Cycling Classic scheduled

This is your invitation to participate in the First Annual Bend Summer Festival to be held in conjunction with the Cascade Cycling Classic this July 13 and 14. The Cycling Classic draws over 20,000 people and it is anticipated that this top quality food, beer, wine and art event will draw several thousand more wine and food enthusiasts over the week-end.

The Festival, organized with the cooperation of the Bend Downtowners Association, Bend Metro Park and Recreation District, Regional Arts Council of Central Oregon, and Central Oregon Art Society, will be situated in Downtown Bend on Wall, Oregon and Minnesota streets. The Festival will make over 150 booths available to Pacific Northwest wineries and microbreweries; local restaurants, caterers, and food establishments; and Central Oregon artists.

The Festival also has several booth spaces available to civic and cultural organizations for a fee of \$100. The booth space is 10'x 10' and you will be responsible for setting up your own booth and providing for signage (we ask that you arrange for a professional-looking sign). You are welcome to sell items, hold raffles or contests, or, in general, conduct any activities that would be a further attraction to the festival.

This is a great opportunity to showcase your event, product, or service to a very large number of people at a very low cost. The Bend Downtowners would be pleased to have you participate.

Suppah wins Endurance Race by one second

There were 10 entries in the adult class and four in the junior division as the riders went to the poles for the start. When the riders broke over the top down the steep hill toward the finish line with just the creek in between them and finish line it was Joyce Suppah who led the pack in winning the race in a fast 50 minutes and 37 seconds, as she nosed out her brother Jay Suppah who was just a step or two behind and his time was 50:38. It was a tough race but Joyce was able to hold her Bro off at the finish line for the win. This is the second time Joyce has won the long race.

Allen Gilbert, Jr. came in third with the time of 51:24, while Delvis "Bullneck" Heath came in fourth, his time was 53:06, while Shari Heath came fifth and her time was 57:48. Bullneck said he's getting closer to being the winner, maybe next year he will top the field.

In the Junior division it was Flint Scott taking first place, this is his second time of winning the race. The Jr. division race is near 5 miles which Flint rode his horse in with the time of 11:34, second was Charley Spino his time was 11:42, third was Isreal Scott with the time of 11:45 and in fourth place was Smokey Wewa and his time was 13:45.

Well, last year there was a stick horse race around the Shaker Church, but somehow this year all the stick horses got away and there

wasn't a race this year, Brenda Scott is the latest winner of that event, nosing out Bernard Topash, last year.

Robert Heath getting to the finish line just a wee bit ahead of Shane Olney during the Endurance Race.
