Video Production training

The Warm Springs Culture and Heritage Department is looking for anyone interested in how to use video cameras and recorders. Training, provided by Art McConville, is tentatively scheduled to begin September 21. Call 553-3393 for more information.

Water Board Vacancy

Water board consists of three members to be appointed by Tribal Council. Each position will serve three year terms.

Primary function of the committee will be to review all matters pertaining to the water resource to make recommendations to the Tribal Council in regards to making the water management plan function and to propose changes or improvements in water policy and the plan.

Water Board will be concerned with all activities occurring in the watershed areas on the reservation. Before an activity is initiated all plans will be submitted to the board for their recommendation to the Tribal Council to ensure that neither water quality or quantity is impaired.

Interested applicants (Tribal member vacancy) submit your letter of interest and resume to:

Are you a child care provider

looking for information about pre-

venting illness, injury, child abuse and more? Want the opportunity to

meet other child care providers, that

work in day care centers or provide

family day care in your community?

sics! This month, a four-hour health

and safety class will be offered by

Child Care Resources (CCR) and

local Central Oregon experts. This is

Employees and directors of li-

the last class of the year.

Warm Springs, OR 97761 Deadline for applications is September 18, 1992.

Legal Notice---

Confederated Tribes of the Warm Springs

You are hereby notified that the above cited case(s), as filed in the Warm Springs Tribal Court has been scheduled for a show cause hearing at 1:30 p.m. on the 1st day of October, 1992.

You are hereby ordered to be and appear at the Warm Springs Tribal Court at the time and date shown, to show cause why the suspended sentence of May 21, 1992, should not be imposed for your failure to comply with the sentence imposed against you. This hearing, will not be a full hearing on the merits of the case; you must appear and defend against a complaint that you failed to obey the Order of the Court.

If you fail to appear as so ordered, the Tribal

Court.

If you fail to appear as so ordered, the Tribal
Courfmay enter a complaint for contempt of court and
issue a warrant for your arrest. If you have any
questions, you should seek legal assistance immedi-

stely. Dated at Warm Springs, Oregon on this 27th day

The upcoming training is sched-uled in Bend on September 22, from

6:00 to 10:00 p.m. at COCC, Boyle

Bldg. room #151. Pre-registration is required. Assistance to help pay for

the care of your own children during

Child Care Basics, call CCR at 385-

To: Joseph Dean Smith

A total of 271 reports were gener-

Monthly statistics

ated for the month of August for the Police department. For the month, there were 7 cases of assault & battery, 2 assaults, 7 breaking & entering, 11 DUII's, 3 disorderly conducts, 3 cases of discharge of a weapon, 1 person with a knife call, 2 malicious mischiefs, 3 rape incidents, and 3 drug cases investigated.

by Don Courtney

In the area of child abuse, sexual abuse, & neglect, 12 reports were generated that resulted in referrals to Children's Protective Team.

Juvenile and minor arrests continue to plague the community with a total of 63 arrests. Alcohol related incidents tend to be the leading causes of these arrests as statistics show 18 juveniles and 24 minors being arrested for being under the influence of alcohol. Other incidents include 3 curfew violators, 4 runaways, and 8 cases of juvenile in need of supervision. Of the total juveniles and minor arrested, eight of these individuals are repeat or multiple ofFish and Game

With hunting season in full swing on the Reservation, Sgt. Tias would like to remind you hunters that you are required to tag your game following the kill. Officer Holliday most recently stopped a vehicle coming out of the woods at dusk that could have resulted in the citing of a Tribal Member for not tagging his 3 point buck. The member claimed that the animal was taken just before dark and that he did not have a means to validate the tag. Officers everyday have to exercise judgement in what was the intent of the law versus following the letter of the law. Please be

what you are shooting before squeezing the trigger.
Two House Party's Busted

more observant to the regulations, don't drink & hunt, and make sure of

In the first of two house parties, officers responded to the Eagleway apartment area when it was reported that a party was in progress involving minors and juveniles. Following arrival, officers confronted an 18 year old renter who's considered an adult who maintained that there was no party going on. Prior to knocking on the door, sounds of scrambling feet and clashing bottles were heard inside. Upon further investigation, officers ended up arresting a total of six people on numerous charges including Juvenile in Possession by Consumption, Minor in Possession, Juvenile in Need of Supervision, Contributing to the Delinquency of Minors, Child Neglect, Possible furnishing alcohol to minors, a special thanks goes out to some of the neighbors who cared enough to get involved and assist the Police Department.

