CRITFC seeking fishery science intern

FISHERY SCIENCE INTERN \$7.80/hour 2-5 months between May and September, Negotiable.

Closing date is April 30, 1992.

The Columbia River Inter-Tribal Fish Commission (CRITFC) provides technical and policy assistance to the four tribes with reserved treaty fishing rights on the Columbia River: the Confederated Tribes and Bands of the Yakima Indian Nation, the Confederated Tribes of Warm Springs, the Confederated Tribes of the Umatilla Indian Reservation, and the Nez Perce Tribe. This position provides a quality learning experience in fishery science while providing CRITFC with additional technical support during the summer field season. The incumbent will assist personnel in the Fishery Science Department in handling data, reviewing technical literature, and coordinating and conducting some field activities. Many tasks will be computer-oriented, and there will be ample opportunity to survey many CRITFC projects. Work will be approximately 80% office (in Portland) and 20% field.

Required Qualifications:

- High School diploma or GED; at least 18 years of age.
- Valid drivers license and good driving record.

- Interest in fishery research and management.
- Some familiarity with the geography of the Columbia River Basin and treaty fisheries.
- Creativity, initiative, attention to detail, and an appetite for learning.
- The ability to work well with others.
- Good communication skills.

Desired Qualifications:

- Enrolled in, or plans to enroll in, a college or university, preferably in a program with coursework in biology and math.
- Experience with, or interest in, computers.

To apply send the following materials:

- Letter expressing your interest in the position (refer to Announcement #92-1) and summarizing your qualifications (use the qualifications listed above as a guide when writing your summary). Clearly state the period of time that you wish to work (Example: 15 June-10 September).
- Description of previous work experience.
- Transcripts of at least the most recent two years of school work (high school and/or college).
- At least one letter of recommendation from an instructor, school

counselor, or work supervisor.

5. Description of your educational goals and immediate plans.

To: Columbia River Inter-Tribal Fish Commission, 729 NE Oregon Street, Suite 200, Portland, Oregon 97232, Attention Roy Beaty.

Preference will be given to qualified American Indian applicants and thereafter on the basis of equal employment opportunity. To receive American Indian preference, proof of enrollment in a federally recognized tribe or a completed Certificate of Indian Blood (CIB; BIA Form 5-4432) must be submitted when applying.

For more information call (collect, if necessary) Roy Beaty, (503) 731-1308.

Geo-quiz

Identify the location of this geologic area on the Warm Springs Reservation and win a year's subscription for yourself or a friend. Call 553-1644 after 1:00 p.m. April 20 with your answer.

To the Warm Springs community,

In 1987 Evette Patt from Warm Springs was in an automobile accident which was a result of alcohol abuse. She was not the driver (the driver suffered only minor injuries) however, she had a head injury and was in a coma for several months. The doctors did not know if she would ever recover from the results of the head injury or be able to walk again. Evette has paralysis on the right side of her body and is now able to walk with the assistance of a cane.

This is a remarkable young woman whose inner strength has allowed her to overcome her disabilities and her problem with alcohol. Evette not only acknowledges and accepts that her physical and mental limitations are a direct result of alcohol abuse she has written letters to our office expressing her concerns to her people in Warm Springs...in her own words: "I

hope no one else from over there will go out trying to act cool to have to learn lessons about alcohol as bad as I did."

Evette is currently living in an Adult Foster Care home in Springfield, Oregon, she awaits the day when more services for our disabled are brought to Warm Springs so she may return home. However, she has taken advantage of the resources that are available to her and has enrolled in several courses at Lane Community College. She has just completed a "Workplace in Social Skills" class

offered by the adults with Special Needs Program. She is very proud of her certificate of completion and asked us to share her accomplishments with her community. We are also very proud of Evette and commend her strength and determination to overcome her disabilities and teaching us that life is worth living no matter what the circumstances.

Biodiversity conference May 26-29 in Walla Walla

The Blue Mountains Biodiversity Conference will be held May 26-29, 1992, at Whitman College, Walla Walla, Washington. The conference is designed for land managers, landowners, scientists, and other resource professionals, and will cover a wide range of biodiversity-related topics as they apply specifically to the Blue Mountains. Topics will include what is known about biodiversity in the areas of science, observation, man-

agement, and the law. Management tools, including a role of fire, will be discussed as they apply to establishing and maintaining landscape-level biodiversity.

Knowledge of biological diversity is becoming increasingly important as we seek to understand forested ecosystems and processes. This is important especially for the maintenance or restoration to health of the forests of the Blue Mountains. Sponsors of the conference include Blue Mountains Natural Resources Institute; Malheur, Umatilla, and Walla-Walla National Forests; Confederated Tribes of the Umatilla; Blue Mountains Native Forest Alliance; and the National Audubon Society.

For further information, contact the biodiversity conference coordinators at (503) 963-7122 extension 48.

Committees, Salmon discussed

continued from page 1

There are other Boards and members are selected at various times throughout the year as they are selected on staggered terms. Check with Tribal Council for more information on the Boards.

If you are not receiving Council minutes, check with the Council office to see if your name is on the current mailing list. If your name does not appear, leave your name and address with Myrtle Adams, Doris Miller or Lucille Ike.

The list was updated several years ago due to the number of minutes returned to the Council office due to name and address changes. There were also several sets being delivered to the same household.

SALMON REQUESTS: All applicants requesting salmon are to file an application with Gene Greene's office at Natural Resources. Requests are forwarded from that office to Council. After action, the Council office will notify applicants of the decision.

LONGHOUSE REQUESTS: Applications for Longhouse requests are to be filed with Lucille Ike. The application is then submitted to Tribal Council for consideration. Following Council action, applicants will be notified.

Be sure to include as much information about the event when submitting your request. If this is not done, there may be a delay in processing the application.

Cadets to appear on AM Northwest

The Warm Springs Search and Rescue Cadets will appear on AM Northwest, the KATU Channel 2 morning show, Friday, April 17.

All 14 Oregon recipients of President Bush's Thousand Points of Light award will appear on the show. The appearance will be taped. If interested in seeing the tape, contact Keith Baker, cadet leader, through the OSU Extension program at 553-3238.

Have you seen this pony? Donna Wainwit is seeking help in locating this miniature pony. It is now 10 months old, 33 inches tall and has a gray halter. It is a gray appaloosa and has white legs, mane and tail. A reward is offered. Call 553-1310 with your information.
