**The following poem is to Liz Tewee-Cross for Valentine's Day and
everyday.**
I said a prayer for you today
I said a prayer for you today and know God must have heard,
I felt the answer in my heart although he spoke no word!
I didn't ask for wealth or fame, I knew you wouldn't mind, I
asked him to send treasures of a far more lasting kind.
I asked that he'd be near you at the start of each new day, to
grant you health and blessings and friends to share your way!
I asked for happiness for you, in all things great and small - but
it was for his loving care, that I prayed for most of all!

**With all our love,
Family and Friends**