In the second party, officers again were called to respond to the senior citizen housing area on a reported domestic disturbance where an intoxicated subject was requested to be removed. On arrival, scattered evidence of a party was found along

with a minor child in attendance with her mother. Six arrests followed where backup officers arrived for transporting suspects to the Police Department for processing, Child neglect was charged against the mother who blew an incomplete .16 on the intoxilyzer. Court appearance on the suspects are pending in both

From the Captain's Desk

With the advent of school in full swing, it comes as a reminder that the curfew hour for juveniles on school nights is at 10 p.m. Most recently the last few years have shown statistically that there is a gray area in the defi-nition section of the Tribal Code when it comes to minor versus a juvenile.

As it applies to curfew, a juvenile is someone who is under the age of 16. This in itself creates problems for the community when a young person is confronted on the street by a police officer. A person 15 years of age or younger can be found in violation yet the 16 and 17 year olds who are not considered adults are allowed to continue on their way with the posibility of getting themselves into

a negative situation. In other parts of the code, a juve-nile is considered as a person who is under the age of 18 and as it applies to Contributing to the Delinquency of a minor, the code refers to a person under the age of 18 to be applied if consideration of charges against a person under this section is applied. alizing that there are areas of the code that need to be revised, parents might want to consider talking over this issue with their council representatives or the law & order com-

Public Safety concern: Kids In Vehicles

Turning attention to the most recent motor vehicle crashes, it is becoming more of a concern to the Public Safety Branch about the number of injuries that are being sustained to our kids. Of most recent, kids riding in the back of vehicles

and falling out have been contributing factors to some of these injuries. It is also more visible that kids on the reservation are never restrained in motor vehicles. Almost every other day, officers see children hanging out the window of a moving vehicle. If it's not this, then it's the mother or father that is holding the child in their arms while driving down the road. A day will come when a crash will happen and a child will be crushed by their parent as a shield to the steering wheel or dashboard. Please exercise good judgment and help protect our future leaders.

Oregon Police Academy Graduates In most recent weeks, Officer

Harry Hintsala recently returned to active duty after completing and graduating from the Basic Police Class #173 at the Oregon Police Academy. Classroom training, written examinations, physical fitness requirements, hands on practical experience and testing out in the field are covered at an intense level of instruction. The course still at eight weeks, exposes both officers and recruits to every possible facet of the law enforcement profession with emphasis that the individuals department policy and regulations will dictate daily management of community concerns and problem areas.

Patrol Sergeant Whittenburge also recently returned from the Oregon Police Academy where he completed and graduated from the Police Supervisor's Course following even a more intense two week session. Areas of instruction include the role as a supervisor, personnel selection and appraisal skills, morale & motivation skills, the police offi-cer and vicarious civil liability, communication skills, stress management, labor relations, leadership skills, and principles, values, & ethics in the workplace are a few to mention. Public Safety congratulates both on their recent accomplish-

censed day care centers and group homes will be given credit toward the state's mandatory requirement of 15 hours of in-service training for the 1992 year. The class is free and covers important topics such as communicable diseases, when to call the Health Department, preparing healthy food, preventing injuries and information on community resources.

Child care information available at COCC

"We're excited about having the opportunity to be a part of the first state-wide training ever to be offered to providers of child care in Central Oregon," says Dianne Craft, coordinator of the project that is sponsored by Adult and Family Services and administered by Central Oregon Community Action Agency Network (C.O.C.A.A.N.).

