Co-ed Soccer hits Madras

Madras High School has, for the first time ever, organized its first co-ed soccer program. The funds to start the program were raised by the Jefferson County Soccer Club, which raised a total of \$5,000. The program is community supported for its first year, but hopes the school district will pick up the program in the future if it does the other school sports. If not, the Jefferson County Soccer program will work at raising money for the program. To raise funds for this year, the club sold calendars to the public and advertising to earn money. The calendars sold for \$5 and are still for sale. There has not yet been a selection for a coach nor has there been a schedule made. Both are scheduled to be completed next week.

The program is currently working on teaching and learning of basic fundamental skills, have a better program, be better organized and to have fun. For the first season the team will play Intramurally. They will play the Junior Varsity teams from Bend, Redmond, Mt. View, The Dalles and Hood River. Half the games will be played at home and half of them on the road.

The program would like to encourage students to give it a try and go out for the team, and find out if soccer is for you. New team registrations are welcome after school starts.

Bufs victorious in year's first outing

Bruce Reese-White Buffaloes, impressive in the opening football game of the season as Madras ran past the Seaside Sea Gulls 29-12, September 6, 1991. A new season, a new coach and a fired up squad brought cheers to the hometown fans as both the offense and defensive teams did what they had to for the big win.

To show how fired up the team was after the first score came on a three yard run by Shane Barnes the entire team emptied the sideline and dashed into the end-zone to congratulate Barnes for the TD.

Unfortunately the team was penalized 15 yards for unsportsmanship. Despite the 15 yard penalty a pass was completed from Barnes to Ryan Boyle to put the Bufs ahead 8-0.

Seaside answered with a 31 yard TD pass as quarterback Camberg hit Sigurdson putting them on the scoreboard. Seaside also emptied the bench of players as they romped into the end zone to congratulate their players for the TD and they also received a 15 yard penalty for unsportsmanship conduct. The Madras defensive unit

broke through the line and blocked the kick trying for the extra point and the score stood 8-6.

Claude Smith, III did the kick-offs for the Bufs. The defensive team had a big hand in the win stopping the Sea Gulls time after time. Ryan Boyle took a Barnes pass and scampered 48 yards to pay dirt for the second score for the Bufs and with DiCintio doing the kicking the extra point was good giving the Bufs a 15-6 lead. Just before the first half ended Ryan Boyle took a pitch out on what looked like an end around sweep,

then threw a pass to his brother John Boyle who caught the ball and ran 56 yards for the score. DiCintio kicked the extra point, the Bufs went into the locker room at half time with a 22-6 lead.

Both teams played real hard there is no question but the Bufs momentum had the edge on the visitors as they hustled them all evening long. If the Bufs can continue with their fired up spirit they can compete with any team that comes along.

On September 13, the Bufs will have another big test as they host the always tough Hood River Valley Eagles, on the Buff grid iron, with game time at 7:30 p.m.
