

Healthy lifestyles, choices presented at Carnival for Health

A Saturday event at the Center introduces community members to ways to improve overall health and well-being

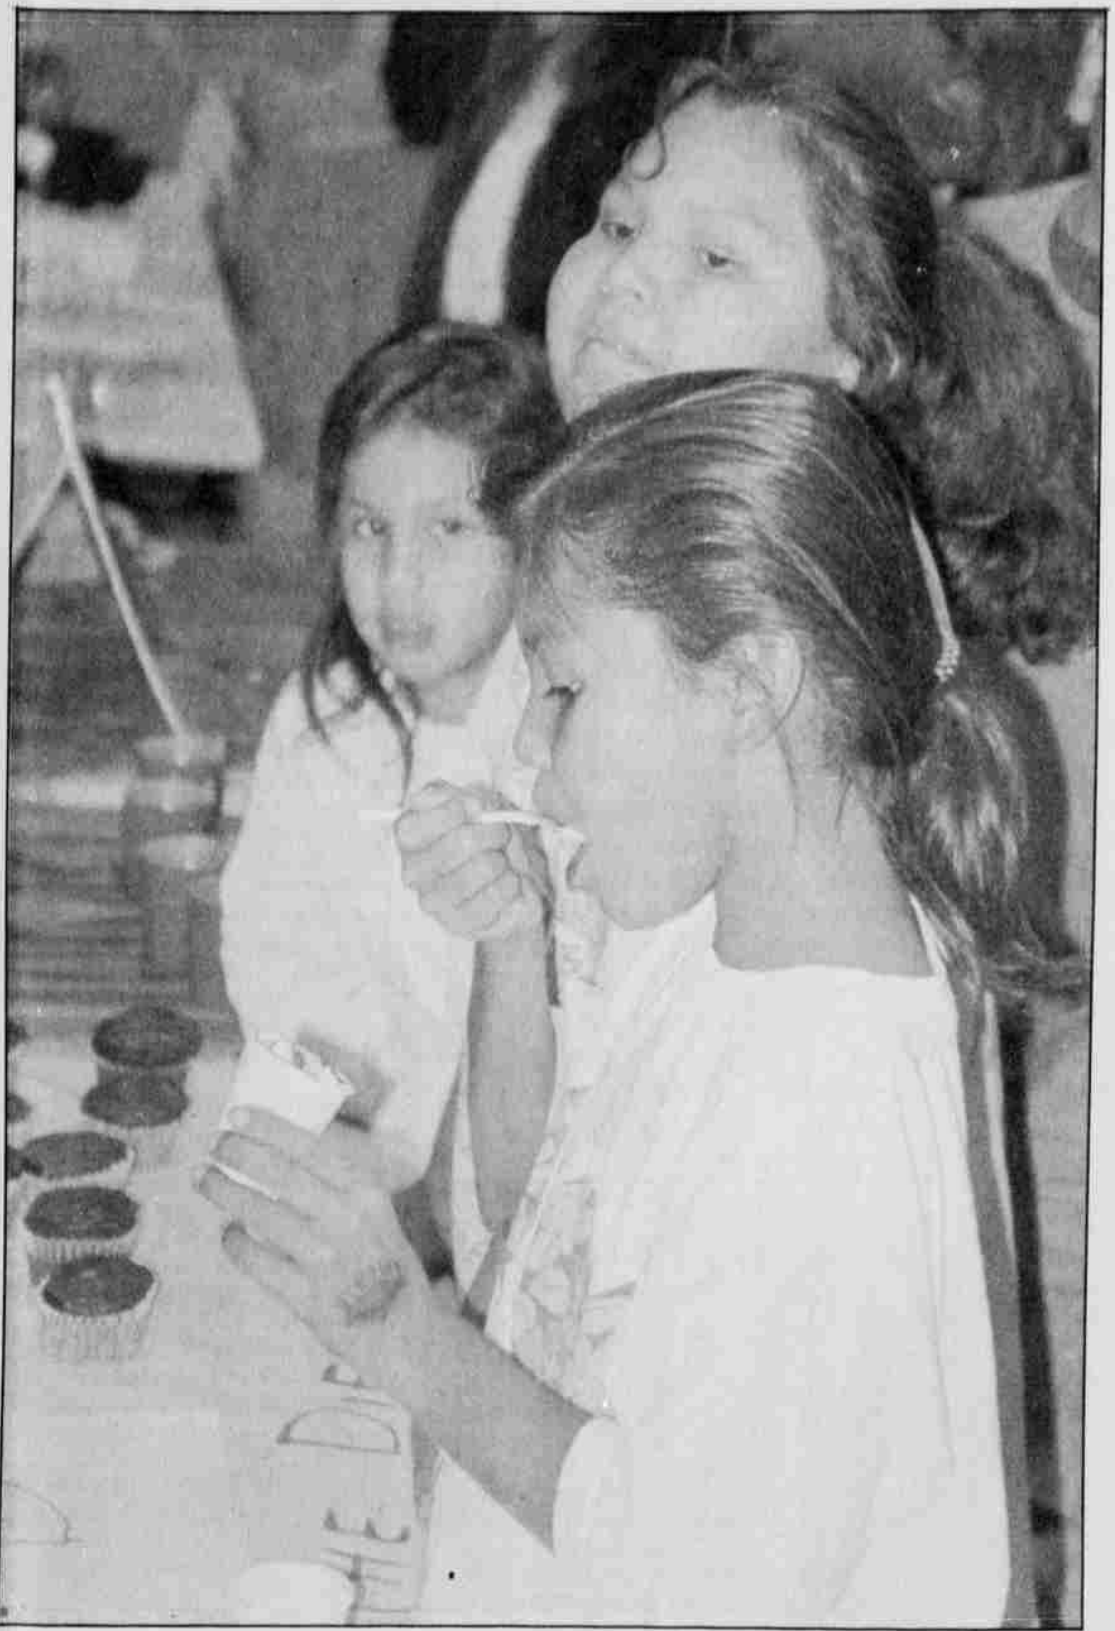

The Indian Health Service dental staff prepared a haunted house which encouraged improved dental care.

