You can claim your prize in the ECE Center Front Office. BIG THANKS to everyone who donated items for this raffle, to everyone who took time to sell tickets and to those who purchased tickets!

Funds raised by the raffle go towards items and events for children and families. These events include: Head Start 4 year old graduation dinner, Positive Indian Parenting meals, Crafts workshops, Christmas Stocking making etc.

### Head Start registration for fall begins; check criteria

Head Start registration for fall 1994 has begun. Any child who will be 3 years old on or before September 1, 1994 is eligible for the Warm Springs Head Start program. Due to the large number of 4 year olds in our community there will not be enough slots available in the program to serve all 3 year olds for the 1994-1995 school year. Unserved 3 year olds for the 1993-1994 school year will be able to attend Head Start in the fall of 1994 as long as all registration paperwork requirements are met by mid-July.

The Head Start Policy Council met on 5/17/94 and decided to allow early enrollment for all eligible 3 year olds who had already completed their registration packet and physical. Policy Council will have their next enrollment meeting in mid-July. All remaining 3 year olds, who did not qualify for early enrollment will be selected based on the following Head Start criteria:

#### HEAD START PRESCHOOL PLACEMENT CRITERIA

Head start serves three and four year old children. It is the goal of Warm Springs Head Start to serve all 4 year olds in the community. This is to give them preschool experience to better them for a positive transition into Kindergarten at Warm Springs Elementary. The following is in order of priority:

1. Income eligible.
2. Families with hardship or trauma: foster, homeless, family death, extended family dwelling.
3. Children with disabilities.
4. Single parent/guardian families.
5. Other: distance from program (Simmasho, Sidwalter, etc.), no preschool experience prior to Kindergarten entrance.
6. Over-Income.

Warm Springs Early Childhood Education Recruitment Policy

It is the goal of Warm Springs Early Childhood Education to serve

as many children as possible who meet one of the following conditions:

1. Live on the Warm Springs Indian Reservation, the service area for Warm Springs Early Childhood Education.
2. Be enrolled in WS Confederated Tribes, or a verifiable descendant of, Warm Springs Tribal members.
3. Have parents/guardians who are employed on the Warm Springs Indian Reservation.

If you are interested in having your child attend the Head Start Part Day 3 year old program in September 1994, please stop by the ECE Center and pick up a registration packet. You will also need to have a physical done for your child. You can schedule a Head Start physical during Well Child Clinic on Thursdays at the Health & Wellness Center. To make an appointment call Marti Rae Wells at 553-1196. Only children with completed registration packets and physicals turned in will be considered for enrollment into Head Start at the mid-July Policy Council meeting.

If your child is in the recruitment pool for the Full Day program or you would like to put him/her into the recruitment pool, please contact Versa Smith or Sue Matters at the ECE Center, 553-3241.

#### FULL DAY PROGRAMS PLACEMENT CRITERIA

1. Ability to pay or qualify for the CCDBG and/or AFS.
2. Both or single parent(s)/guardian(s) are 80% employed, or actively involved in a verifiable training or education program.
3. No past due child care bills or outstanding accounts from any previous Early Childhood Education service.
4. Child's Name, Date of Birth, Parent/Guardian Name, Current Address & phone number must be submitted to have child placed in the ECE Recruitment Pool.
5. Completed contract, registration

packet, up to date physical form and immunization certificate. 6. A commitment from parent(s)/guardian(s) that the child will attend on a regular basis. That is 85% of the time or 17 out of 21 days per month.

### Thanks for help at end of year

Many thanks to all the individuals who made all the Early Childhood Education End of the year activities a big success! To all the drummers, dancers and spectators who shared time together at "Ikks-Mi-Yanas-Ma-Mi-Pii-Um" (Little Children's Powwow).