Lifesaving class to be held Sept. 19

Fire & Safety will be holding a public First Aide & CPR class on September 19, 1992 from 8 a.m. to 5 p.m. The cost is \$12 per student to be paid before class. Pre-registration is required. Class size is limited to 15

If rescheduling is needed, must give three days notice prior to date of class. Please call 553-1634 and ask for Michelle or Bob to enroll

SUBSCRIPTION RATES:

law enforcement requires a good program and the dollars to carry it out," said Johnson. "This year we were able to implement this tribal policy better than ever." "Prevention relies on a highly visible law en-

forcement presence and other effec-tive deterrents," Johnson explained. The BPA funding, which also went

Wildlife, Oregon State Police and Idaho Department of Fish and Game, is to help increase protection for the Chinook and sockeye recently listed under the Endangered Species Act.

"These days we have a full-court press in Zone 6," he said, describing the extensive law enforcement effort taking place in the tribes' Columbia

Gobin at 2:00; and a session on education by Patsy Martin at 8:00 Tuesday, September 29-A session on Environment presented by

Chris Morganroth, at 12:00 noon; the Northwest Indian Fisheries Commission, Joseph Pavel, at 2:00 p.m.; and Storytelling by Curtis Dupuis at 7:30 p.m.

Wednesday, September 30— Starting at 12:00 noon will be media by Nancy Butterfield; 2:00 Quinault Language/Culture, by Oliver Mason; and at 8:00 will be a session on Women, youth, by Ramona Bennett. Thursday, October 1—12:00 noon Performer Educator, Bruce Miller;

2:00 Big Mountain, by Jess Johnson; 4:00 a film, "Incident at Oglala"; and at 8:00 p.m. Alcohol and substance abuse, by Rick Teboe. Friday, October 2-Starting at noon is State-Tribal relations with

Jovanna Brown; at 2:00 will be a Group Round Table Discussion on Heritage Week Topics/issues; and at 6:00 the First Annual Sacred Beginnings Powwow will begin. Saturday, October 3-Sacred Be-

ginnings powwow to begin at Noon. Sunday, October 4—Sacred Beginnings Powwow at noon; and at 4:00 special guest performance: Orissi Dance (India) featuring Dr.

eries, Washington Department of River fishery. Although CRITFE is the lead policing agency in Zone 6, it has the cooperation and support of state and federal enforcement entities. The cooperative effort also includes tribal police departments.

Together the agencies have used technology such as the forwardlooking infra-red detection equipment used in night flights to spot fishing vessels and their operators. "So far in Zone 6, we haven't detected any illegal activity, only en-forcement boats on patrol," Johnson

With BPA dollars, CRITFE was able to put three additional trained and certified police officers on the river on a full-time basis. (The staff includes 13 police officers and six dispatchers). CRITFE also upgraded its communications and installed a system to electronically transfer messages among the various enforcement agencies.

'Our officers and especially the tribal fishers are doing their part to protect the resource," said Ted Strong, Columbia River Inter-Tribal Fish Commission Executive Direc-

Shaping Oregon--Continued from page 2

be covered by grant funds. Youth participating in the conference will be expected to involve themselves in prevention efforts throughout the 1992 year, as a member of the Warm Springs Prevention Team, and be willing to positively contribute to the Warm Springs community's prevention efforts.

Also willing to sponsor two adults to the conference, to participate as team members and to assist as chaperons to the youth. The adults will also be expected to become involved as mentioned above.

Puppies, puppies, puppies!! Contact Donna at 553-3274

tor. "Law and order is important but by itself enforcement can't rebuild the fish runs. The dams also have to be fixed, the water cleaned and spawning grounds protected," he

The Hood River-based CRITFE is the enforcement branch of the Columbia River Inter-Tribal Fish Commission, which is comprised of the Nez Perce, Umatilla, Warm Springs and Yakima tribes. The Commission was formed in 1977 to help carry out the federal court's U.S.v. Oregon ruling upholding tribal fishing rights.
