

Warm Springs Elementary School Fifth grade students were honored with kind words of encouragement at graduation ceremonies in the Warm Springs Elementary Gym. They were presented certificates, and other articles from D.A.R.E. officers.

NWPPC requests comments on Phase IV

Dear Interested Party:

Proposals for phase four in the Council's process of amending its Columbia River Basin Fish and Wildlife Program are now available for public review and comment.

These proposed amendments are part of a multi-phase process. Phase one, which included certain fast-track measures, was completed in August 1991. Phase two, which dealt with Snake and Columbia river flows and salmon harvest, was completed in December 1991. The Council completed phase three, which dealt with system wide habitat and salmon production issues, in September 1992. In August the Council will begin integrating the 1987 Fish and Wildlife Program with the current and prior amendments to produce the 1993 Fish and Wildlife Program. The Council expects to complete this integration work in November 1993.

Phase four of the program amendments deals with resident fish and wildlife. Public hearings on the draft phase four amendments will be held in each of the four Northwest states between June 9 and August 11, 1993. In addition, interested parties may schedule consultations with the Council.

To receive a copy of the proposed phase four amendments, please contact the Council's central office and request document 93-5. The toll-free

telephone number is 800-222-3355. The Council will accept written comments through the close of business on August 13, 1993. Comments should be addressed to Steve Crow at the Council's central office, 851 S.W. Sixth Avenue, Suite 1100, Portland, Oregon 97204-1348. Please

clearly mark your comments as pertaining to document 9305, the draft phase four amendments.
Thank you very much for your interest.

Sincerely,
Stan Grace, Chairman

Meanus extends caring "hello"

To the editor,

Hello this is Marcal Meanus #5284338 Seg. 96. I am writing because I would like to give all my people of Warm Springs an honest caring hello, and that I hope that they are all alright.

I would also like to give all the families that have lost a loved one my care and concerns. I am sorry to hear that, but that's how it is.

Sometimes we can't help ourselves. I wish you all the best and may He watch over you.

I am doing all right so far, I'm still not used to it here in prison. It's hard sometimes, but I manage. Well, that's all I have to say so take care and may God bless you all.

Sincerely yours,
Marcal Meanus

There's no word as "can't"

To Alvin Schuster (my dad),

Thanks for helping me and pushing me to try to do my best. And making me believe that there is no word as can't. And for teaching me all I know about the Indian ways.

I would also like to thank you for being there for me. And putting up with me with a chip on my shoulder.

Also I would like to thank both my moms, Pat and Sarah Lee whom

I both love and care for. Even though I rarely see one of them I know she still loves me, and cares for me. And for the other one I love you just the same.

Love, your son,
Benjamin Hintsala
Benjamin will march June 8 in Wapato Pace Alternative High School.

Family appreciates support at loss

To the editor:

We extend our appreciation to all the relatives, friends and community members who shared and provided support to our family during the loss of our father, Lloyd G. Smith, Sr.

We extend our special thanks to our Aunt Lizzy Rhoan for her personal guidance and support to the family; the Warm Springs VFW Honor Guard and Walter Langnese; and to the singers who through their

songs and words eased our grief during our loss.

