Graffiti marks territory, delivers message

The Warm Springs Elementary cafeteria refrigerator was a blackboard of sorts, used by gang members to issue a warning to rivals.

A door at the Education Center carries elaborate drawings.

Rest in peace?

It was the day before school was to start and Warm Springs Elementary teachers and officials, while preparing for the new school year, could peer out the school windows and see the mark of gangs on the cafeteria. Scrawled on the side of the building were abbreviated warnings to rival gang members.

Elementary school janitor Dale Spencer spent nearly four hours August 31 removing the ugly messages with four cans of graffiti remover.

So far, police have no leads on who is responsible for the vandalism.
