fifteen. Her Native Background is Navajo.

She is currently involved in a group called Future Family and Community Leaders at MHS which is coordinated by Diane Duke. Gomes interests include reading and taking care of kids. Her favorite class is Ceramics with Robin Gerke. Her outlook of the past school years she stated, "I think I did good". When she leaves Madras High she will miss her friends the most. She plans to become a Governess (nanny) and attend Governess School in Portland. In the future she sees herself in governess taking care of children.

Aldo Rhoan Garcia is seventeen years old, his parents are Sharlyne and Delbert Garcia of Warm Springs. His grandparents are Liz Rhoan, Wallace and Lillian Garcia. His brother is seven year old Matthew Garcia, his sister is fifteen year old Nicole Garcia. His Native background is Warm Springs, Wasco and Paiute.

He enjoys "cruising" and listening to music on his spare time. His favorite classes are Mechanical Systems with Jerome Mannenbach and math with Paul Brown. His outlook of the past school years he states have been "pretty fun, but I should have tried a lot harder." Garcia is glad his high school days are almost over with, but he will miss his friends

when he leaves Madras High School. His career choice is an Auto and Diesel Technician and he will be attending the Universal Technical Institute in Phoenix, Arizona next fall. He would like to comment to the remaining classmates at MHS, "Have fun but at the same time do your work." In his future he sees himself working, trying to make a living.

Thanksgiving is already behind us and the hyper-speed rush toward Christmas is underway. With time slipping by at such a frantic pace an early reminder of some very significant upcoming COCC dates seems in order. The unusual nature of the calendar for this year's holiday season will cause some deadlines to come up very suddenly. For instance, Winter Term for anyone involved with credit classes or ABE/GED begins January 3, 1995. This means that persons who plan to attend classes in Bend must register between December 14-28. Incidentally most other colleges in the state will have similarly tight deadlines.

Community Ed classes here on the Reservation will begin the week of January 9, 1995, with registration slated to begin a week earlier.

The second term of the six term Employee Development Program that features phase two of the Accounting component also gets underway

January 3, 1995.

Student Success Strategies a class that is a requirement for any enrolled Tribal member who wishes to be eligible for Tribal Scholarship funds to assist in financing their college or vocational plans will begin in late January. Applicants for this class must sign up at the Education Branch Office as soon as possible.

Thanks for help

Bobby and Becky Brunoe thank everyone who came out in the cold rainy weather to help free their cow, which was stuck in a cattle guard. Thank you fire & safety for using jaws of life, which saved our cow's life. Miss Cow is fine.

Vote against the December 27 gambling ballot

Big time conflict of interests. I think you know that big time gambling is not a clean business. There are more sacred things in this life besides money.

We have a nice, wholesome, liveable, community here in Warm Springs. We don't need gambling. Gambling will bring with it all sorts of social ill...more drugs, more alcoholism, more broken families, more people selling themselves, etc. etc.

Fast, dirty money and long term social problems. Crime thrives in economic, social & political dishonesty, unaccountability...

We are being ripped off & used in more ways than we know. I think it is time for you, the Indian people of our Warm Springs Confederated Tribes to use your power to vote no to gambling.

Why risk what our elders built for

Vote against the December 27 gambling ballot

To the editor,

Good morning Warm Springs. Water rights, fishing rights, hunting rights, timber rights, human rights, root gathering rights, huckleberry picking rights...ect...ect. Now we are going to vote on gambling. Why risk all the generations of sacrifice and hard work by our elders to create a better life for their children. To create a livable, wholesome, community for all families to live in, by bringing in gambling.

Gambling is wrong. This is a dirty business. Gambling destroys people. Big time gambling will attract big time thieves, crooks, fraud, racketeering.

We are moving too fast, fiscally, for our own good. I think we should stop. Take a time out to regroup, clean house. Get rid of all the so called experts, managers & lawyers that we pay to rip us off. Talk about

us. We have a wholesome, vibrant, economically stable community. Even with our present problems, we have a good community.

The dollar isn't everything. To selfish, greedy, money sick, power grabbing, sell outs who are willing to bring this sick gambling business to our home isn't good. Gambling will destroy our people, our community. Vote no on big time gambling. If you, choose to associate with whores, pimps, thieves, crooks, drug dealers, etc...go to Reno or Las Vegas...why bring this sick business to Warm Springs? We don't need gambling.

We Indian people must protect ourselves. Is it so hard to accept the reality that nobody cares about our Indian children's lives except our own Indian people... Other people take care of their own & I think it time we take care of our own.

Use your voting power to vote no to big time gambling. Let's stop & think about the long term effects. Look behind the dollar signs as our grandmother & grandfathers did for us.

Thank you for taking the time to read my thoughts.

I'll be the first to admit that I have made a lot of mistakes in my life. This doesn't stop me from caring & loving our people & community.

Gambling is an evil, wicked way to live. We don't need to bring this evil, on a big time basis, to our community of Warm Springs.

Vote no on gambling, you will never regret it. Enjoy the holidays, take care of our children, elders, our family. We are all people...count our blessings. I care for our people & community.
