It's now official--Buffs in Tri-Valley League next year

When the 1994-95, sports season roll around there will be a lot of changes because of the rapid increase in population around the state.

At a Oregon School Activities Association (OSAA), meeting just recently there was a new league added to the 4-A class schools in the state and will be known as the Willamette Valley league, which will include schools as Forest Grove, McMinnville and Newberg from the Metro league and Canby and Tualatin from the Three River league, with the addition of Dallas, and Silverton who will be moving up from the 3-A ranks.

The Madras White Buffalos will join the Tri-Valley league along with Wilsonville a new school and Portland Christian who is moving up from the 2-A ranks. Tri-Valley will be losing Hood River Valley Eagles who will be moving to the 4-A ranks and will be joining the Mt. Hood League. Tri-Valley will also lose Banks who is moving to the COWAPA league.

Other central Oregon schools involved in the shake-up are Sisters who is moving up from the 2-A and will join the Capitol league in the

Salem area, and LaPine will remain in the Sky-Em league located around the Eugene, Or are.

Travel time was one of the key factors for the Buffs as their longest trip in the Tri-Valley league will be closer than the shortest trip in the GOL. This will also benefit the schools from the far eastern part of the state like Ontario, Baker, Mac Hi and the rest of the teams in the GOL as far as that goes as they won't have to travel to Madras to play games. Of course everyone is never satisfied on any situation but the key is for the best interest of all schools is at stake, especially for budget purposes. The realignment will be as follows:

Metro League: will add, Westview, a new school and they will lose Forest Grove, McMinnville, Newberg.

Mt. Hood League: Gains Hood River Valley, up from the 3-A class.

Three Rivers League: Loses Canby and Tualatin.

Madras Buffaloes open basketball season with Invitational Friday night

On Friday night the Madras White Buffalos basketball team will make their 93-94, appearance as they take on the Crook County Cowboys, in the nightcap of the Central Oregon basketball tourney.

To kick off the tournament Hood River Valley Eagles will face the Henley Hornets, in the first game of the night. On Saturday night the winners will play for the championship.

The Buffs with two returning regulars from last year is Ben Christensen and K.C. Ring, along with others who saw some action last

year were Jake Suppah, John Boyle and Phillip Miller. There is no real height on this years team so they will use different strategies to fit their needs.

Crook County a 4-A class school and Hood River Valley who will be stepping into the 4-A class next season are always tough contenders, but anyone can't count out the Henley Hornets as they are always competitive in the sports field. The Madras White Buffaloes are just as much a threat though as anyone else.

Back row left to right: Coach Tony Big Rat Suppah, George Spino, Jess Gilbert, Bull Owl Suppah, Les Gilcrest. Front row: Bruce Howtopat, Val Suppah, Ryan Jacobs, Chunku Smith, Seth Ryan.

Athletic scholarships are available

Over 100,000 collegiate athletic scholarships are available each year to male and female high school and junior college student athletes. Contrary to popular belief, students don't have to be all state to qualify. Much of this money goes unused. A new publication with forms, sample letters and tables of factual information is available for student athletes. It

takes them step by step through the important process of getting an athletic scholarship and includes college and conference listings.

For information on how to get a collegiate athletic scholarship, send a #10 self addressed, stamped envelope to the National Sports Foundation, 611A Willow Drive, P.O. Box 940, Oakhurst, NJ 07755.
