## On Patrol

#### Car crash fatality:

Officers along with EMS personnel responded to Jackson Trail Road Rt. 24 between mile markers 7 & 8 during the early morning hours of Saturday, March 19, Just prior to 5 a.m. on a reported vehicle rollover with someone pinned underneath.

Arriving at the scene, officers found a female later identified as 23 year old Jolie Suppah dead at the scene.

The preliminary investigation showed that the '79 Mercury four door station wagon was travelling south when it ran off the west side of the road; came back on the highway, and then went off the east side of the road striking a large rock causing it to overturn.

Alcohol and vehicle speed appear to be a determining factor to the crash as the investigation continues. Handgun attempted to be smuggled into Jail

A routine search of various items of an inmate's property entering the jail resulted in the startling discovery of a loaded .22 cal semi-automatic handgun.

In most recent public information fairs, various items were on display from the Corrections division as paraphernalia, weapons, and miscellaneous items have been seized over the past year.

Everything from homemade tattoo instruments, weapons to lighters, to the smuggling in of a VHS tape filled with chewing tobacco for a juvenile has been attempted to pass the watchful eyes of the corrections officer.

#### WSPD now has Drug Dog:

In keeping with the community's demand on "total war on drugs", the Warm Springs Police Department swore in a new officer this past week. Officer "Jody" joins the ranks of the WS Drug Task Force Team.

Jody, a registered full blooded black lab retriever, age 21 months was recruited from the Cedar Home Kennel Narcotics Detection Service.

who is trained to detect marijuana, cocaine, hashish, methamphetamine, heroin and crack cocaine.

Canine Handler/Fish & Game Officer/DARE Officer Larry Holliday recently completed a two week training session in Stanwood, WA where he met "Jody" and began his intense (80) hour training course.

Bubba & Jody were trained to sniff vehicles, buildings, luggage, lockers, storage facilities and currency.

Any department having knowledge of employees or community members suspected of selling, pushing or using drugs are encouraged to contact the WSPD drug task force member Supervisory Criminal Investigator, Carmen Smith at 553-3273. Team "Red Heat" finishes fourth

Stevenson High School in Washington was the site of the 1994 Inter-Tribal Law Enforcement basketball tournament as the Warm Springs Public Safety team "Red Heat I" finished fourth in their first actual tournament play.

Team Coordinator, Don Courtney was very pleased at the results however thought that the team could or should have been in the championship bracket losing game two in second round play.

