**Early Childhood Education news**

Greetings from ECE! It's unbelievable that May has already begun. It signifies the school year coming to a close. Our children have grown and developed another year.

First of all, thank you parents for the time you donated to our program in April. There were so many of you who put so much effort into making costumes for the parade, helping out with the Penny Carnival, bringing animals for Zoo day, and just volunteering your time; it is always great to have you join us. Special thanks to our ECE Parent Club officers Sheila Wahnetah, Patsy Lenbek, and Shirelle Thomas and parent, Paula Miller for the extra time they put in planning activities for the Week of the Young Child. You ladies are irreplaceable.

CPS staff, you guys were instrumental in running the Penny Carnival. We couldn't have done it without you! Especially Liz, thanks for your input at our meetings. We hope you join us again soon!

**Parents of the Month for April**

**Parenting classes held**

Parenting classes continue to be held every Monday from 10am-12pm at ECE in Pod C. Any parents are welcome to come to any of these sessions. We need your input.

**Special Recognition to parent**

Special Recognition needs to be paid to Head Start parent Rachel Smith for her quick actions after the parade on Friday April 28th. She noticed that a child was choking on a piece of hard candy so she used the Heimlich Maneuver to expel the candy from the child's mouth. Her quick thinking and knowledge of what to do in this situation saved the child from choking. Thank you, Rachel!

**Last powwow on June 2**

The last pow-wow for this school year is scheduled for Friday June 2 at 10:00am. This will be held at the Agency Longhouse. We look forward to a big turnout of parents.

**...To do it over again**

**If I Had My Child To Raise Over Again**  
 If I had my child to raise all over again,  
 I'd finger paint more, and point the finger less.  
 I'd do less correcting, and more connecting.  
 I'd take my eyes off my watch, and watch with my eyes.  
 I would care to know less, and know to care more.  
 I'd take more hikes and fly more kites.  
 I'd stop playing serious, and seriously play.  
 I'd run through more fields, and gaze at more stars.  
 I'd do more hugging, and less tugging.  
 I would be firm less often, and affirm much more.  
 I'd build self-esteem first, and the house later.  
 I'd teach less about the love of power,  
 And more about the power of love.

**Thanks for support**

To the editor,  
 I and my wife and the Iron Bears would like to give special thanks to all those who sponsored the WSCRIB tourney. Your contributions are greatly appreciated. Without you the awards and refs could not have been paid. You have also given our youth and community an activity to participate and enjoy in.  
 I also would like to thank the WS Museum for the gifts and tour of the Museum toward the Winnebago, NB tribes team. The youth will long remember our culture. A special thanks to Chaz and Robin Mitchell for the hospitality and Aunt Bernice Mitchell for the entertainment of her great story telling. Terry & Randy said that they enjoyed your stories and all the food that was prepared by Robin and family. Thank you Ken-man and Delson for letting the girls from Neb. air on the KWSO. The girls enjoyed it. Benny Heath, thank you for touring the girls through the Administration.  
 And a special thanks to Roland & Verleen Kalama for taking care of the books & clock. Thank you always for being there, love you brother and sister-in-law, and the same for my older sister Tina Aguilar, also Sam Kentura.  
 In concession all the hard work of my wife and Flora & Rachel Frank, Barbie Jackson and Fred Holliday, Robert & Ben Holliday my nephews for staying after to help clean up the gym when they didn't have to. You guys are greatly appreciated. I would like to thank the refs for helping pick the Sportsmanship and taking a lot of headaches. I feel also at this time