Respectfully,
Gerald Smith and family

Old annual gives glimpse of life in 1938-39

On this page we will try to bring to light a few of the little known activities. We could begin by asking Ross and Ester why they like to dance together without allowing a cut-in, but maybe our readers would be more interested in knowing that Richard and Lena are making the Home Economics building their headquarters. Every Wednesday we have a show for the students and it seems odd to us that Cora and Grant will always find seats together. We have just learned that Cora and Grant, Ella and Claude have serious cases. It couldn't be that Bertha visits Hollywood just to see Sims, or Roy wouldn't lie under a certain apple tree just to see a certain girl would he? We do know that Viola waits on a certain boy at the kitchen, is that true Roscoe? Delbert not that we care but we believe you and Victoria could find a more romantic spot-the dining room is for eating purposes. Lorraine and Joe may profit by this tip-most people get married in church. Who's that sitting in Tex Tye's truck it surely isn't Virginia? Puzzle, Marjorie Peet likes Arthur or Woodrow. Alice Spencer lives in Ceilo because the Sam boys live there. Winifred Charley has a new song, 'Bull Wont You Please Come Home.' Why does Leonard and Rosanna get to the kitchen door at the same time? Do you know that Christine has been known to walk almost a mile to see one Milan Smith. Here are some questions we would like to have answered, Who sent Cora candy for X-mas? From what town and what boy does Inez receive a weekly letter? What high school girl is worrying because Mr. Spencer is gone? Why does the word Dearest always begin Ilviria's letter? Now to view some of the teachers as we see them, there goes Mrs. Buckingham looking for a bird or some other animal to show her children. Miss Alberty is looking into space while her students play

around her, Miss Zantow is explaining some point of the carnival to a fellow teacher, Mrs. Depoe trying to quell Sherman, Mr. Leckron looking for his boys, Miss Lawyer planning a root hunt, Mr. Fults to get the 7th and 8th grades to complete their files, all this is going on while Miss Betterton calmly cleans her coat rack. Now we shall mention some of those perfect students, Thelma, Lydia, Lincoln, Roscoe, Ilviria, Maurice, Juanita, and Sims, and those timid students that never talk above a whisper should be found near this place for example, Richard, Ella, Rosie, Zane, Claude, Arthur, Cora, Ruthie and Esther. The old fashion girl and boy, Lena Pry and Lincoln Suppah. Wood shed rats

Joe Heanon and Bertha Hellon. The last few days Ruthie has been very much discontented since Maurice is gone. If you wish any additional information regarding these activities please send us a postcard, addressed to the eighth grade in care of the snoop. We also have a department for those disappointed in love and we guarantee that all information will be kept strictly confidential. We will be

expecting letters from Inez, Winifred, Delbert, Lawrence, Percy, and Morris Wesley. Flash, we just found out that a certain girl is staying for summer school, Leonard couldn't be the cause of it by any chance?

We the eighth grade certify that the above statements are true and correct to the best of our knowledge.

Jackson thanks softball tournament sponsors

To the editor:

I would like to thank my sponsors. These people sponsored championship jackets--Mike & Dee Penney (2), Ed Henry, Jr. (2) Roberta Greene (2), Jay Henry (1), Theron Johnson (1), Ernie Scott (4). Lorraine Suppah sponsored 1 MVP jacket and Wanda Van Pelt 1 Best Glove jacket. Uncle Vernon Henry sponsored the

1st Place trophy and Patricia Speakthunder and Greta White Elk sponsored a plaque. My aunt, Ellen Johnson, and her children for their support at the fields and organizing. I, Jana, used my personal money for the rest of the expenses. My friends Lorraine Suppah and Cissy Scott for their encouragement to put on another co-ed softball tournament. It was for fun and in memory of my father, Ed Henry, Sr. Some of my traveling

team members could not make it due to family emergencies, so I asked several different people from here to play and they all showed up and didn't mind rotating--thanks for your patience. I want to thank Bend Awards, Outpost, Kah-Nee-Ta, for using their logo, my umpires, official scorekeepers, and Utilities. I did get positive feedback. There was one player who had no graceful acceptance of results even if the team did good (very bad attitude) and threatened one of my umpires. He was warned to tone it down otherwise, he would have been kicked out of the tournament, other than that it went well. It was fun and maybe in another two years, I will try again.

Sincerely,
Jana Jackson

Anderson continues riding trails

To the editor,

Tony Anderson received his first motorcycle at age 8, and has been riding trails and at the dips here on the reservation. Now at age 12, Tony entered his very first amateur motocross race at the P.I.R. in Portland, Oregon which was a week ago and he took 6th place.

Tony plans to race many more in the near future.
We would like to thank Joey Macy for being a good teacher and coach for Tony.

We would also like to thank all his family and friends for their support. "We're proud of you Tony."
