## On Patrol

### In Brief:

2 Sept.: Officer investigated an intoxicated female in the West Hills area who was made victim of an assault & battery; she was later transported and admitted into Mt. View hospital for further treatment; a young adult male was reported to have been in the Sunrise street area who was knocking on doors and windows, prior to officers arriving, the suspect fled the area on foot. An x-officer was cited for theft who failed to return property belonging to the Police Department. A vehicle on Deer Loop was made victim of a gas theft, and officers along with fire personnel responded to the Early Childhood Center on an alarm that was activated. Three citations were given to drivers who parked in front of the Employee Development Department. A male adult was lodged into the Warm Springs jail on three counts of sexual abuse, on appearance before the Tribal Judge, the defendant was ordered held until trial.  
3 Sept.: Officers were called to the Sidwalter flats area when it was reported that gunshots were fired; on

further investigation, a subject was contacted who was said to have been shooting at a coyote.

4 Sept.: A fight in progress was reported on or near Avex road; an unfounded juvenile party was called in which also was reported to ended with a fight. A male adult was arrested after a search warrant was executed that produced approximately 16 grams of marijuana in the Oitz Loop area. During the same search warrant raid, a male adult was also reported to have been walking up the street with what appeared to be a beer in his hand, on approach of the suspect, he then fled on foot who was later apprehended. Further investigation found a small .22 caliber semi-automatic handgun near the suspect who faces possible tribal and federal charges for carrying a weapon when prohibited and an ex-felon in possession of a firearm. EMS responded to the Sunset street area on a reported small child with her foot caught in the wheel or spoke area. Injury was minor. On a reported disturbance on Poosh street, two non-resident Hispanic males were escorted off the reservation. During a local softball tournament, EMS personnel responded to the ball fields on a reported broken leg.

5 Sept.: Officers investigated a house party that was reported in the Looksh street area, no arrests were made on the first report however later in the day, three young people were taken into custody for liquor violation and contributing to the delinquency of a minor; A non-Indian was taken into custody after it was reported that an accident had occurred off the reservation and the suspect was found changing a tire near the Space Age station. On further investigation, a smoking device was noted to be in plain view on the front seat that led to the discovery of a small bag of marijuana also visible near the driver. The suspect faces

charges of drugs, DUII, and hit & run. On two separate other investigations, two additional drivers were arrested for DUII. A motor vehicle crash was investigated by Wasco County authorities which we provided an agency assist on Hwy. 26 near milepost 86. The vehicle was traveling north when it ran off the northside of the road and down approximately a 30 foot embankment. Airline was called to the scene who made two trips to the scene. The second to transport the driver after extrication who was pinned in the vehicle. Fish & Game responded to the Sherars bridge area on a reported drowning, alcohol is suspected to be involved as reported by witnesses at the scene. It was also discovered that no safety line was being used at the time.

6 Sept.: On another reported Break & Enter at the Space Age station, two suspects were taken into custody who on their own admission face charges of theft, malicious mischief, break & entering, and trespass. Officers arrested a female on a reported attempted suicide who was found highly intoxicated who has a lengthy history of previous attempts. A total of (16) drivers were cited for speeding following the labor day weekend. Approximately (50) were cited for the entire weekend.

7 Sept.: Minor activity following the busy weekend, two local warrants were served.

8 Sept.: On a telephone report by the caller, a male was later taken into custody after he was threatening to take his life. On a trace of the call officer responded to the Wolfe Point area where on further investigation, three arrests were made. The homeowner who answered the door to officers knew nothing was even going on. Apparently the suicidal subject had been in a bedroom while telephoning the department. A female subject was assaulted on Wasco

street where it was reported that several fire & safety employees had witnessed the incident. Two prowler calls were looked into on the Shepherd street area. On a reported spree of gunshots in and around the Warm Springs area, a suspect was located who denied any part of the shots being fired, the investigation is continuing. A hit & run was reported at the forestry parking lot which police are looking toward any possible witnesses to step forward with any information.

9 Sept.: A break & enter was investigated in the Sidwalter flat area; A male adult was arrested for contributing charges, a minor was arrested for liquor violation and on a local warrant.

10 Sept.: A 68 year old female was arrested for DUII & child neglect following a motor vehicle crash on Hwy. 26 near Mecca road. A preliminary BAC analysis showed a .21% in her system at the time of booking who was lodged for detox. On an odd call to our local radio station, investigation is continuing after it was reported that a male caller called the station who requested a song followed by a statement that he was going to kill his female companion.

**Hollywood cement barrier:**  
With road construction almost complete, several tribal committees have expressed concern over the cement barriers that were put in place along the new Hollywood extension.

The concern is the same concern Public Safety reported on over six months ago with regards to people walking on top of the barriers and the possibility of someone being seriously injured if they were to fall into the lane of traffic passing by.

Several options were discussed at the last Tribal Safety committee meeting with these alternatives being looked into. Public Safety would again like to remind community

members that this barrier is in place for the safety of those pedestrians and bicyclists travelling along Hollywood and not to be walked on. Please remind your children of this safety concern.

### Bicycle Safety:

- As a reminder to those who own and ride bicycles, please follow these safety tips when it comes to bicycles:
1. Always wear a helmet.
  2. Always signal before turning.
  3. Ride on the right hand side of the road.
  4. Use a basket or other means to carry loose items; never try and carry them with your hands.
  5. Obey all traffic signs.
  6. Please ride single file.
  7. Never assume a driver sees you.
  8. Use extreme caution when crossing an intersection.

Public Safety will register your bicycle on request, thanks.

### Gang Awareness:

Defined: A gang is two or more people who interact among themselves to the exclusion of other groups, have a group name, claim a neighborhood or territory, and engage in criminal or antisocial behavior.

Reasoning: The gang offered them support, caring, and a sense of order and purpose. The excitement of it, for protection, to earn money, to be with friends. . . I was pressured, intimidated, or too scared not to join.

Prevention: Communication with your child; listen to them and look for certain cues that something might be wrong. Tell them that you disapprove of gangs, you don't want to see them hurt or arrested, that they are special and worth protecting, you are there to help them with problems, family members as well as other community members are working together against gangs. Support added or additional extra-curricular activities to keep them busy, know exactly where and what your child is

doing 24 hours of the day. Know, discuss and agree on a set of ground rules that your child or teenager can live with. Use positive reinforcement constantly, get to know who your child's friends are, and make sure to communicate with fellow parents to ensure these preventive measures are being followed.

Signs or Cues: Change in behavior, poor progress or achievement in school, truancy, lack of hobbies or something constructive to do during leisure time, increase or frequent negative contact with school officials and or police; draws gang symbols or insignias, increased problems with maintaining family relationships, puts tattoos on self, change in dress attire.

For more information or just someone to talk to, contact: Bob Whittenburge, Don Courtney, Rick Souers, Charlie Tailfeathers, Sr., Maria Macy, Guy Wallulatum, Corey Clements, Dixon Polk, or Walter Langnese III.

### Tribal Code Awareness:

Contributing to the delinquency of a minor: Any Indian who aids, causes or permits a child under eighteen (18) years of age to do any act prohibited by law shall be deemed guilty of contributing to the delinquency of a minor.

Abduction: Any Indian who shall willfully take away or detain another person against his will or without the consent of the parent or other person having lawful care or charge of him, shall be deemed guilty of abduction.

Assault: Any Indian who shall attempt or threaten bodily harm to another person through unlawful force or violence, and who has the present capability to carry out his threat or use unlawful force or violence against the person threatened, shall be deemed guilty of assault.