To all the parents/guardians and teachers who spent time planning the Head Start 4 year olds graduation ceremony and meal. Many Thanks! The Mini-Powwow was an

opportunity for the children to demonstrate some of the dancing they had learned and practices through the year. Also recognized were the community members and parents who donated time to the children teaching them about dancing. The contributions of so many people, teachers, parents/guardians and community members strengthens the Early Childhood program and what we can offer our children. THANK YOU ALL!

### Transition begins July 5

All Early Childhood Education full day programs will transition on July 5, 1994. The full day programs include Day Care (Babies/Crawlers, Toddlers, Striders), Head Start Full Day & Kindergarten/Latch Key. July 5th the children will move up into the next classroom. For a child to transition the following requirements must be met. ECE account balance must be current; both or single parent(s)/guardian(s) are 80% employed, or actively involved in a verifiable training or education program; good attendance (that is 85% of the time or 17 out of 21 days per month); all required paperwork completed; physical and immunizations submitted (it required).

Children transitioning into a new program (Striders to Head Start to Kindergarten/Latch Key) do need to complete a new registration packet and turn in a current physical and immunization certificate.

All parents/guardians will be asked to fill out a new USDA form. The ECE program receives reimbursement from the Department

of Agriculture for food served to children based on family income. This reimbursement helps fund the Food Service program which feeds the children each day. Parent/Guardians are not charged for the 2 meals and 2 snack their children receive daily.

### Pianist instructing choir

Neal Thompson

Pianist Neal Thompson is instructing a youth and adult choir at the Warm Springs Baptist Church Wednesdays at 6:00 p.m. until the end of July. Thompson is also offering piano lessons for \$10.00 an hour to anyone interested.

Thompson is from Houston, Texas, he has played piano for almost 15 years, seven of those years were spent learning piano.

On July 4th the adult choir will perform at the Baptist Church, and the youth choir on a Sunday before Neal leaves. Piano students will also do a recital.

If you are interested in the choir or piano lessons contact Neal at 553-1267.

### Fishing clinic set for June 11 at resort

Youngsters can try their luck catching fish during a National Fishing Week fishing clinic at Kah-Nee-Ta. The clinic will be held from 10 a.m. to 4 p.m. on Saturday, June 11.

Sponsored by the Warm Springs National Fish Hatchery and the Confederated Tribe's department of Natural Resources, the clinic will feature local fishing experts showing youngsters how to catch fish.

Participants will learn to cast, to identify fish and how to choose correct bait. A fishing tournament with awards for fish caught will also be held. Throughout the day, youth can win door prizes.

Fishing is one of the most enjoyable sports in the world. It provides healthy entertainment for all ages. For more information, contact Mike Paiya at Warm Springs National Fish Hatchery, 553-1692.

The end of the year powwow for the Warm Springs Early Childhood Education Center was Wednesday, June 1, at the Agency Longhouse, followed by a picnic.

### Wide Spot drummers honored

Drumming Contest will be held at Pi-Ume-Sha Pow Wow June 24, 25, & 26, 1994. Raffle Ticket Drawing will be held June 25 & 26, 1994.

For more information call (503) 553-1883 after 5 p.m.

### Resort has unique hiring program

Are you wondering what to do this summer now that school is out? Are you sitting at home day after day wishing you had money to spend?

Well, here is an idea for you. Get a job! A job means you'll have money in your pocket to use as you wish, and it also means that you're willing to accept responsibilities for yourself.

Kah-Nee-Ta Vacation Resort is offering to pay all their tribal member employees \$250 dollars for each new tribal member they can recruit for any job that's open at the resort. Before any money is received, a new employee must be to work on time, be at work when scheduled, unless other arrangements have been made, and a new employee must hold their job for no less than ninety days. Don't hesitate! Kah-Nee-Ta has many job

openings. Kah-Nee-Ta is a drug free work place, pick up your applications at Kah-Nee-Ta personnel office from 8:00 am to 4:30 pm Monday thru Friday, or at the tribal Employment Services Department.

