On Patrol

Kid's support: Public Safety employees including McGruff the Crime Dog made an appearance last Thursday at Early Childhood to show their support of the "Week of the Young Child" campaign in which officials joined in with the ECE parade followed by the handing out of the "drug free" red ribbons and the meeting of McGruff for the children. Public Safety employees included: Fire & Safety Chief Dowty, EMT Karla Tias, Captain Courtney, Sgt. Tias, McGruff the Crime Dog, Officer John DeBasso and Mark Coffee, and DARE Officers Mary Calica and Larry Holliday.
Motor Vehicles Crashes: Officers have been quite busy investigating a recent rash of motor vehicle crashes that have showed to be alcohol related. On March 30, officers responded to Route 24 at about milepost 7.5 where it

was reported that a vehicle had crashed and rolled. A witness at the scene stated that the time she discovered the wreck that there were three subjects present. Officers arrived to find that two subjects were in attendance of the green '85 Ford Mustang which had gone off the east side of the road as they were north bound. One of the three subjects was injured severely who was later treated for a broken neck. Warm Springs EMS arrived on the scene who attended the patients who were transported to the IHS clinic. Kendrick Arthur was further transported to Mt. View Hospital and then to St. Charles Medical Center who sustained a fracture to his neck. The other two were treated at the IHS clinic and were released to the custody of the WSPD where they were transported to jail and lodged. Alcohol along with speeding was shown to be a contributing factor to the crash. The investigation is continuing. In another crash during the early morning hours of April 10, a silver Nissan pickup was rolled over on Quail Trail near Margie Lane that left 19 year old Essie Lawson pinned in the wreckage. Police and EMS personnel arrived on the scene who discovered that the truck on it's top had crushed the cab pinning Lawson's hand underneath. With the aid of the Jaws of Life and air bags, EMS personnel were able to lift the pickup up enough to free her hand. Lawson was then transported to Mt. View hospital in Madras for further treatment who escaped any major injuries with slight cuts to the hand. Officials at Mt. View hospital stated that Lawson's BAC was approximately

twice the legal limit. The investigation is continuing. In other news, fire officials responded to a trailer house fire at 2353 Oitz Loop where it was reported that the trailer house was on fire. On arrival, officials found a neighbor along with police attending the blaze that was contained in a short amount of time. The neighbor is to be commended for his quick action and assistance. According to fire officials, the cause of the blaze was isolated to the kitchen area with minimal damage estimated at approximately \$3,800. April 1, Officers responded to a car fire at 4104 Miller Heights where a white '83 Pontiac Firebird was on fire. The vehicle was a total loss. Cause was isolated to the engine compartment where it was reported to have just gotten out of automotive shop.
Gang Graffiti/Vandalism: Gang activity in the Warm Spring area seems to be surfacing again as investigator's are looking at the most recent damage sustained to different areas of our community. According to an official from utilities, estimated damage amounted to approximately \$2,500. BIA roads estimate the cost per sign is between \$75-110. Whether it be a building, concrete barrier, signs, etc., this type of activity only detracts from our natural setting and what Warm Springs is all about. Police do have a suspect identified in this case and are continuing with the investigation in hopes that this individual(s) responsible will be brought to justice. Ultimately it is the community that suffers and will end up footing the bill to repair or replace if no suspect is

apprehended. If you have or know of anyone who is doing this senseless act, please contact Investigator Corey Clements at 553-3272.
Tribal Code Awareness: Contributing to the Delinquency of a minor: Any Indian who aids, causes or permits a child under eighteen (18) years of age to do any act prohibited by law shall be deemed guilty of contributing to the delinquency of a minor. Child Neglect: Any Indian parent or other Indian having legal obligation for the care, custody, or control of any child or children of minor age, who engages in conduct defined as neglect in the Warm Springs Juvenile Code, WSTC 360.110 (11), shall be deemed guilty of child neglect and may be liable for all or part of the support cost if it is necessary to place such child or children in temporary foster care. In the event that such child or children shall do or cause damage to another person or property, the parent or person having legal obligation for the child or children may be fully liable for all damages caused.
Employee of the Month '93: Recognized for their overall commitment and dedication to the public safety of the community of Warm Springs was: January-Officer Romaine Miller, Sr.; February-Prosecution CR Begay; and March-EMT Karla Tias. These individuals were selected from nominations brought forth from the supervisory staff of the Public Safety Branch. Each supervisory brings forth their nomination through contacts of the branch as well as their personal observations of the employees work. No supervisor is allowed to nominate anyone from their division.
Graduates' names wanted Family, friends or relatives, if you know of any one graduating from high school, college, vocational program or GED, please call the Education Services office and give the following information on the 1992 graduate: name, name of school, what they are graduating in, and their major. The Education Services office would like this information for the Warm Springs Tribal Graduation banquet. Please call 553-3311 or 1-800-793-3312.

Satus Longhouse powwow activities slated
