## Herrera takes All Around title at Tygh Valley

Fair weather greeted Indian cowboys from all parts of the western U.S. and Canada during the first Western States-sanctioned rodeo for the year, held at Tygh Valley, Oregon May 16 and 17, 1992.

Fred Herrera of White Swan, Washington was named the All-Around champion for the 1992 rodeo. The action-packed arena offered some good scores and fast times throughout the show. The competition was pretty tough for the cowboys, as all their efforts are pointing toward that final rodeo of the season: the Nationals held in Albuquerque, New Mexico each year. The top cowboys from each district participate for the tops honors for the year. The rodeo cowboy has his work cut out for him as he has to pay his own way, pay his own entry fee and each dollar earned builds as points for the right to participate in the final rodeo.
