Article III, Section 1 (e) was last amended in 1973 and set Council compensation at "\$20 while in session for up to four hours per day and \$5 per hour thereafter while in session, but not to exceed \$40 per day total compensation, and \$.15 per mile from home to place of meeting and return...

The proposed amendment reads: "Tribal Council members shall receive as compensation for their services not to exceed \$50 while in session for up to four hours per day and \$12.50 per hour thereafter while in session, but not to exceed \$100 per

day total compensation, and mileage from home to place of meeting and return at a rate used by the federal government. Expenses shall be paid from available tribal funds. The Tribal Council may establish salaries of officers and committee mem-

Eligible tribal member voters at least 18 years of age were mailed information packets in mid-April. All eligible voters had until Monday, April 27 to register for the Secretarial Election. Absentee ballots were to be returned to the Warm Springs Superintendent's office by April 27. According to the official registration list, 311 eligible voters registered for the election by the April 27 deadline. Thirty percent of those registered must vote to validate the election.

Any questions concerning the election should be referred to Gordon Cannon, Superintendent.

Department has applied for a grant to continue the teacher training and language instruction program past the summer, but the Department is hoping that the Tribes will also be willing to support the program. Wendell Jim, Director of the department, hopes the tribes will fund this very important program in the

near future. Because of space limitations, and because this is a pilot project with teachers who are still in training, each class will be limited to 25 students. If more people sign up than can be accommodated, students will be selected by lottery.

From the start, the Department planned to hold classes in Wasco as well as Warm Springs and Paiute, but no speakers of Wasco have been willing to teach us yet. "I'm really sad that we aren't offering a Wasco class," says Millstein, "but I'm hoping that, once our Wasco speakers see classes going in the other two Tribal languages, they'll want to get Wasco classes started too. We know there are plenty of people out there who want to learn Wasco.

Learning a language takes a long time, Millstein warns, and this twelve week class will only get people started. The class will cover basic everyday phrases, and much of it will

Drug-Free Zone measure to be on ballot

Zone ballot measure will appear on the May 19th ballot. The Drug-Free Zone Measure is Crook County Measure #7-3, Deschutes County Measure #9-6, and Jefferson County Measure #16-4. The wording is the same in all three counties and declares them, along with the Warm Springs Reservation, a drug-free zone as indicated by:

 Supporting increased state and local resources for drug related prevention, intervention and treatment

2. Recognizing schools as drug free zones with enhanced enforcement and penalties.

3. Supporting zero tolerance policy by law enforcement for street level drug dealing and trafficking. Supporting state legislation requiring stronger penalties for all drug

5. Supporting every place of employment, both public and private, as a drug free workplace.

Interested high school students in all three counties will kick off the publicity campaign by distributing explanatory posters and flyers throughout the region on May 2

The explanatory material does not advocate a "Yes" or "No" vote. Rather the measure is an opportunity for citizens to instruct law enforcement officials, the courts, government officials that public policies should be consistent with the content of the measure.