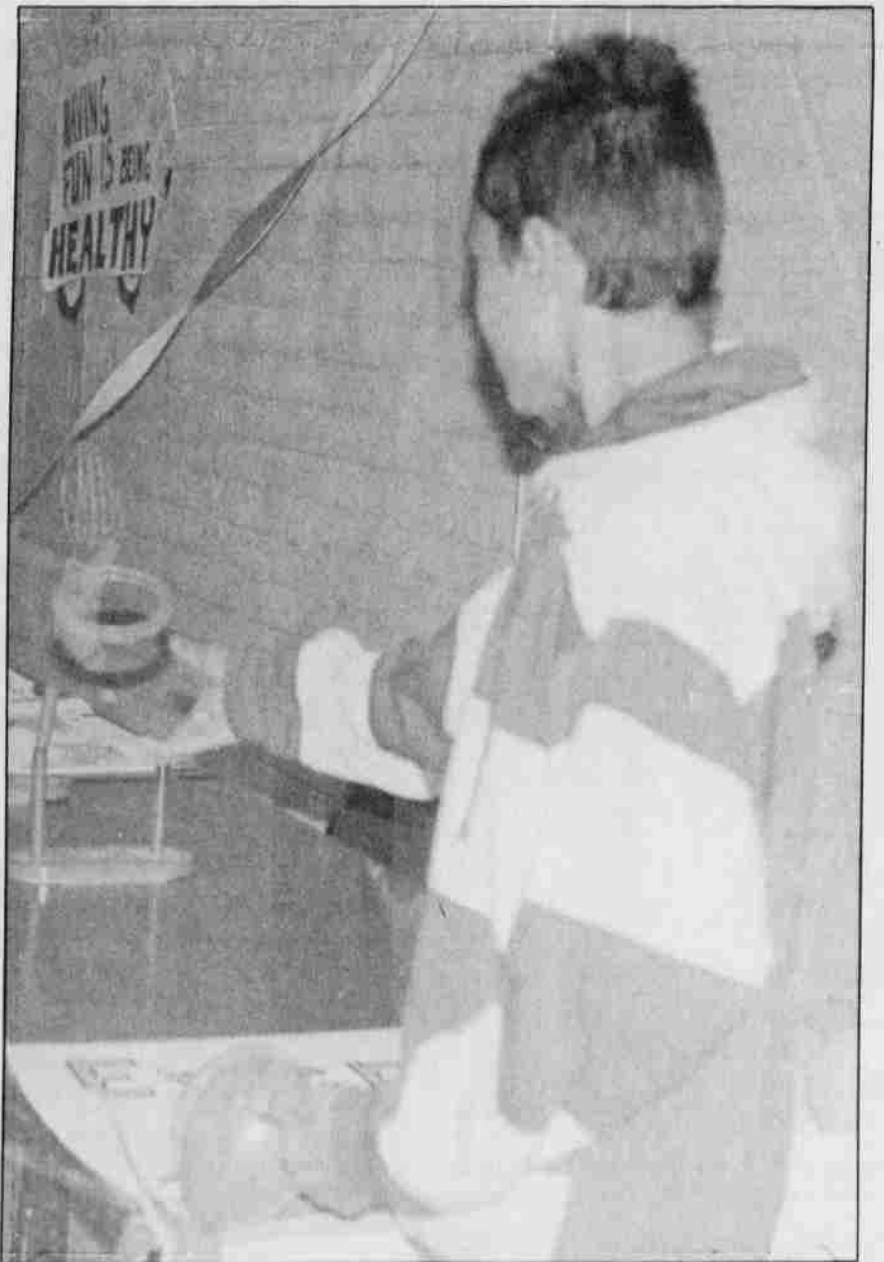

Clowns announced the Carnival early in the week prior to the event.

Clowning around, a youngster gets a new face for the day.

A taste test revealed little difference between puddings made with one percent and two percent milk.

A ring tossed entertained many youth.

 December 19 through 30-No school/winter break
 January 2-School resumes

Warm Springs Elementary chooses school mascot & colors
 As part of the Warm Springs Elementary school improvement plan students recently voted on a school mascot and colors. The new school colors are black, purple and gold. The new mascot is the eagle.
 We will also be taking suggestions from students and staff on naming the WSE cafeteria.
WSE Parent Club needs volunteers
 Are you interested in volunteering at the school, but aren't sure how you can help? Susan Moody is working on organizing a parent club for Warm Springs Elementary School. The following is a list of ways you can assist: 1) Read to 2 or 3 children outside of the classroom 2) laminating 3) cut & paste for bulletin boards 4) help sorting corrected papers 5)

playground supervision 6) field trip chaperone 7) stenciling 8) sharing your story of our field expertise.
 Meetings are tentatively scheduled on the first and third Tuesday of each month. For more information contact Susan Moody at 553-1046.
Don't Panic-Lice a common problem
 School days around Oregon means teachers, parents and students should watch for tiny classroom invaders. "We run into this every year, and the panic that ensues when head lice show up causes more harm than the lice," said Jack DeAngelis, and entomology specialist with the OSU Extension Service. "It's a problem easily solved with special shampoos sold over the counter. There's no need to go ballistic and traumatize an entire classroom of

children with military-type inspections. Just treat the person who has them. People often over-apply the shampoo. The medication in the shampoo causes a skin rash. That's mistaken for lice damage. They medicate again, and so on. Just approach it rationally. It's not that big a deal," added DeAngelis. "Anyone can get head lice." (from an article published in the Oregonian newspaper by the Oregon State University).
Boy Scout's meeting at WSE
 On Wednesday October 26, 1994 at 6:30 p.m., in the Warm Springs Elementary cafeteria, there will be a meeting for boys in grades 1-5 to sign up for boy scouts. Any interested boys, please bring your parents to the cafeteria.
New Afternoon release times for WSE students

The following times indicate the release times for WSE students. Please note that both afternoons times are earlier than last year.
 Grades 1 & 2 are now released at 2:25 p.m.
 Grades 3-5 & afternoon kindergarten are now released at 3:15 p.m.