### Summer Bridge helps ensure college success

Each year the Tribal Education department sends about 80 students off to technical schools and colleges throughout Oregon and the Northwest. For most of these students the experience can be very difficult. New surroundings, unfamiliar faces, and a rigorous academic schedule can make college life seem overwhelming at times. Unfortunately many students come home with poor grades and feeling that they were not really prepared for the college experience.

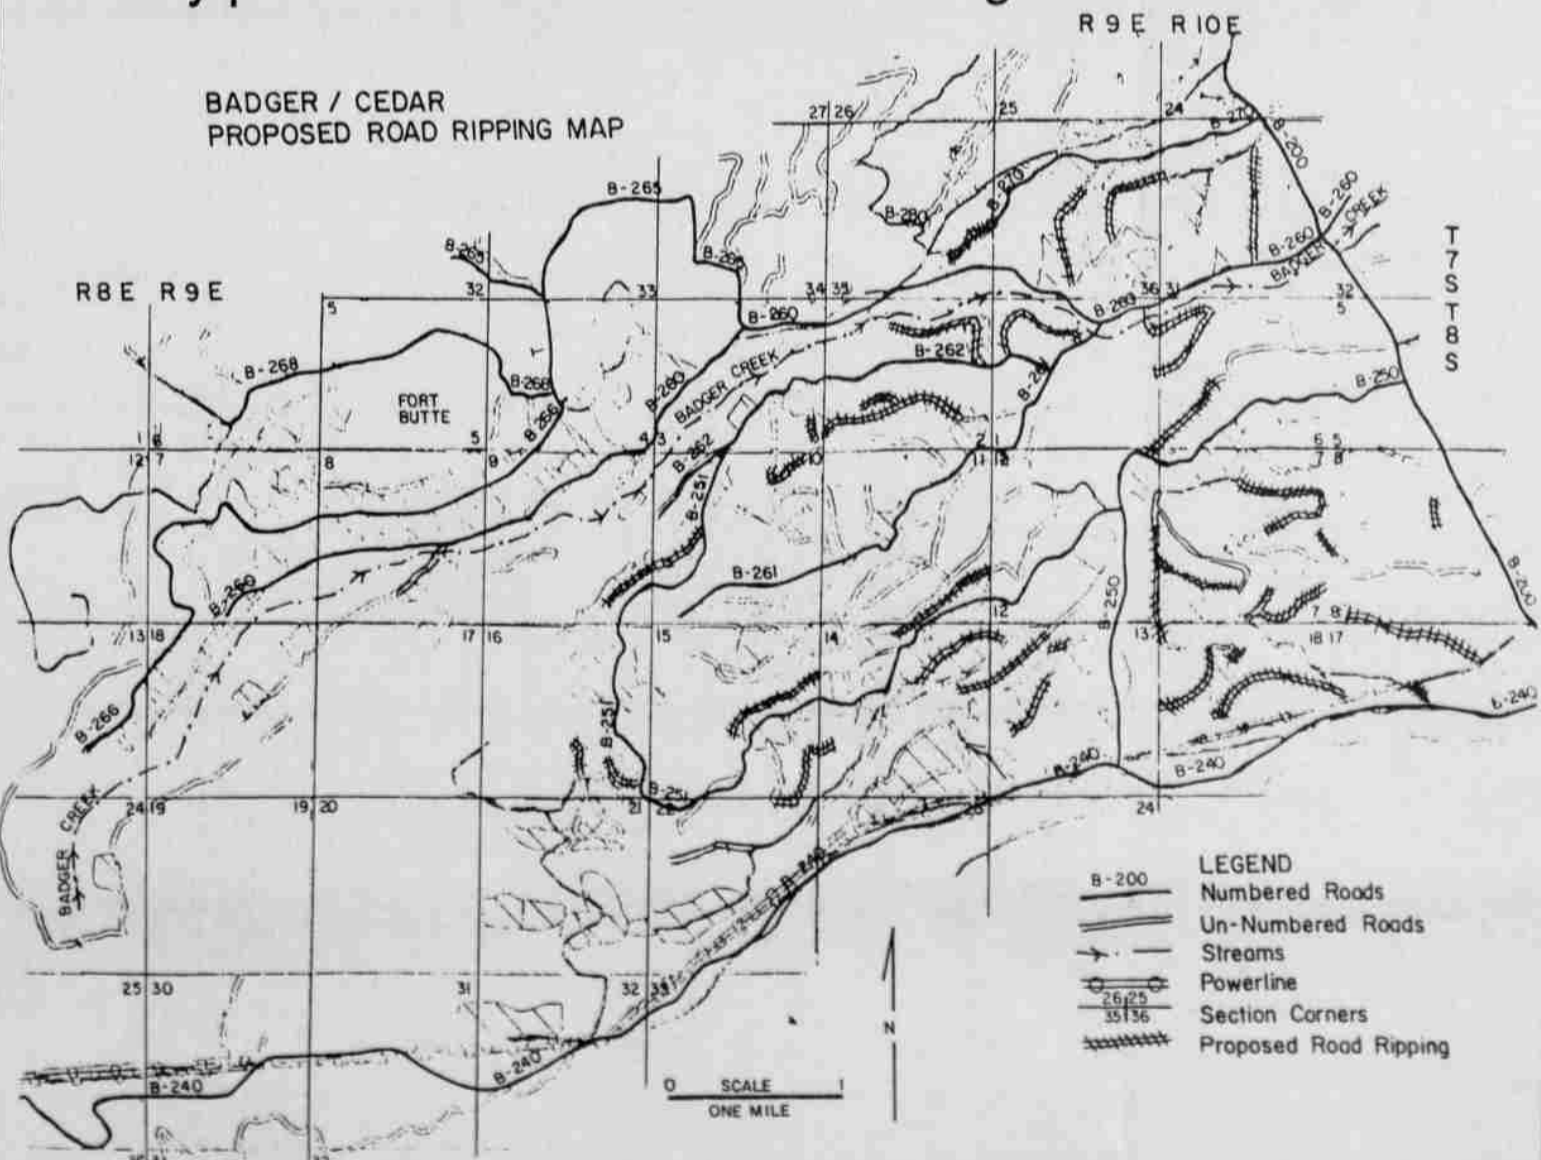

To help these students the Education branch sponsors intensive full time summer program called the "Summer Bridge". It helps students bridge the gap between reservation life and college life. Three classes will be provided that will total 10 college credits. They are College English, Reading and Math, along with Computer Training. Each course will be taught by college certified instructors. Classes will meet daily

from 8 a.m. to 12 noon. Study labs will also be provided. The classes will begin on June 20 and run through August 12.

Summer Bridge is geared for seniors who have just graduated and other students who are going off to college for the first time. The classes will prepare them for any college program in Oregon and most out of State Institutions. Successful completers will be funded by Tribal Education Department to attend the school of their choice as long as they complete all the eligibility requirements.

Summer Bridge is sponsored by the Higher Education Department of the Education Branch and COCC and scholarships are available through this department. For more information please contact Tedi Tanewasha at Tribal Education 553-3311 or John Hicks at the COCC office 553-1428.

### Forestry plans to eradicate roads in Badger Cedar sale area

As part of Natural Resource's continuing program of reclaiming land taken up by unneeded roads, Forestry plans to eradicate roads in the Badger Cedar Timber Sale Area. The reclamation actions would convert compacted bare soil into vegetation covered land where natural processes can resume. The 1992 Integrated Resource Management Plan has provided guidelines for road density in the forested area. Section TX/DC3S states: "Within the commercial forest, average road densities will not exceed 4.5 miles per

section." Those roads identified for eradication will be blocked and ripped with a specially designed plow. The ripped roads will then be seeded with grass by crews from the BIA Branch of Land Operations. Any Tribal member with comments or concerns about this road ripping project should contact Doug Dunlap at the Forestry office, 553-2416, by June 24, 1994.

### Museum offers traditional teachings

DATE	EVENT/PRESENTER
