by memorizing the Promise, Law of the Pack, Cub Salute, Sign and Motto. We must also learn how to properly take care of the United States flag.

We would like to thank Akela Vivian and Akela Beverly for making time to be with us while our Den Leader was away. Thanks!

During May, we studied show biz by preparing to put on a play for the Boy Scouts Eagle Patrol and our families. We worked on our costumes and rehearsing our lines. We also worked toward our first badge

Also, we would like to welcome anyone interested in being a Cub Scout or a Cub Scout leader to attend our meetings. We meet every Wednesday from 4 to 5 p.m. at the "Xas-Lu Youth Center" on campus.

You may be seeing us in the near future, as we will be doing some fundraising by collecting bottles and cans door to door. Please do not donate to the scouting program unless at least one boy has on a scouting uniform. This will help you donate to the right group and not to impostors that call themselves Scouts. Cub Scouts will be wearing a uniform

shirt, cap and neckerchief, and will usually be accompanied by an adult.

Thank you for taking the time to hear what we are doing! Cub Scouts in Den #1 are Bobby, Carl, Aaron, Devry, Jeremy and Sonny.

Braves Up-Date Minor League

The Warm Springs Braves of the minor league reports of a good season which is winding down to the end in a few days. With their record of 6 wins and 1 loss so far. The loss came to the hands of the

Culver Team #1. The loss was because for the shortage of players, as only 6 players showed up for the game. Had the whole team showed up the record might have been a all win record.

Coach Sam Kentura said the boys have been playing real well together all season long. They did have three games cancelled because of rain, and there has been no dates set for the make up games as of yet. The Braves have won games over Culver #1 team by the score of 10-7; over Madras Builders 7-1; over the Warriors 13-4; beat the Chiefs 10-4; over Culver #2 8-6; over Ericksons 16-9; and lost to Culver #1 team 10-7.

There was good pitching from Shawn Rae Gabriel and Aaron Lan-

gley, with William Napyer coning on strong as the season progressed. Kentura credits good team play both on offense and defense. One of their best offensive games was with Ericksons with 7 home runs during the game and real good team defense. There was good power hitting from Aaron Langley as he had one Grand Slam homerun. Home runs by Shawn Rae, Haerley Andrews, and William Napyer, and Winterowl.

Good first year players came from Joseph Harding and Wilfred Sando, overall this was a good bunch of boys Kentura said. The Braves will be losing five players at the end of the season. Next year they will be without the services of Aaron Langley, Shawn Rae Gabriel, Haerley Andrews, William Napyer, and Joseph Stevens. The returning players will include Joseph Harding, Winterowl Boyd, Sampson Price, Wilfred Sando, Ralph McConville, Tony Gilbert, Jefferson Greene, Trevem Yazzie, and the new Players to be drafted next year.

6. Only registered drummers will be paid. Deadline 5:00 p.m., June 26.

7. All judges decisions are final.

8. All contestants may only register for one individual contest.
