### White Buffalo boys and girls basketball teams win road games; boost league records

#### Madras 68; Ontario 49

The Madras White Buffaloes made a sweep over the weekend of January 31 and February 1 with a win over the Ontario Tigers here in Madras and the next day traveled to beat MacHi.

On Friday night Madras handled the Ontario Tigers after a sluggish start where they fell behind and had to come from behind to take the win over the Tigers by the score of 68-49.

At the present time their season record is 10-3, over all and 4-1 in GOL play. On Friday night the Buffs were a little slow off the starting blocks and fell behind 12-6 at the end of the first quarter. There were a lot of shots missed right from under their own basket, while at the same time the Ontario Tigers were able to get second shots and make them. The Tigers kept the pressure on the Buffs through out the first quarter but then in the second quarter Madras woke up a little and started their move to out score the Tigers 24-10 to take a 26-22 half time lead.

The Buffs continued their roll in the third quarter again out scoring the Ontario Tigers 22-9, to extend their lead to 48-31 after three quarters of play. From that point on all the players saw some action through out the quarter as the Ontario team outscored the Buffs 18-16, but that was well short to overtake the big lead the Buffs built in the two middle quarters.

Ryan Boyle back in full swing once again after an injury that sidelined him for a couple of games came back strong to top all scorers with 21 points, Scott Moses added 12, Mark Harris and Shane Barnes had 10 a piece, Ryan Grote 6, Leif Suppah 5, Tom Norton 4, Butler,

Gerke, and Delamarter. Boyle hit three 3 pointers to spark the comeback after their slow start earlier in the game.

Wilson was high for the Tigers with a total of 16, Cowgill 10, Wellstein 6, Nichols 5, Try 4, Esterly 4, Helfrich 2, Schnieder 2, Johnson, Ray, Bazutts and Grim.

#### Madras 41; MacHi 39

On February 1, the Madras White Buffaloes traveled to Milton-Freewater to meet the Mac Hi Pioneers in league action and came away with a big "W". It was a slim victory, but a win is a win.

Road trips are usually hard to come by and that showed at Mac Hi as the Buffs squeaked past the Pioneers by the score of 41-39.

The game went right down to the wire for a near photo finish where the Mac Hi team missed a last second desperation shot as the game ended.

Ryan Grote led the Buff scoring with 14, Scott Moses added 12, Mark Harris 7, Ryan Boyle 2, Leif Suppah 2, Tom Norton 2, Spencer Gerke 2, Barnes.

Ruiz and Meza were high for the Pioneers as each got 13 points while Leighty 4, West 4, Potter 3, Hutchenreiter 2, Peroza. Scott Moses got three, 3 pointers for the Buffs. On Saturday February 8, the Buffs will be on the road to meet the Burns Hilanders. The season is winding down to just a few more games and it will be play off time once again. The buff's better stay on the winning track to make it to state once again. Many fans still remember the gallant finish the Buffs made at the state tournament last year getting beat by one point in the final game at state. "Whew."

#### Buffs 75; Nyssa 18

This is the time when the Nyssa Bulldog girls basketball team should have gone shopping or something because they came to Madras for a league game and were blown away by the Buff girls as they pounded them every which way but loose, by the tune of 75-18.

It was one of those nights when it was a long, long night for the visitors. It was just like turning out a penned up Buffalo where it took off and never looked back to see what a mess it left. That's just what the Buff girls did was take off and never looked back to see where Nyssa was, because after one quarter of play the score was 16-6, and the second quarter was no different where they went 25-7 over the visiting Bulldogs and at halftime the score was 41-13.

The starters were on the sideline most of the second half. Laura Sahme and Michelle Simmelink were high scorers with 10 points each. Every girl on the team got in the scoring column during the game. Others scoring were Shirley Allen and Heather Clowers each having 8 points, Luanne Foltz and Allison Kirsch each had 7 points, Margie Durette and Becky Dodson had 6 each, Arlinda Duff and Alyssa Macy each had 4, Stephanie Harris 3 and Jennifer Runge 2.

Scoring for Nyssa was Glenn 6, Kasad 5, Ramos 3, Langley 2, Shipp 2, Fredrecksen 1. Sufentes. Laura Sahme had two 3 pointers and Luanne Foltz one.

#### Buffs 65; Baker 58

The win for the girl Buffaloes was a big booster because a win on the road is always tough to come by. On Saturday night the Buff girls traveled to Baker City to take on the Bulldogs who were all fired up for the game, but they came home with the victory by the score of 65-58.

The Madras girls had to make a big adjustment to overcome a deficit as they were trailing by 7 points at the intermission mark by the score of 36-29. It was a tough defense and a big team effort that brought the Buffs out of the hole and go on to get win number five with one loss in league play to date.

Free throws were another key factor as Becky Dodson hit 5 of 6 from the free throw line in the final period to put the Buffs out of reach in the closing moments of the game. There was good ball handling that opened up the inside for the easy two.

The Buffs were a little cold in the first half missing a lot of easy shots and Baker coming up with the rebounds and scoring almost at will with the big girls in the middle, and they were getting second shots under their own basket getting offensive rebounds. The Buff girls didn't lose their cool despite the big lead the host Bulldogs had at the intermission. They hung right in there and fought back out of the hole to take the lead away from Baker.

In the second half the Buffs regrouped to put up a tough defense to stop the scoring for the Bulldogs almost completely and they took the tempo away from the host Baker team. At the start of the final quarter with the Buff

girls leading by just a point 46-45, the game went point for point for some time but then the Buff girls put a lid on the basket to stop the Baker girls. When the inside tightened up the girls hit the long bombs from the outside as Laura Sahme, Luanne Foltz and Shirley Allen all connected with three pointers. This would open up the inside for easy shots under the basket for the big girls.

In the final period the Baker girls were in the catch up situation and did a

lot of fouling in desperation of getting the ball and that was Becky Dodson hit her key free shots, and the Buffs were taking command of the rebounding on both ends of the court. Michelle Simmelink topped all scorers for the night with 21 points, Becky Dodson 17, Luanne Foltz 11, Laura Sahme 9, Shirley Allen 5, Margie Durette 2, Jennifer Runge, Allison Kirsch, Heather Clowers, Arlinda Duff, Stephanie Harris.

Sarah Schaan was the top scorer for the Bulldogs with 18, Tara Baxter 13, Amy Johnson 8, Kristie Mausem 8, Laurel Trindle 5, Cindy Bloomer 2, Jamie Porter 2, Melodie Johnson 2, Autumn Swiger 2, Amy Baker.

The Buffs will be hosting the Burns Hilanders on Friday night and the Mac Hi Pioneers on Saturday, February 7, 8, 1992, with game time JV game at 5:45, and Varsity at 7:30 P.M.

be a runner. If you're a walker or just someone interested in promoting good health, we would like you to join.

One of our goals is to promote good health among the people of this community and to get more people involved in community-type activities. We feel running and walking are just a couple of the many ways to do that. Other activities that the club has contemplated undertaking are a biathlon, a marathon, a series of runs for high school kids, using these as ways to keep the kids training for school activities, plus a clinic or series of clinics for walkers and runners. Hopefully, that will be one of the goals for 1992. In order to do this, we need help, though. We would really enjoy having you be a part of these activities.

Very soon, we will be electing new officers (probably around the end of April). We hope that more people will get involved by becoming a member and/or participant of the club.

For any information on the club or any activities, contact one of the officers: Chief Smith, president; Terry Squiempfen, Vice-president; Cal Poncho, treasurer; or Val Squiempfen, secretary.
