Nespelem All-Indian Championship rodeo results

With the Nespelem All-Indian Championship rodeo held just recently the results of that show as turned in by Jeannetta Herrera, WSIRA secretary, will follow. This was a duel sanctioned rodeo with the WSIRA and WIREA of Canada. All results are from the major rodeo events where the points count toward the trip to the Nationals. The Nespelem rodeo was held on July 13-14, 1991.

The winner of the bareback event was a Canadian cowboy Nelson Stewart who scored a 77, to top all other cowboys. In the saddle bronc was another Canadian cowboy marking a 71 to win that event. In the bull riding it was Shawn Best of Omak and a member of WSIRA, who marked a 72, to win that event.

This seemed like a place for the

Canadian cowboys as they won the team roping event as Neal Antoine and Blaine Louis roped their steer in 6.00 flat. In the steer wrestling another Canadian cowboy won the event with the time of 10.62, turned in by Kevin Hok, with the WSIRA cowboy taking second as Clyde Colliflower turned in the time of 15.27. Mel Joseph, a cowboy from Lone Pine, California, always tough in the timed events, won the calf roping with a time of 14.00. Joseph also won the cow milking event with the time of 32.76. Crystal Colliflower of the WSIRA won the womens breakaway roping with the time of 18.35. Crystal Colliflower was third in the girls barrel race as a pair of home town girls topped the field. But Colliflower was the only one from the WSIRA.

The following is the complete results of each event:
