Smith plays basketball on JV and Varsity teams

Shasta Smith, plays an unusual part in the MHS girls basketball program—she holds positions on the varsity and junior varsity teams. This in itself, is an accomplishment, add

the fact that Shasta is a freshman, and you've got a great accomplishment. Smith has been playing basketball since she was in the third grade. She likes basketball because it is fun,

exciting, entertaining and competitive. Smith will try out for the team to play basketball until she is a senior in high school and after that when she goes to college.

Smith played for Ronnie Suppah's team, Lady Vols, for about four years, then played for the Columbia River Bears, coached by Foster Kalama, for one year. Smith said she was surprised that she was chosen to play on JV and Varsity Basketball team for the high school. She feels good about making the team and feels a sense of accomplishment for the many years she has played basketball.

Smith does not let it affect her education, she gets As and Bs in all her classes. She likes English because it's easy and she likes to write.

Her father and her older brother have both played basketball. Smith has a six-year-old sister, Shayla, who would like to follow in her footsteps and play basketball. Shayla said that she was going to be better than her big sister.

Smith's father is Frank Smith, "Footer," who is a the Lieutenant of Corrections for the Police Department. Her mother is Shirley Smith, who is a CNA at the Health & Wellness Center. Smith's mother was born in Arizona, but is enrolled in Ft. Peck. Her paternal grandparents are Claude Smith and the lat. Victoria Smith, both from Warm Springs. Her maternal grandmother, Marie Eder, is from Arizona, and her maternal grandfather is the late Sweed Eder from Ft. Peck Reservation in Montana.

Smith has also participated in Cross Country at Madras High School this school year. When she was a little girl she Indian danced and played T-Ball and softball, and today she still enjoys playing softball during the summer months and going to powwows to watch the dancing.
