### Poosh Street residents request cable service

To the editor,

I am writing this letter to inform Macy's Mercantile that their cable system for Poosh street is not in working order. I just moved there and I expected that there would be some kind of cable for patrons of this street, because I've went to other people's houses in West Hills and they had television.

It would be nice to be able to come home from work and be able to watch some news or watch a movie after a long day.

From what I understand it has been that way for some time now, so I have

## Thank you-

Tricia,

Thank you so much for the card of congratulations. A lot of times I felt alone and wanted to give up, but I'm happy I have a husband who encouraged me to go on and fight. I did! And I'm glad! We need a lot more caring people such as yourself. Thanks Tricia, and may the good lord bless you always.

Sincerely,  
L.M. Saunder.

taken this opportunity to respectfully request that they please check into finding out what the problem is.

This would be greatly appreciated by the patrons of Poosh street and all parties would be in agreement with

such a request.

All people of Poosh Street all thank you for time and consideration in this matter.

## Poem to son

Long Distance message to my son, Gary....

You are a long ways from home, That's why I'm writing you this poem. You're in my thoughts every day, You're my son, what can I say?

I miss you so very much, So, please, keep in touch! I hope to see you come Lincoln's Powwow, Don't disappoint your friends or me, now.

Bring your friends and stay awhile, As we miss your handsome smile. I hope that I will be here, To welcome you and wipe away my tear.

Closing here for now, my son, For I have to run. Let me know what you need And I will do my good deed.

Tell all your friends and new family, We all said hi, Also from Norman, Kanet, and Cy. Love and miss you much, Mom.

**Do you have an event you would like to announce? Is there an upcoming activity to which you would like to invite the community? ## On Patrol

By Captain Don Courtney  
Drug Task Force arrests four

In the most recent search warrants served on two residences in the West Hills area, members of the WS Drug Task Force found various amounts of alleged marijuana and cocaine that resulted in the arrest of the head of households.

The first of two warrants served, task force members located what appeared to be cocaine along with a substantial amount of cash that resulted in charges for possession of the drug and charges of child neglect as a result of having the drug in the residence.

The second warrant served pro-

duced a large quantity of alleged marijuana after one household member turned over part of the drugs in an attempt to keep task force members from searching the residence. On further search, again a large quantity of cash and various drug paraphernalia was found located throughout the residence along with more marijuana. Both subjects were arrested and face charges of possession of drugs, the sale of the drug, possession with intent to sell, and child neglect.

In the second case, both suspects were arraigned and plead not guilty with trial pending in early 1993.

From the Captain's Desk

Snow and icy roads are proving again that even the best driver can be made a statistic as reports from the reservation roll in on multiple motor vehicle crashes.

Consider these tips as you travel the roadways this winter:

1.) Let a loved one know where you are going and how long you might be.

2.) Make sure your vehicle is in good working order before you travel. (Gas, oil, anti-freeze, windshield wiper fluid, cracked belts, snow tires or devices, etc.)

3.) Check or carry safety items, (road flares, first aid kits, ice scraper, fire extinguisher, extra blankets or coats, spare tools, spare tire, water, etc.)

4.) If travelling over a mountain pass, you might check into the cur-

rent road conditions for closures, etc. Listen to your local radio station for the latest information.

5.) Extreme cold conditions, your gas line might freeze, consider some sort of gas anti-freeze. Consult your mechanic catalytic converters might burn out with heavy use.

6.) Drive defensively and buckle for safety.

### Gang Activity

With the gang activity becoming more known to area residents, word in the community got back to the WSPD that there was not just the four recognized gangs in the Warm Springs area but that in fact there were sixteen organized gangs.

This information not confirmed, will provide useful down the road as community members prepare for the December 14 meeting at the Community Center Social Hall.

Dick Stein of the Portland area youth gang task force arrived in Warm Springs this past month where officers were given instruction and training on gang related activity and awareness.

Of most recent, an anonymous tip sent officers to the rural area as a report came in that two young adults were assaulted by a gang that were trying to get them to become members. One was reported to have been cut to the throat however as of this article, this information was not confirmed.
