The Annual All Indian Holiday Tournament held here in the Community Center December 30, 31, January 1, 2, drew top teams from the Pac Northwest filtering down to the final two who vied for the championship. The two teams who made it there were the defending champions, The Oregon Athletic team and also last years runners up the Warm Springs Magpies.

The OA team jumped out fast to build an eight point first quarter lead. The saying goes, "When your hot, your hot." That's the way the OA team came out all fired up to defend their title. They hit four 3-pointers and it appeared everything they threw up went in like there was a magnet in the basket. While the Magpies were not so fortunate as their shots didn't fall through enough to keep pace with OA, Brooker Jones had the hot hand in the first quarter getting two 3-pointers two baskets and one free throw for 11 points in the opening quarter of the game. James Scott, of the Magpies matched Jones as he canned 11 points also in the first quarter. But with help from Merle Smith and Seymour Ruben to keep ahead of the Host Magpies. In the second quarter Seymour Ruben cut lose burning the nets for four 3-pointers and a couple of free throws for a total of 14 points, James Scott, was right on his tail 13 points with three 3-pointers and he was 4 for 4 at the foul line for 13 points in the quarter. It was the second quarter where the OA club got away from the Magpies and after that they coasted on to victory. In the meantime the Magpies had their work cut out for them if they were to get some kind of a drive going but as the half time buzzer sounded the score was 76-49 in favor of OA.

In the third quarter the pace slowed down a bit as OA managed 29 points and the Magpies 22. In the final quarter the Magpies made a run at OA out scoring them 34-20, but was

too late to make any head way on the big lead built by OA in the first three quarters.

Seymour Ruben lead the scoring for OA with 31 points. He had six 3-pointers during the game. Brooker Jones added 27, Buck Jones 21, Merle Smith 14, Mike Leslie 13, Merlin Fryberg 8, Scott Sempster 6, Vernon Smartlowit 5, Gene Smartlowit, Wayne Smith.
