### Join in the WSE annual powwow fun

Warm Springs Elementary has scheduled the end of the year powwow a bit differently this year to try to reduce the crowding and to allow students more time to dress. Basically, the school divided the time into two "mini-powwows".

The Primary Powwow will begin living up for the grand entry at 12:30 with the grand entry scheduled for 12:45. Students should dress during their lunch recess time. The primary powwow will end at 2.

The Intermediate powwow will begin lining up for the Grand Entry at about 1:45 with the actual grand entry after the younger students "eel dance" out of the arena. The powwow will conclude about 3:15.

Parents who have children that will not be participating in the powwow are asked to notify the school so that other arrangements can be made. Any questions can be answered by calling the school at 553-1128.
