## Employee recognized

The Warm Springs Composite Products would like to take this time to recognize our Employee of the Month. This award went to Tommy Gilbert.

Tommy has been selected for the Employee of the Month award by the following criteria:

- Safety in the workplace
- Quality of work
- Production quantity
- Attendance
- Personal initiative
- Attitude
- Cooperation with fellow employees, lead people, supervisors, and management.

Looking for that perfect something for the perfect Christmas gift? The gift shop at The Museum at Warm Springs has a large selection of beaded wallets, hair barettes, earrings, tie tacks, necklaces, buckles and bags. You can also find Pendleton items, silver jewelry, books, note cards and stationery and much, much more. Before leaving home, stop by the Mueum for a quick look.

## EMTs strive to improve safety, delivery of services

I didn't plan to get involved in the pre-hospital health care field when I moved to Warm Springs from St. Ignatius, MT in May of 1988. I am an enrolled member of the Confederated Salish & Kootenai Tribes of the Flathead Reservation and I had originally gone to college to get a teaching degree; however, life has a way of making a person change their plans.

**Sharon Orr**

When I moved to Warm Springs to take a position with the Forestry Branch of the BIA, my brother-in-law was the Fire Chief. He talked me into volunteering with the department. Once I got a taste of the emergency medical field, I was hooked. I have since received my certificate as an EMT-IID and am enrolled in the Paramedic Class through COCC starting in September. I am looking forward to the class and the hours involved in attaining the highest certificate one can receive in the Emergency Medical Technician field.

I do not take this career lightly. I have been volunteering with the Fire & Safety Department for the past five years and was voted Emergency Medical Services Provider of the Year for 1992. I enjoy helping people in that first "golden hour" following a

 14 oz plastic tumblers 500/case Reg. \$29.39 now \$20.

serious accident or illness, knowing that my skills and knowledge can make the difference between life and death. It also means that I must continue to learn and stay current with the latest developments in the emergency medical field.

I have strong ties to this reservation, not only through my family, but through the friends I have made since moving here. My mother, sister, brother and daughter live and work here. Because of the love I have for my family, I want the best in medical care for them should they ever have an emergency. I feel I can give something back to my family, friends and the community of Warm Springs by becoming the best EMT I can.

I believe that I have chosen the most rewarding and fulfilling career anyone can have. It is hard, exhausting and sometimes frustrating work, but the pay-off comes when I see that patient recover from an accident or illness and know that I truly made a difference. Deciding to become an EMT and volunteer with the Fire and Safety Department is the best decision I ever made.

**Sharon Orr, EMT-IID**

I work in the Public Safety Department. My full time job is being a Police Officer, I also volunteer for the Warm Springs Fire & Safety. The department had asked me to volunteer, one because I am stationed out at Simnasho and that it is such a rural area with only a few people to volunteer out there. In February of 1994 I started to attend all the Wednesday training sessions that are held at the fire hall. I am currently enrolled in the Basic EMT Class in Madras.

**Howie Patt**

Hello, my name is Louella M. Heath. I am 23 years old, an enrolled member and lived here all my life. I have a little family and they are William J. Bagley and our son JaimeRae L. Bagley. There are many reasons for my interest in the medical field, but only a few to tell. I worked at the Warm Springs IHS for three years as a Pat. Reg./Billing clerk. There, I received training on how to deal with people to medical terminology and being able to work with doctors, dentists, nurses, pharmacists and all the technicians. This is where I was introduced to the medical field. It was very interesting and fun.

I moved to Range & Ag Secretary to try something new in life. After changing jobs, I had a little bit more time on my hands. With this time, I

**Louella Heath**

## Apologies

To the community of Warm Springs, I apologize for Contributing to a minor. My sincere apologies to the parents.

Sincerely,  
**James Arthur**

I, Nesbah Yazzie apologize to the community for driving under the influence July 19, 1994.

Truly,  
**Nesbah Yazzie**

wanted to see what it's like to ride in the ambulance and fire trucks (and not be a victim or patient). In January 1994, I volunteered for Warm Springs Fire & Safety. It is kind of hard to deal with when you know or are related to someone whose house burnt down or get into serious accident. The reason I deal with this is because my son and I have had medical emergencies and there was always an EMT there for us when we needed them the most. They cared and gave a lot of support. Sometime, somewhere in the near and far future, someone may need me and I want to be there to help them the way we were helped in the past. I am currently enrolled in an EMT Basic Class with COCC. Which are taking place at Jefferson County EMS, in Madras from May to September of 1994. I would like to take this time to say thanks to all my family and friends for supporting me and having patience with me during this course.

This type of work is very difficult and sometimes scary, but when it comes to putting our lives on the line to save a house and most important, a life, it is a very big accomplishment and it stays in the heart. We do the best we can for the community, we try to make a difference. And sometimes myself and others in this field just need a pat on the back, maybe a wave or hello and even a good hand shake to relieve some of the stress and feelings that are kept inside. When there is nobody to help you in an emergency situation, no matter what time of the day it is, WE AS A TEAM WILL ALWAYS BE THERE FOR YOU.

## Legal Notice

DMJ Automotive Petitioner vs. Tim Greene Respondent  
 Summons For Publication  
 Case No. CV271-94

To Tim Greene  
 You are hereby notified that a petition for Civil Complaint has been filed with the Warm Springs Tribal Court.

By this notice you are summoned to appear in this matter at a hearing scheduled for 11:00 a.m., on the 22nd day of December, 1994, at the Warm Springs Tribal Court. All of the facts of the case will be heard at this hearing, including evidence you wish to present.

You must appear to present your argument or the other side will automatically win. The Petitioner, DMJ Automotive, may then be given all that is asked for in the petition.

The Petitioner will be present at the hearing. If you desire to personally argue your side of the case, you may have a legal side, spokesperson or attorney appear on your behalf at your expense.

If you have any questions, you should seek legal advice immediately.  
 Dated at Warm Springs, Oregon, this 29th day of November, 1994.

Walter Langness, III  
 Judge, Warm Springs Tribal Court
