

Second Annual Bike Rodeo attracts nearly 300 bicyclists for repairs, decorating and parade

Close to three hundred community members attended the Second Annual Bike Rodeo, held June 1, at the Warm Springs Community Center. Sponsored by the Community Health Education Team and Tribal Sanitarian.

Bike helmets were distributed to adults and children of all ages. Those who did not receive one were put on a list.

There were bicycle repair booths, bicycle safety booths, bicycle decorating and random drawings for bicycle prizes. A bicycle ramp was fun for the cyclists. There was also face painting for the children.

Drawings were held for bicycle flags, pumps, repair kits, and a boys bicycle and a girls bicycle. Winner of the boys bike was Randy Felter and the girls bike went to Miranda Blueback. Other free items given away were water bottles, whistles, frisbees, bouncing balls.

In the afternoon there was a barbecue luncheon free to the public.

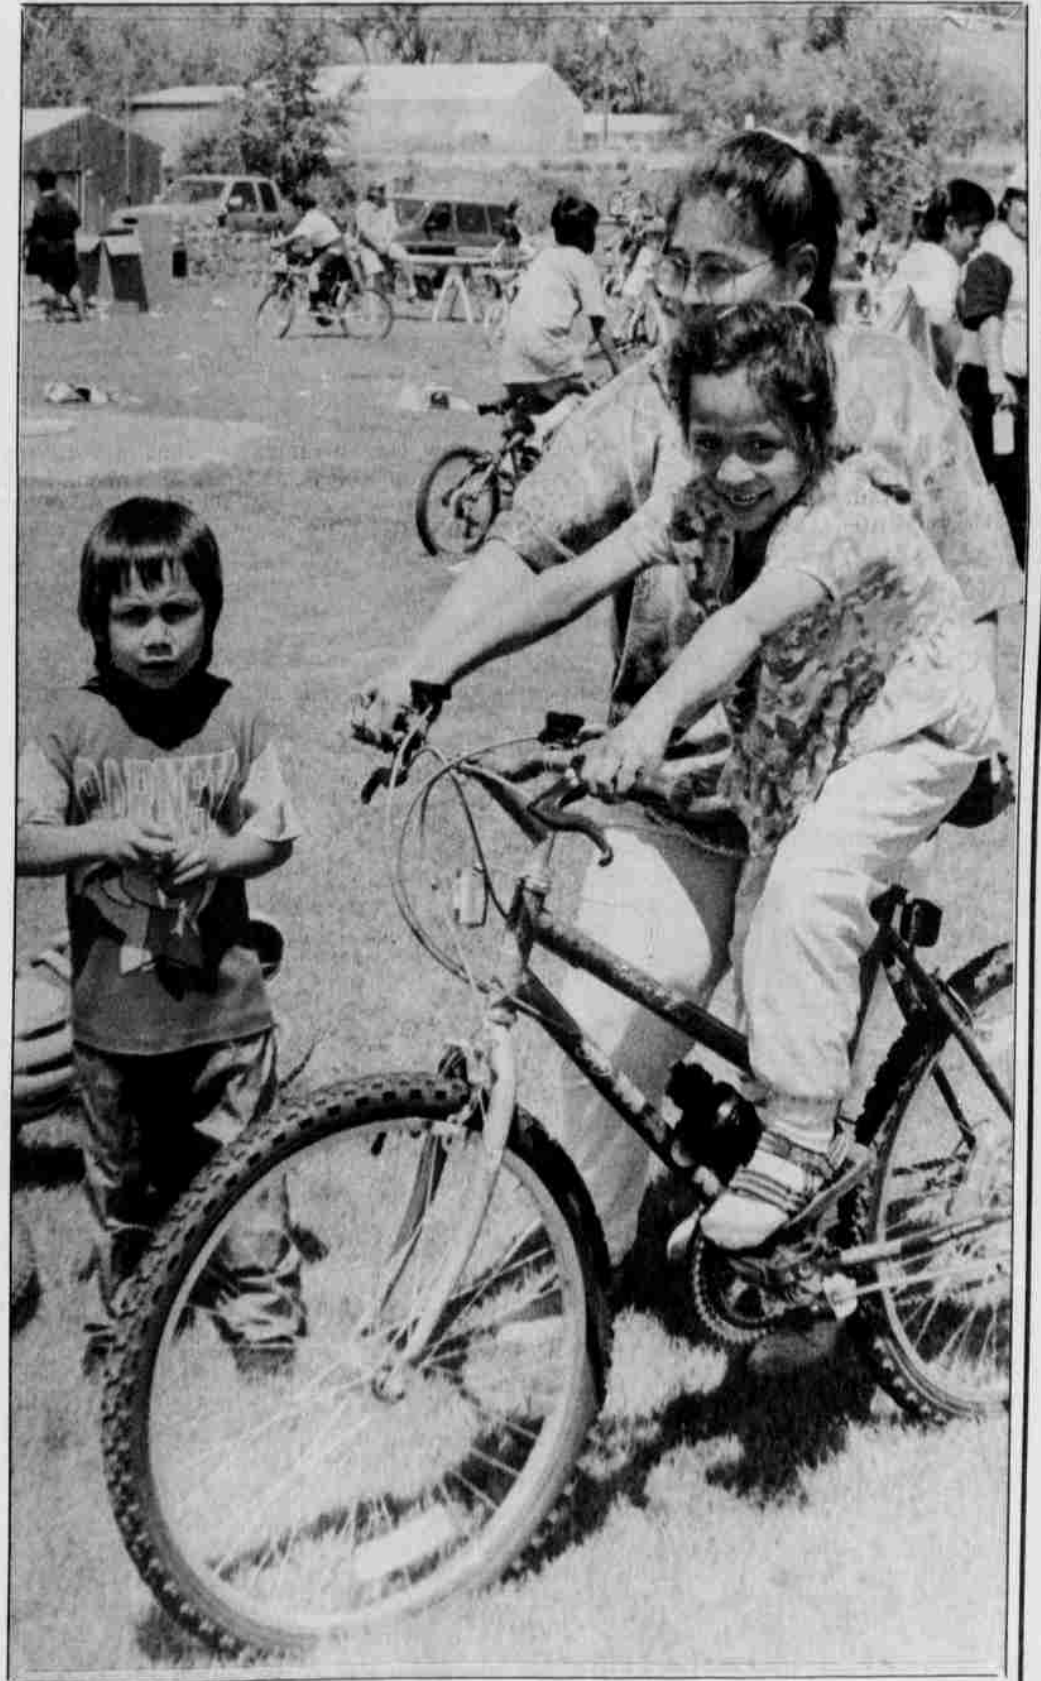

The bike rodeo ended with a bicycle parade.

Bike parade ended the Bike Rodeo.

Bikes were decorated by children and their parents.

Miranda Blueback was the winner of the girls bike.
