who across the country cause hard feelings among those who have children in the service. These people don't seem to realize that this is something that has to be, otherwise where would they be demonstrating if it weren't for the men and women who put their lives on the line to keep our land free. But like in the past there used to be times where Time marches on....AH-NAH-Chee-Toon!!

Happy Birthday to Fred Johnson, Sr.

from all your kids!

TOE NESS

SPILYAY SEZ: "Political ignorance, is when you don't know something and someone finds out." YIKES

SS SS SS

Spring has sprung, and so has the urge to get out and dig in the dirt. Some do it with garden hoes, others do it with a golf club. YIKES

SS SS SS

And there was Ole Joe, who just had a quarter for a phone call when he accidentally dropped it into an outhouse. Trying to get it out with no luck here came his buddy Bob. Joe told him what happened and he needed the quarter for a phone call. Bob said, "I'll get it for you." He takes out a \$5.00 bill and throws it into the toilet. Joe said, "What did you do that for?" Bob says, "You don't think I'd go down there for just a quarter, do you?" YIKES

SS SS SS

Husband said to his wife: "It must be time to get up."
Wife: "How can you tell?"
Husband: "The baby has fallen asleep at last." YIKES

SS SS SS

There was this lady who said she finally got rid of 250 pounds of ugly fat...she divorced him. YIKES

Change in diabetic health care schedule noted

In an effort to improve access for patients with diabetes, the Warm Springs clinic will soon begin scheduling diabetic physicals on an expanded scale. Appointments will no longer be scheduled only on

Thursday mornings; instead, patients will receive a reminder during their birth month to make an appointment for their annual physical at any time that is convenient for them.

The Diabetic Breakfast Club will continue on the fourth Thursday of each month from 8:30 to 10:00 a.m. in the clinic conference room. The breakfasts will be served in conjunction with an education session, with plans to expand these learning opportunities to other times and locations. Eye clinics will continue to be held at least twice a year, and there are plans to offer foot clinics as well. This expanded schedule will begin in July; the breakfast will be scheduled as usual on July 25th.

Future plans for diabetes care at the clinic include a comprehensive education plan for newly diagnosed or newly motivated patients with diabetes and their families, as well as a community education awareness program. Current activities include the diabetes exercise program every Monday, Wednesday, and Friday from 8:00 to 9:00 a.m. at the Community Center, the Diabetes Breakfast Club the fourth Thursday of every month, and the diabetic eye and foot clinics which will be scheduled throughout the year.

If you have any questions or suggestions regarding diabetes care offered at the clinic, please call Candace Reich, Diabetes Project Coordinator at 553-1196.

JOM to sponsor math camp

The Johnson O' Malley committee wants to sponsor a two week summer math camp to be held in Warm Springs in July. The goal of the committee is to offer an educational alternative in a fun atmosphere. Several skills will be focused on in this unique program that gives the students hands on computer experience. The J.O.M. committee is seeking interested students who will be entering the 7th and 8th grades in the fall. Students must be committed to attending the camp every day over it's 2 week period and families are expected to

support the kids efforts. This is the first time a summer camp for Junior High kids using computers has ever been offered during the summer in our area. There are no academic requirements. Space is limited. Parents--please encourage your 7th and 8th grader to take advantage of this opportunity. Find out more about the Warm Springs summer math camp today by contacting Julie Mitchell in the Warm Springs Education department. When education is offered in a fun way--kids will learn a lot!

Schusters announce achievements

Alvin and Pat Schuster of Wapato, Washington, wish to inform Warm Springs residents of the scholastic accomplishments of their young family members.

Debra Mitchell, an eighth grader at Wapato Middle School, was recently recognized for her perfect attendance record and her 3.9 GPA. She received a letter of congratulations for her efforts from President Bush.

Thirteen-year-old Debra wishes to thank her grandfather Fred Johnson, Sr. for attending her Middle School graduation ceremonies June 5.

Allen Mitchell, a sixth grader at Wapato Middle School, received straight Bs while Ben Hintsala, a freshman at Wapato Senior High School, also received straight Bs.

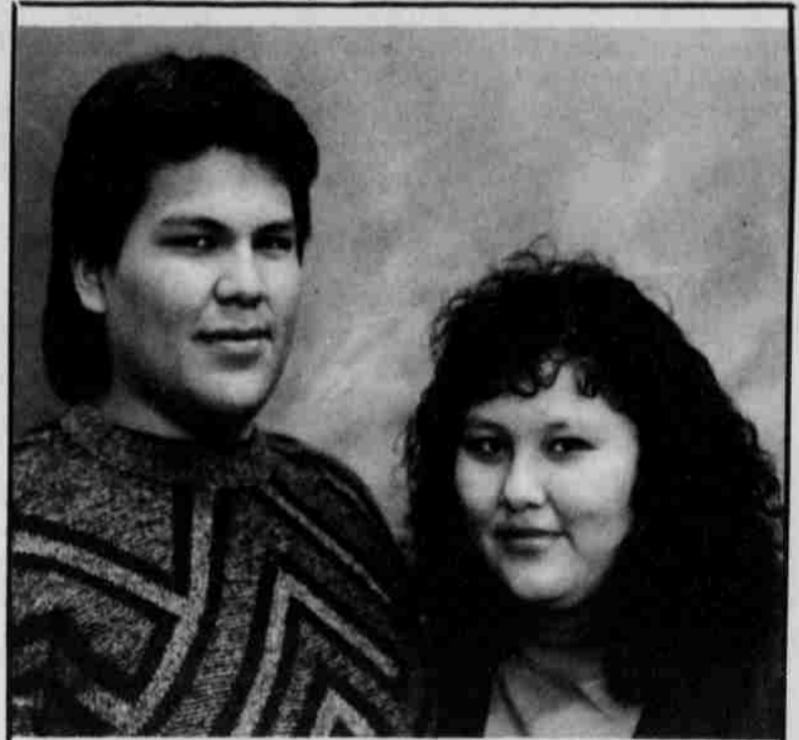

Fifth grader Joseph Mitchell was recognized for his participation in the DARE program. Third grader Joseph Switzler and Joseph Mitchell were both awarded for their perfect attendance in the last school year.

Help Appreciated

To the Editor,

We, the family of Kenneth Buck, wish to express our sincere gratitude to all who extended a helping hand during our recent loss. A special thanks to the Warm Springs Tribal Council for their assistance to our family throughout these past hard weeks.

Sincerely,
The Buck Family

Saphronia Roslyn Coachise and John Smiuk Katchia, Jr. both of Warm Springs would like to announce to friends and family their engagement to each other.

The future bride is the daughter of Elizabeth (Libby) Chase of Warm Springs and Elbridge Coachise of Edmonds, Washington. She is a 1989 graduate of Madras High School and is now employed for the Confederated Tribes at Spilyay Tymoo as a reporter/photographer in Warm Springs.

The future groom is the son of Theresa Vanpelt and John Katchia, Sr., both of Warm Springs. He is a 1988 graduate of Madras High School and is currently employed at Warm Springs Forest Product Industries.

The couple has set their date for the wedding for Saturday, September 21, 1991 in Warm Springs.
