### Buffs split with Mac Hi in double header

The White Buffalo baseball team hosted the Pioneers of Mac-Hi Saturday, May 9, 1992. The double header was to determine the second place team for the Western half of the G.O.L.

Sophomore, Charlie Wewa was the first Buffalo pitcher for the day, the top five hitters for Mac-Hi all received hits and eventually scored. During the second inning the Buffalo defense began to fight back and did so through the fourth. During the fifth inning of play the Pioneers scored again off of Wewa. Coach Bruce Reece then put sophomore Claude Smith on the mound. The Buffalo offense was scoreless

throughout the third inning and in the fourth as they were short 0-5. Joel Nielson and C. Smith scored by a base hit and score from Sam Wolfe. The Buffs then trailed 5-3. In the fifth inning Ben Christenson and Shane Barnes crossed home to give the Buffs 5. The Pioneers at that time added two to the board, finalizing the game 7 to 5.

In game two the Buffs set a better paced game. The Pioneers lead hitter scored while Kevin Hopps and Christenson both scored for Madras. The Mac-Hi Pioneers scored one more to tie 2-2 in the top of four. Wolfe scored for Madras in the bottom to lead as the Pioneers kept on

fighting, they again scored in the fifth. The game remained equal through the seventh inning, when Wewa approached the plate, Madras had one out, and he hit a line drive which was a base hit for him and put runner, Christenson on third base in scoring position. Leif Suppah then stood waiting at the plate with a 1-1 count when the Pioneer catcher attempted to pick off Christenson at third and failed when the ball passed by the third baseman and Christenson scored. Madras was victorious 4-3, to tie the double header. Due to the tie there will be a third game in Riverside to determine a second place finisher in the Greater Oregon League.

### Little League Baseball Round Up

Braves give tomahawk chops

Good Advice...Success is getting up just one more time then you fall down...

Little Bucks win one lose two

The Braves won their first two games of the season so far, first beating the Madras Lions team 13-2, here on the home field. The second game they beat Ericksens Sentry team 8-7 in a close game. The Braves had to score two runs in the bottom of the fourth inning to cap the win.

Coach Sam Kentura accredits good pitching from Jessie Wewa and Darrell Foster for the wins. Also good hitting by WinterOwl Boyd and Harley Andrews. The team as a whole all work together well to balance out their attack.

Their next game which was held on May 12 and the results not available at press time. The game was with the Chiefs who are coached by Dondi Hoptowit and are also undefeated at this time, which should produce a pretty good game between the two local teams. Kentura said he had planned to start Jessie Wewa in that game. Both of his pitchers are of equal ability and can handle themselves well. The team is a pretty well balanced team and are aggressive as base runners when they get on base.

Sam said that the rest of the league teams look pretty good and he thinks his team can do their share of winning if things go right. He said that they have already matched their record of last year and that was just two wins for the whole season.

Little Bucks made a big comeback

on a big rally to close within five runs but the game ended with Christian Church coming out the winner. The Little Bucks topped the Papooses 15-5 in their second game of the season on the Papoose field. This evened their record to one and one. It was through good team effort that pulled the Little Bucks past the Papooses in the game. Scottie Riddle and Little Bull Suppah have been on the mound for the Little Bucks.

On the road the Little Bucks dropped their third game to Culver 4-3 in a good played game by both teams. It was a good defensive game as both clubs held each other in tact throughout the game. Culver managed to get the winning run across home plate for the one run win by the

score of 4-3. With the league just underway there should be some good games in the future for all the teams. The next game for the Little Bucks will be against the Rotary team of Madras on Saturday.

Papooses 0-4

The Warm Springs Papooses have had some good games here lately but come up just a little short in score, but they do give their opponents a good game before losing. So far their record is not impressive after losing their first four games of the new season. So far they have lost to Culver two times, once to the Little Bucks and once to the Christian Church team.

Their first loss was to Culver by the score of 10-4, and in the second game they gave them a tough time but lost 7-6, as they showed some improvement over their first meeting. They also lost to the Little Bucks 15-5, down on the Papooses field. In their last outing they lost to the Christian Church by the score of 7-6, losing a squeaker that time. They show improvements each game and hopefully as time goes along they will improve a lot.

For all the fans the games get underway at 6 p.m. down at the ball fields. There are games almost every night. So fans get on down there and cheer on your young Hero's. There are also girls softball games as well on the girls softball fields.

Pictured above is catcher Stacy Long trying to put out Hood River opponent. J.V.
