Madras White Buffaloes Bounce Estacada Rangers 14-6, in final game of season

What a way to go, in closing out the 1995 football season for the White Buffaloes. It was obviously the Buff night as they beat the Estacada Rangers 14-6, on the home gridiron. Despite a losing season this win couldn't have come at a better time for the kids, especially those who will return next season. But it was cold, cold but there were a few who braved the zero weather to see the Buffs win the final game of the year.

With that win put the Buffs in a tie with the Estacada team in league standing with a 1-5 record, and this was their first Tri-Valley win in football. After so many near misses the Buffs finally put this one together and had a good night both ways defensively and offensively.

The whole team did a great job and things seemed to work for them and the score might have been a lot better for the Buffs, but some bad breaks, mis-ques and turn-over's near the goal line kept them from scoring more Td's. They moved the ball well with the running game, grinding out the yardage per carry. The Rangers were all set up for the

Madras passing attack and kept them at bay in that department as they picked a few crucial passes stopping the Buff offensive drive toward the end zone.

The Buffs threatened to score on their first possession of the ball but bogged down on a pass interception, as they were moving right down the field with some good runs by the Buff backs. The first quarter was a deadlock at 0-0, but in the second quarter the White Buffaloes hit pay dirt as T.J. Foltz ran the ball in from one yard out, and with the kick good the score was 7-0 for the Buffs, and that's the way the score stood at the intermission.

The second half got underway as the Buffs kicked off to Estacada who was determined to get back into the game moved the ball pretty well but were unable to get to the goal line as the Buff defense stiffened up when they got into their territory to keep them from scoring. Later in the third quarter the Buffs moved the ball down the field in fine fashion to the one yard line and they called on hard running back T.J. Foltz who had a foot race to the

corner to get over the goal line ahead of the defenders for the score. Again the kick was good and the score stood Buffs 14 and Estacada 0. Gave the fans a chance to cheer.

In the fourth quarter the Rangers were not to be denied as they put everything they had together on some unbelievable catches on their march toward the goal line and late in the fourth quarter they were able to get across the goal line. Their kick went wide and no good to leave the score 14-6. The rest of the night the teams battled head to head with the Buffs holding on to their lead and the win for the final game of the year.

Next year the Buffs will be with out the services of seniors T.J. Foltz, Justin Huggins, Wesley Barnes, Ramiro Pineds, Todd Weigand, Travis Stanfill, Justin Tom, Nathan Kari, and Kevin Guiney, who will graduate this school year. But there was a good crop of Freshmen, Sophomores and Juniors who saw plenty of action who will be returning for the next season.

Central Oregon High School Round-up

Bend Lava Bears

With the football season coming to a close for another year there are some hopes for a state title to come here to Central Oregon. The Bend Lava Bears have a good chance as anyone at State. At the present time they are on top of the Inter-Mountain league standings with a 6 win 0 loss record, the only unbeaten team in the league. Bend Lava Bears will play Barlow the No. Three seed from the Mt. Hood Conference here in Bend on Friday night.

In their final game the Lava Bears out ran the Redmond Panthers by the score of 40-18, to clinch their unbeaten record and the winner of the Inter-Mountain Conference.

The Lava Bears have a pretty balanced attack on the ground and through the air. They mix their plays pretty good to keep the opponents on their toes all the time. They have good speed and a good passing game.

Mountain View Cougars

The Mountain View Cougars squeaked by the Hermiston Bulldogs for the win in their last outing to gain a spot in the play-offs. They got by the Bulldogs by the score of 28-25. They put their running game

into effect and had a good defensive night against the Hermiston Bulldogs. But they had to come from behind to gain the victory over the pesky Bulldogs. This gives the Cougars a 5-1 Conference standing and the No. 2 seed from the Inter-Mountain league. The Cougars will play the Lake Oswego Lakers, here next week.

Pendleton Buck-A-Roos

Pendleton who finished third in the Conference and made the state play-offs with their record of 4 wins 2 losses to gain the No. 3 seed. The Buckaroos have a good running game in Adam Hawkins who ran for four touch down against the Crook County Cowboys. Hawkins is a ball carrier who if given a little day light can make things happen.

Minthorn of the Buckaroos kicked 5 PAT's during the game.

Redmond Panthers

The Redmond Panthers were in the running for a time but some setbacks set them out of contention. They were rated No. 4 in the state for a couple of weeks during the regular season. The panthers can be a team to watch next season as there

will be plenty of boys returning.

Crook County Cowboys

The Crook County Cowboys just didn't have the horses this year to get into the contention of things. A building year for the Cowboys as they ended the season with a 0 win 6 loss season.

White Buffaloes

The Madras White Buffaloes who had their downs more than ups finished strong beating the Estacada Rangers on their home field 14-6, to close out a disappointing season. But the win was a big boost for the young White Buffalo squad who will return many starting players next season in the 3-A league. The Buffaloes are in the Tri-Valley league which was won by the LaSalle Falcons, of Milwaukie, with a 6 win and 0 loss record. The Gladstone Gladiators capped the number two spot with their record of 5 wins and 1 loss. The Sherwood Bowmen sewed up the No. 3 spot with a 4 win 2 loss record as they were just ahead of The Dalles Indians who hit the 500 mark with 3 wins and 3 losses for the season. Portland Christian, The Madras White Buffaloes and Estacada

Rangers all ended up with a 1 win 5 loss record.

Sisters Outlaws

On Saturday the Sisters Outlaws bombarded the North Marion Huskies 54-14 to end their regular season, and a final record of 2 wins and 5 losses in the Capitol Conference.

Winner of that league was Central who had a 7 win 0 loss record. Sweet Home second with a 6 win 1 loss, third was Cascade with 5 wins and 2 losses. Molalla next with 4 wins 3 losses, Woodburn 3 wins 4 losses, Sisters with 2 wins 5 losses and North Marion 0 wins 7 losses.

LaPine Hawks

LaPine rolls past Creswell by the score of 48-0, to get their only win in league play in the Sky-Em league. The winner of that league was Junction City with a 7-0 record. Pleasant Hill with a 6-1 record Elmira had a 5-2, Marist 4-3, Sutherlin 3-4, Glide 2-5, LaPine 1-6 and Creswell 0-7.

The football season was pretty tough in some leagues but there were some games that could have gone either way, but with just some bad breaks they went the wrong way. All the schools will have a good basketball season.
