Buff's Top No. 3 Ranked Baker City Bulldogs

It's always tough to win on the road, especially when it's in Baker City, in eastern Oregon, but that's what the Madras White Buffaloes did last Saturday night, January 15, 1994, as they made their long trek to Bulldog country, where they upset the No. 3 ranked Baker Bulldogs by the score of 62-44.

The Buffs jumped out to an early lead that put pressure on the host Bulldog team. The Buffs poured in 6 three pointers early in the game to take the lead which was 16-14 at the end of the first quarter. The Buffs continued to keep the Baker Bulldogs under pressure and as the intermission came along they were ahead by the score of 32-28.

In the third quarter the Buff play slowed up a bit and they even lost the lead momentarily, but they regrouped and regained the lead at the end of the

third quarter to lead 44-37.

In the final quarter the Buffs were determined to win the game and kept the pressure on the host team. Coach Brown said a couple of three pointers in that quarter was what put the game on ice, as John Boyle lofted a three and K.C. Ring added another that sort of broke the Camels back so to speak.

Phillip Miller was the top scorer for the Buffs with a total of 19, K.C. Ring 18, Ben Christensen 11, Jake Suppah 7, John Boyle 5, Sexton 2, Wysham, Jacks. Three pointers came from K.C. Ring who had four, Boyle, Christensen, Suppah, and Miller.

The top scorer for the Bulldogs was Wheeler 17, Burke 8, Clausnitzer 12, Kelsey 4, Petrik 3, Bloomer, Black, Ericksen. Clausnitzer popping in a couple of three pointer for the Bulldogs.

So far the Buffs have upped their record to 8-2, overall and 2-0, in league play. This Friday night the Buffs will host the Pirates of Riverside, this will be their second meeting of the season as the Buffs beat them earlier up in their gym. On Saturday the Buffs host the Nyssa Bulldogs with the varsity game getting underway at 5:00 P.M. On Saturday both the boys and girls varsity teams will see action as the Girls varsity game will get underway at 3:00 P.M. and the boys varsity game will follow starting at 5:00 P.M. The JV teams will be playing at the MJH gym with the boys game starting at 3:00 P.M. and the girls JV game will get underway at 5:00 P.M.

The early schedule is so the Nyssa teams will have an early start home on their long ride to the eastern part of the state.

C.C. needs lockers cleared

The Recreation staff would like anyone that is currently using a locker and or padlock at the Community Center to please go in and give them your locker number. If you have a Community Center padlock let the staff know. This goes for men and women upstairs and downstairs.

On Friday, January 21, 1994, the Recreation staff will be clearing out any unclaimed lockers. Any padlocks that are not Community Center property will be cut off and the locker cleared out for other users to utilize.

There are a lot of lockers (men's and women's) that have padlocks on them that have not been used in at least six months. For the people out there who may want a locker and padlock, this is unfair.

REMEMBER! Friday, January 21, 1994.

The youth and adult classes are basically the same, a Traditional Kung Fu line of self defense involving forms and various empty hand self defense tactics. The advantage of taking Martial Arts is to learn self-defense, physical development, agility, speed awareness and approved self-defense capability and awareness. Martial Arts is not only physical forms and self defense but an art form, as well.
