During the game with the Baker Bulldogs, Jake Suppah bringing the ball down court under the Baker press. Here Travis Bloomer No. 22 puts pressure on Jake, but he manages to break the press to get the ball down floor during the game with the Bulldogs of Baker, on Saturday, February 12. Madras went on to win the game 52-44, and hold on to the top spot in the GOL standings.

Crunch, the Buffs fall to Riverside Pirates

It was a bad day for the Lady Buffs who traveled to Riverside to drop an important game to the Pirates, making the play-off picture very dim. The Buffs were holding a 53-52, lead with just over a minute to play when some careless turnovers caused the Riverside Pirates girls to score three unanswered baskets to give them the win 58-53. With time running out and three of the regulars on the bench VIA fouls puts pressure on any team especially when there is just a point or two sepa-

rating the two teams. The girls who fouled out when the chips were down were Carrie Haws, Sarah Badton, and Shawna McConnell. The Pirates played a good game keeping it close all the way and made their move at the right time on turnovers by the Buffs. They converted three turnovers to points when it really counted to get the victory. For the Buffs it appeared as though you'd let loose of a bloon and couldn't catch it

again and it just faded out of sight. That's what the play-off picture looked to the Buff gals. When a person really wants something it appears it's really hard to get. So close and yet so far away. Carrie Haws out scored everyone with a total of 23 points, McConnell 10, Kirsch 10, Harris 7, Christensen 3, Badten, Jones, Sundberg. Phillippi 21, Tallman 11, Thomas 6, Killingbeck 5, Garetto 4, Bulow 1, Pearson, Burke, Sudun.

White Buffaloes down Mac Hi Pioneers

The Madras White Buffaloes swept the week-end beating the Mac Hi Pioneers on Friday night and the Baker Bulldogs on Saturday, Feb. 12 and 13th. On Friday night it was the winner of that game who would be the leader of the standings of the GOL standings, as each team had identical records going into the game of 4-2, in league play. When things quieted down a bit after the game the Buffaloes emerges the No. 1, team of the GOL. They evened an earlier loss to the Pioneers on their home floor but it was a last minute scoring that beat the Buffs. In the game it was the one who got the jump on the other early in the game and that's just what the Buffs did. They jumped out to a good led on the Pioneers early putting the Pio-

neers on the catch-up situation and as the first quarter came to an end the Buffs were up 19-8. In the second quarter it was a defensive struggle as neither team could explode on the offensive. Mac Hi managed to get 5 points while the White Buffaloes were limited to only 3 points, but with the big lead the Buffs built up in the first quarter paid off as the Buffs held the lead going into the intermission where they led 22-13. In the third quarter the Buffs found the range once again but the scrappy Pioneer team hung right in there giving the Buffs all they could handle. Jake Suppah did a great job in getting the ball down the floor under heavy pressure put on by the Pioneer press defense. Jake had an all around good night setting up plays darting in

and out keeping the Pioneers on their toes all night long. At the end of the third quarter the Buffs in command by the score of 37-26. In the final quarter the Mac Hi Pioneers made their run at the Buffs but were unable to over take the huge lead the Buffs built up early in the game. Mac Hi scored 19 points to 17 for the Buffs. When the final horn sounded the Buffs were ahead to win the game and re-claim the led in the GOL standings with the final score of 54-45. Phillip Miller scored 17, Ben Christensen 15, Jake Suppah 8, K.C. Ring 7, Jermey Jacks 3, Jason Saxton 3, and John Boyle. For the Pioneers Parks scored 17, Meza 9, White 8, Irving 8, Brown 4, Dohrman 2, Peraza 2, Chester.

Baker Bulldogs fall to Buffaloes

They had only 6 two pointers for the game. Baker had 17 two pointers and one foul shot with three 3 pointers during the game. At the end of the first quarter the Buffs out scored the Baker Bulldogs 16-12, and during the second quarter Madras scoed 18 points and for Baker they only could get 7, to give the Buffaloes a 34-19 half time lead. In the third quarter the Bulldogs out scored the Buffs 11-7, and also in the final stanza the Bulldogs got 14 points while the Buffs could only get 11 points, but they were too far behind to make up the necessary ground to overtake the Buffalo lead.

K. C. Ring scored a total of 17 points, Jeremy Jacks 14, John Boyle 8, Phillip Miller 6, Ben Christensen 4, Jake Suppah 3, and Jason Saxton. Clausnitzer scored 14 points as high scorer for Baker, Burk 9, Wheeler 9, Kelsey 6, Patrik 4, Ericksen 2, Bloomer, Black. On Feb. 18 and 19, the Buffs make

their final swing east to meet Nyssa and Ontario. On the following week they wind up their regular season hosting the Hilanders of Burns, on Feb. 24. On Saturday night the Buffaloes did what they done the night before and that was to et the early lead and hold on the rest of the way for the victory. The Baker Bulldogs a highly rated team who have had their ups and downs this season were un-able to overtake the Buffs from their first two quarter serge. One of their best performances was hitting 16 of 19 foul shots at the charity stripe. Jeremy Jacks had the hot hand at the foul line as he was 8 for 8. If they had missed at least half of their foul shots it would have been a different ball game. Many coaches say games can be won or lost at the foul line. On the other hand Baker was 1 of 4 at the foul line. The three point scoring really took its toll on the Baker Bulldogs as the Madras White Buffaloes burned the nets for 8 of those 3 pointers. K.C. Ring accounted for four of them John Boyle had two and Ben Christensen 1 and Jake Suppah 1. The Bull dogs collected only three for the game. It was a game of scoring the three pointers and at the foul line for the White Buffs as they compiled a total of 8 three pointers and 16 at the foul line.