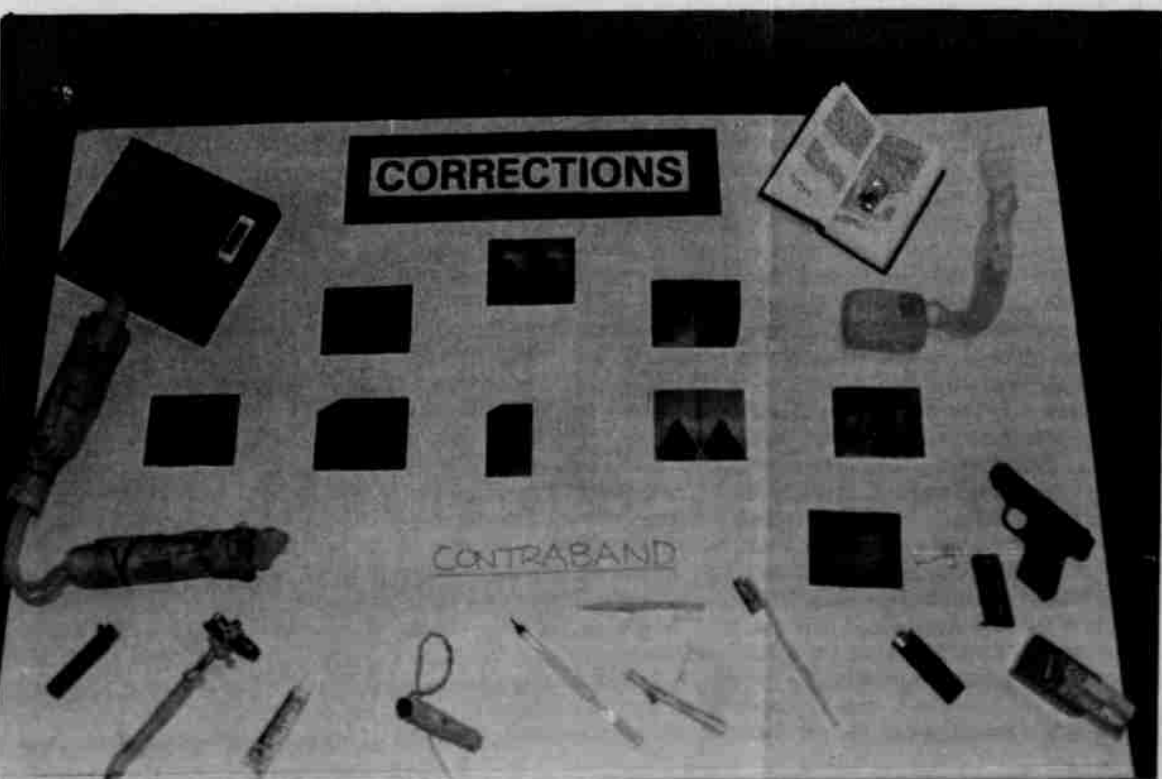

Eight teams began the tournament were as follows: Northwest Skins from Portland, Scott Company out of Carson, WA; CRITFE from Columbia River Gorge both WA and OR, Mid-Columbia from Lyle, WA, Red Heat from Warm Springs, OR, Satus Cool Running from Toppenish, WA, Yakama Tribal Panthers and Team

Goldendale from Goldendale, WA.

Playing for "Red Heat was Coordinator Don Courtney, Coach/Player Romaine Miller, Sr., Dorian Soliz, Willie Bagley, Don Winishut, John Marcum, Anson Begay, Mackie Begay, Don Bagley (All-Star honors), and Joe Craig of the Oregon State Police.

In game one, Chief Courtney expressed that he was suppose to be relaxing for the weekend which started out in a very tense game as team Red Heat faced Satus in the opening round. Final score was 123 to 120.

In game two, Mackie Begay was ejected from the game in a controversial call by the game referee which set the tone for the rest of the game as Red Heat lost to Goldendale 96 to 127.

Contraband confiscated at the Warm Springs jail.

Overall, it made for a very tense but somewhat relaxing weekend. Team Red Heat looked at this tournament as a warm-up for the Police-Fire Fighter games set for June which we have recruited Monte Daney from the BIA Portland Area Office Branch of Law Enforcement Services and our own Supervisory Criminal Investigator, Carmen Smith.

#### DUII Victim's Impact Panel

The next scheduled meeting of the Victim's impact Panel will be held on Monday, April 18th, 1994 at the Senior Citizen Center.

All members of the community are invited to attend. Let's work together to help put a stop to drunk driving in our community.

#### Defensive Driving

More than 40,300 people lose their lives in motor vehicle crashes each year and a million more suffer disabling injuries, according to the National Safety Council. The triple threat of high speed, impaired driving and not using occupant restraint threatens every driver, regardless of how careful or how skilled.

Driving defensively means not only taking responsibility for yourself and your actions, but also keeping an eye on "the other guy." The National Safety Council suggests the following guidelines to help reduce your risk on the road:

- 1.) Don't leave the driveway without securing each passenger in the car, including children and pets. Safety belts save thousands of lives each year!
- 2.) Remember that driving too fast or too slow can increase the likelihood of collisions.
- 3.) Don't kid yourself. If you plan to drink, designate a driver who won't drink. Alcohol is a factor in almost half of all fatal motor vehicle accidents.
- 4.) Be alert! If you notice that a car is straddling the center line, weaving, making wide turns, stopping abruptly or responding slowly to traffic signals, the driver may be

impaired.

5.) Avoid an impaired driver by slowing down, letting the driver pass, pulling onto the shoulder or turning at the nearest corner. If it appears that an oncoming car is crossing into your lane, pull over to the roadside, sound the horn and flash your lights.

6.) Notify the police immediately after seeing a motorist who is driving suspiciously.

7.) Follow the rules of the road. Don't contest the "right of way" or try to race another car during a merge. Be respectful of other motorists.

8.) While driving, be cautious, aware and responsible.
