## Early Childhood Education news

Greetings from ECE! Hope everyone is having a good start on summer events especially getting those vacation plans under way. We would like to thank all parents who put so much effort into making their child's graduation a memorable event. We are going to miss the grads, but it's time to move on to bigger and better things; good luck!

Thank all of you parents who contributed your valuable time to our program throughout the school year. You are the reason it was successful. Parent Club had agreed to give gift certificates to three parents who contributed the most time to their child's class in Head Start. We'd like to acknowledge the following dedicated parent volunteers: **RACHEL SMITH- 216.5 HOURS** Rachel came in and helped out in so many ways and just was very involved in her daughter's class. For all her volunteered time Rachel will receive a certificate for \$25. **LOIS SMITH- 94 HOURS** Lois was involved in her children's class and at home she had a child in the center base and she also had a child enrolled in our home base program. She volunteered in classrooms her children were not even in!

Lois is also an active member of the Parent Policy Council. She will receive a certificate for \$15. **ARLENE WINISHUT- 55 HOURS** Arlene had a child enrolled on our Head Start part day program. She helped out in whatever way she could by coming to holiday parties, classroom special events, and just whatever days she could make it to her son's classroom. Arlene will receive a certificate for \$10. We appreciate all of the time any parent came in to contribute to our program. This year there were over 200 parents and community members who volunteered or contributed to our program in some way and for that we are thankful. Our programs are more successful when we have the input and effort of our parents. Keep up the parent involvement and thanks for your support of the Head Start program.

It's reached the end of the school year and that means it's time for the children to transition to the next class. ECE will be closed Monday July 3rd in order for teachers to prepare their classrooms and paperwork for the new children who will begin in their rooms Wednesday July 5th. When the children move up we need parents to update authorized pick up and emergency contact information. Those parents who have children who will change programs Strider->Head Start, or Head Start-> Kindergarten should already have filled out new

registration packets and taken the children to get a physical and any necessary immunizations. Remember to talk to your child about the upcoming transition. It will also be helpful if you know your child has a difficult time with change, to get him/her to school a little earlier so you can stay with him/her for a few minutes or even longer to get used to the new room and new teachers. You can bring them in to visit even before the transition actually takes place. Some classes take the children to visit the rooms they may be going in to, but it won't hurt for the parents to go with the child too, and let them become familiar with new surroundings. If parents have any questions or concerns it would be a good idea to speak with the teachers before the child begins in the new room. It is also a good time to get to know the teachers better and share your ideas and expectations for the coming year.

**Barbecue and Open House honoring Dr. Tom Creelman Friday, July 21 12 noon and throughout the afternoon**

Children go through lunch line to pick up their meal.

The Summer Food Service Program is a USDA child nutrition program offering meals to children in camps, parks, and other areas where large numbers of children are involved in activities where meals are needed. The program is being offered through the Warm Springs Community Center/Recreation Program to all children 18 years old or younger. Lunch will be served to all children beginning through August 11. Meals will be served from 11:45 a.m. to 1:30 p.m., Monday through Friday.

The Summer Food Service Program is a children's program and adults may not share food from a child's meal. If a child is too young to eat the entire meal, wrapped food may be placed on the special table or the uneaten portion of the meal must be thrown away.

**Andy Leonard & Austin Greene** (CC staff dropping in for assistance) and anyone we mistakenly missed, we are sorry and very much appreciate what you did for us.

The hardest task was to get the transportation to the out-of-town tournaments for our teams.

As coaches, we emphasize the importance of education, we try to remember to ask each and every player what their grades were for the last quarter. We also emphasize that we hope to see them playing in High School ball some day, which the student has to be a "C" student or better. We also emphasize the importance of sportsmanship and team playing. How they can win more often if they're there to have fun and be a team player.

Parents, next year we will be changing to our 10 & under coed team to a 10 & under girls team. So next year you boys that were on our coed team will need to look to join a boy's team.

Team picture didn't come out in newspaper style, they were too dark. For next year's information or any information, contact us at: Joyce Suppah; PO Box 387; WSO 97761 Thank you very much! **Lorraine Suppah and Joyce Suppah**
