The Jefferson County Major League All-Stars, boys, finished the state tournament with a record of two wins and two losses. "JC has not had such a good showing at the district tournament since the 1976 Championship team," stated Assistant coach Kevin Story. the losers bracket. Up next for JC was Hermiston with the winner playing The Dalles for championship. The game started out fast for JC, they scored three runs, two by back-to-back homers. JC scored once more and after three innings lead 4-0. Hermiston rallied to score six runs in the top half of the fourth. JC came right back to even the score at 6-6 after four innings. Both teams did not score in the fifth inning. Hermiston got two runs in their half of the sixth. JC could not rally and lost by the score of 8-6.
