WARM SPRINGS, OREGON

SPILYAY TYMOO

Let's take a look at our wildlife.. Today, with all the activity that's taking place in the "wilds." Well, at one time it was the wilds! Now days there has been a human being in almost every square foot of the country. With all the jobs in the woods where the animals roamed free and undisturbed by the human race is now so cluttered with all kinds of equipment and people going every direction and roadways all over, where will the wildlife live? The deer, bear and all the animals seem to be trying every way to survive.

On the way to an eye ap-pointment in Bend, I saw about six deer right in town trying to cross the highway at the intersec-

tion where people turn into ShopKo. The traffic was so heavy the deer were unable to cross the road. I have no idea what ever happened to them because on my return trip they were no where in sight. And, again, I thought it may have been just an illusion since I was on my way to the eye doctor. So with all the activity in their natural habitat in causing all the animals out into the open and soon who knows, what will become of our wildlife? Ahh-Nah-Chi-Toon.

We have a nice community here in Warm Springs, with fine housing developments, construction of new facilities, such as the Early Childhood Learning Center and a museum and nice paved streets that are always kept up by the BIA roads department. There is always something happening here as we are trying to do what's best for future generations who will take over these chores later on.

Just recently, there was a nice fence erected along Highway #4, Tenino Road. The roads department even built styles for pedestri-

Huckleberry Feast involves many planners, participants

To the editor,

The Huckleberry Feast was blessed with a lot of people and plenty of food and berries for all. Thanks to all the cooks for the good meal. The children enjoyed the cowdeo activities that was held for them. Thanks to the guys that organized that event. Indian social dances were reintroduced to the people by Wilson with the help of Mary Ann Meanus and other elders. Most of all, special thanks and gratitude to all those that helped during the past year to fundraise for this powwow, (Pi-Ume-Sha Committee, Kah-Nee-Ia performances, etc.) Without these fundraising events the prize money and drum pay would not be possible. The powwow was well attended with drummers, singers, dancers, spectators and of course, Miss Huck and Miss Indian World.

A raffle and bake sale was held. coordinated by Effie and Hilda Culpus, with proceeds going to the powwow. The net sales were \$532. We appreciate their hard work. dealing with these two particular functions. Acknowledgement and thanks also to Tillie Salas, Inez McKinley, Wilbur Johnson, Freda Wallulatum and Rose Mitchell for their item donations to the raffle/ bake sale. And to the people of Warm Springs and the Madras

businesses that supported this raffle. Congratulations to the winners and to those not fortunate, your contributions were enjoyed by all. May God Bless You All.

The final results of the powwow

Girls 7-12: 1st-Daleena Frank, Wolfe Point; 2nd-Janelle Tailfeathers, West Hills; 3rd-Victoria Tufti, Shitike Creek.

havior during Pi-Ume-Sha.

Myrna Frank

Moran completes basic training

ans to cross over the fence. Well, what happens? Shortly after the project was done, vandals were at work breaking the style up. They to 5 p.m. each day. broke off the hand rails and cut the wire in several places.

Makes a person wonder what these people get out of doing things have the opportunity to tour the falike this. Does it make them big and tough guys? Damaging things that cility and see craftspeople at work as were installed for their use makes no sense at all. Maybe these guys like living in slum conditions but why drag the whole community down too.People know who does these things, maybe they should be handed the bill for repairs and see what super tough guys they are then. If they complain at the bill, tell them, just like the song says, "That's Just the Way It Is Baby!"

Camp provides good experience Company is entering its second year

To the editor,

I would like to thank all of the people who helped send Albert to Camp Easter Seals this summer. This camp helps him to be independent-socially active and to just be away from home for awhile. He always enjoys himself and has a very good time.

Thank you, goes to Nancy Smith, Special Ed. teacher at Warm Springs Elementary for

sending a letter to Easter Seats. Special thanks to the JOM Committee, who paid for his registration fee. Also I would like to thank Linda Knight & Welfare for helping us with gas money. We also had out on the van. Thanks everyone.

Albert, Bill and LaVonne

Private James E. Moran, 17, will be graduating from basic training at Fort Knox, Kentucky Friday, August 23, 1991. He received training as a crewman in the tank division.

James left for Fort Knox on June 19 and will return to Warm Springs by September 2 to complete his senior year at Madras High School. In June 1992 he will return to Fort Knox for more advanced individual training. During the year, he will attend monthly training sessions with Delta Company of the Oregon Army National Guard in Redmond, Oregon.

James has been an active member of the 4-H Search and Rescue group for the past four years. His future plans include one year of college and then entering West Point Naval Academy in New York. James is the son of Rob and Rosaline Moran and is an enrolled member of the Confederated Tribes of Warm Springs.

Pvt. James Moran

Appreciation extended for successful rodeo

To the Editor.

Tribal Council for funding the use of there water trucks. Used in Huckleberry Feast Rodeo on the arena, it made the digging August 4 and 5. It made all the easier and prevented a lot of kids winners because they all got injuries.

Secondly, thanks goes to Warm Springs Forest Products First of all, I'd like to thank Industries and Forestry for the

Begay for bringing the sheep and Ron Suppah for bringing the mares and colts.

The biggest thanks go to the little cowboys and cowgirls who tested the rough stock that was furnished for them.

contestants daily.

We had a good turnout

I have to apologize to all the

kids who didn't get to ride

because of the amount of stock I

brought. I will bring enough for

everyone next year because there

are plenty of all-Indian cowboys

A Memorial Dinner has been set

Thank you,

Buzz Scott

and cowgirls in Warm Springs.

Thirdly, thanks go to Tom everyday, with about 100
