Warm Springs team finishes runner-up at Yakima Festival

The Warm Springs baseball team in the 13 years old and under entered the tournament in the Yakima Sports Festival, over the weekend of August 15-16, 1992, they placed second.

The team roster included Jesse Reese, Isreal Scott, Dabid Rodriquez, Lil Bull Owl Suppah, Jacob Harding, William Spino, Shelton Kentura, Chris Clements, Jered Moses, Charles Stwyer, with Coach Andy Leonard. In placing second in the tournament each player received a sweatshirt. Two players made the All-star list; Lil Bull Owl Suppah and Isreal Scott. Charles Stwyer was awarded the Sportsmanship award.

During the tournament in the first game they faced the Pendleton A's. During the first game they beat the A's by the score of 12-0, as they picked up 5 runs in the first inning, 5 runs in the second and 2 in the third to make the score 12 and the game was called on the ten run rule.

In the second game they faced Umatilla and beat them 12-2, by picking up 2 runs in the first, 3 runs in the second inning and 1 run in the third, and 5 in the fifth inning and again the 10 run rule was in effect as they won the game after five. The team played real tough defense which kept them in play.

In game three in the championship round things went a little rusty for the boys as they dropped an 8-11, game to Umatilla. It was in the third inning where Umatilla made their move scoring 6 runs to overcome a 6-1 Warm Springs lead and held on to win the game and force a second game.

In the second championship game, Warm Springs just couldn't get things going and the Umatilla bats kept popping away to where they produced a 4 run first inning splurge. Warm Springs answered back with 3 runs in the fourth to come within a run as the score was 6-5, Umatilla. They scored three more runs in the fourth and held the determined Warm Springs team down in the fifth to take the championship by the score of 9-5.

This coming weekend the Warm Springs team will travel to Pendleton to play a few local teams.

Coach Andy Leonard said that the trip wouldn't have been possible if it weren't for Macy's, W.S.A.A., and all for their support.

Shouldn't players earn the right?

Editorial by Sid Miller

The subject is the Indian National Finals. First of all, who determines where the National Finals are to be held? Secondly, how does a team qualify to participate in the National Finals? Pertaining to softball. At one time there was a National

sport board with members from all the districts across the country. As for representation it is still unclear of how a team qualifies to enter the National Finals. If there is a National Finals it would appear that a team should earn their way to the National Finals. This would be through tournaments from each region with the champion of each region playing for the title. Maybe there are tournaments held across the country, but in some area's that when the National Finals are scheduled people are hustling around trying to find players to go to

the National Finals, without earning the right to enter the National Finals. This looks like just another way for people to have a big BASH! Gather for a good time because there hasn't been any regional tournaments around anywhere.

There is only one true National Finals and that's the Indian National Finals Rodeo where each region has records of all contestants of what each cowboy has done for the year and the ones with the most points qualify to participate at the Annual National Finals Rodeo in Albuquerque, New Mexico each year. The cowboys and cowgirls really earn that right participating in all sanctioned rodeos all season long. They travel all season long at their own expense and even pay their own way to the National Finals Rodeo.
