The White Buffaloes outlast Portland Christian Win League Opener in the last minute 8-3

A debut into the Tri-Valley league for the Madras White Buffaloes proves satisfactory for both the team and hometown fans as they had to come from behind to up end a determined Portland Christian Royal team by the score of 8-3, in a nip and tuck game all the way.

In the first half neither team could cross the goal line as it turned out to be a defensive duel. The Royals were able to put some points on the score board on a fourth and long from a 25 yard fieldgoal to put them out front to lead 3-0, until late in the game when Madras showed they were just as determined not to be outdone pulled the play of the game to score their winning TD. But that wasn't done until after a TD by T.J. Foltz was called back on a holding penalty, than a quarterback sack put them way back to where it looked hopeless for them to get the ball into the end zone.

It was a big decision time and the play they decided to use was a tailback sweep pass which caught everyone by surprise and it worked for their tough down as Wesley Barnes let the arial fly into the hands of McRae where he was in front of everyone and scampered into pay dirt as the Buffs took the lead 6-3. For the PAT it was Quarterback Duncan Brunoe who hit Tony Merritt for the two pointer to give the Buffs the 8-3 lead.

After the kickoff the Royals made some desperation passes which fell incomplete or was knocked away by the defenders. With time running out the Royals went for it on fourth and long, but the Buff defense dug in and wouldn't let them have an inch as the Buffs took over on downs. As the time was ticking away the quarter back got the ball and went down on his knees as time ran out and their first big win in the Tri-Valley league by the score of 8-3.

Jake Suppah a Flanker will be out for quite some time from torn ligaments in the right knee in the first or second play of the game. The game was a hard hitting game as the Royals lost their starting quarterback on their first possession of the ball as he was attempting to pass he was blind sided by an on coming defensive back. He was out for a while and was hauled to the hospital, but the good news was he was up and around a short time later.

On September 30, 1994, the Buffs will have their work cut out for them as the Indians are coming to town. "The Dalles Indians, that is." Last week in their opener they out lasted the LaSalle Falcons to win their opener 34-29, in a squeaker, and a tough game. So this will be a big test for the Buffs in their new league.

At the present time The Estacada Rangers, The Dalles Indians, and the

Madras White Buffaloes all have a 1 win and no losses, Gladstone 0-0, as they were idle in league play, while LaSalle, Portland Christian and Sherwood all have a 0 win and 1 loss record.

Notice: There has been a little

change in the Buff schedule, on October 7, 1994, Central of Monmouth was to come here, but that has reversed, and instead the Buffs will travel to play them on the Western Oregon State College football field in Monmouth. So remember to change your schedules on that date.

Isaac Esquiro, a 1994 graduate of Madras High School, helped coach the 7th grade Madras Junior High School football team before leaving for college at Mt. Hood Community College. Esquiro says he enjoyed the coaching and is hoping to some day become an elementary school teacher.

1994 Pendleton Round-Up and Happy Canyon Provided Plenty of Action

The Pendleton Round-Up always a sight to be seen with all the pageantry of the old west with Cowboys and Indians all dressed up in their Sunday best. Since the first performance in 1911, it's always been the Round-Up, with the phrase, "LET 'ER BUCK."

The top cowboys come from far and near to the rodeo each year eager to vie for prize money, and that championship trophy, also points that will help them get to the National Finals which is held in Las Vegas, Nevada, each year.

This year a local cowboy was nosed out by five tenths of a second for the championship in the team roping. Anson Begay, Warm Springs and Jack Talburt of Prineville were just nosed out by Jake Barnes and Clay O'Brien Cooper a half of a second for the team roping title. The winning time on three head was 27.6, while Begay and Talburt had a total of 28.1 seconds on three head, so near but yet so far away.

Local cowboys bring home the title in the wild horse race as the Jason Smith team came out the champions in that event. There were a lot of top wildhorse racers from all parts of the country. The wildhorse race is becoming a more competitive event in all the rodeos and each year has its own finals for each year. The Jason Smith team is no stranger to the game as they have brought back the National title in the past as the top Wildhorse Racer team in the country. Buck Smith, Warm Springs, was the wildhorse racer stock contractor for the Pendleton Round-Up this year. There were several local cowboys entered in the rodeo this year.

In the big Westward Ho Parade, Lana (Shike) Leonard, was voted the best dressed Indian lady in the parade. The Westward Ho Parade is all non-mobilized, everything is horse or Oxen drawn or people are a-foot. There is nothing drawn with motors at all in this parade. There were many Indian tribes

represented at the round-up from all parts of the Northwest and Canada.

The Happy Canyon is another spectacular event to see as the local Indians and towns people from around that area put on one of the most exciting pageants of the Olden days. Each year there is Princesses chosen to represent the Happy Canyon Pageant all year long, as they participate in many parades around the country throughout the summer until the Pendleton Round-Up.

This year chosen were Shannon Galloway, who is an 18 year-old junior honor student at Pendleton High School. She likes basketball, horseback riding, and school academics. Shannon is the daughter of Katherine Minthorn, and Walker Galloway and is of Umatilla Sannock heritage.

Princess Monika McGuire is an 18-year old senior at Reynolds High

School. Her hobbies are graphic arts, reading, and exercising. Monika is the daughter of Brian and Violet McGuire. She is of Cayuse, Umatilla, Walla Walla, and Palouse heritage.

Princess Monika McGuire, was the winner of the Indian Beauty Contest and the Pendleton Woolen Mills presented her with a Harding shawl plus \$600.00.

Each year during the show there is a pause where all the Indians enter the arena and put on their tribal dances as there are always tribes from all parts of the northwest present. They put on quite a colorful performance with all types of dances. Young and old all join in for the big dance. At the same time the Chiefs of the Round-Up lead a procession of horse back mounted in Indian traditional dress around the arena. The participants for the Indian Beauty contest are also present on horseback

as they make their way around the track. The Indian tribes contribute quite a bit to the famous Pendleton Round-Up each year.

The horse races always provide plenty of action the excitement at the Round-Up, and it was no different this year as the races went on thrilling the

Indian relay race was won by Cardon. The Rolling Acres won the relay race for the entire show.

J. D. was named the All-Around Champion of the 94 rodeo, by earning the most points during the entire show. Denny McLanahan was the champion bareback rider. Billy Ethauer was the

fans from start to finish. One of the highlights was the pony express race as the Rolling Acres team really gave the fans something to cheer about as the rider on the exchange would hang on the side of the horse as it dated out around the track and with one last the rider would swing upon the horse that gave him a large lead over the other riders who were a little slow on the exchange.

The Indian Squaw race was won by Marcellly, the Indian Free For All and

winner of the saddlebronc, Jack Barnes and Clay O'Brien Cooper were the team roping champions, Danny Torricellas won the Steer Wrestling, Adam Carrillo was the bull riding champion, Mike Rudolph and Todd Lowary were the wild cow milking champions, J. D. Yates won the Steer Roping.

Another exciting performance is now in the past as everyone will be looking forward to the next one during the coming year.

After one lap of the Indian Relay race a riderless horse is making his move on the pack. All the races were crowd pleasers all through the Round-Up.
