## Braves still choppin' away at season

(Editors note) These are not the Atlanta Braves, but the Warm Springs Braves little league baseball players and they can do all the chopping they want to.

This is an update on the Braves baseball season. The team has continued to do real well this season said coach Sam Kentura. At this point their record is 7 wins, 2 losses and 1 tie. The tie coming from the rules of where an inning cannot start after 7:30 p.m. during school nights and the teams were deadlocked at that time.

The boys have been pretty consistent all season long and have had some good games, where all the players have stepped up at one time or another when a hit was needed. The results of the games are: the Braves won against Chiefs, 14-10; beat Culver 16-9; lost to Madras Builders, 12-11; won over the Warriors, 6-5; tied Pelton Lanes, 9-9; beat the Knights of Columbus 11-6; beat Thrifty Drugs, 15-4; lost to a

much improved Madras Lions team, 13-11.

This is the last week of the season which has the Braves playing against Ericksons and the Chiefs. These final two games should be very good games especially the one with the Chiefs which could be for second place in league standings and to the winner of possibly championship if Pelton Lanes should lose this week.

Coach Sam Kentura would like to thank all the parents of the Braves team also the fans for showing tremendous support all season long, also the assistant coach "Mr. Charles Lesarley," and the umpiring staff, "Corwin," at all the home games. Coach Kentura would like also to congratulate the Chiefs and Warriors on a good season, as all three teams have been near the top of the standings all season long.

With most of the team returning next year we look to be competitive again, and continue to "Keep Choppin em down in 93."

## Little Bucks in good spot in league

"There has been a vast improvement in the entire Little Bucks team since the start of the season," said coach Lyle Rhoan. He continued, "We lost our first two games because of the lack of practice time." Once they got on schedule and practice sessions, the team has been improving right along, added Rhoan.

The Little Bucks are nearing the peak and just at the right time of the year. At the present time, their standing is 7 wins, 2 losses, with

just a few more games left. The boys have done very well and are a well-discipline team. They all work hard together and try not to depend on any one player.

The next step for the Major leaguers are the All-Star selection for the Jefferson County team for state action. Tryouts for the All-Star team is set for June 22, where all the young players will be doing their best to try and make the team.
