Bufs win 1st league game

The Madras White Bufs came away from Estacade with their first league win last Friday, September 20. The win improves their record to 2 wins and one loss this season.

The first half was a defensive game with no team having any luck moving the ball. The score was 0-0 after two quarters of play.

In the Third quarter the Bufs final put to gather a drive resulting a touchdown. Jose Garcia scored from eight yards out, after a key 4th down 15 yard pass to Scott Riddle, making the score seven-zero with one quarter to play. The fourth was played the same as the previous three the defense

dominating. Until Madras running back Seth Harris made a great run of 32 yards to the 1 yard line of Estacade. Michael Kirsh then ran it in from the one, Madras missed the extra point attempt making the score Madras 13-Estacade 0. Coach Deloretto stated "The defense held Estacade to 83 yards rushing, they did excellent job, I am proud of the way they bounced back from last week."

Keller Chistensen was the Bufs leading rusher with 69 yards on 19 carries.

White Bufs lose home opener

The Madras White Buffaloes hosted Seaside on September 13. This was the first home game for the 1996-97 season.

The defense dominated the first quarter with both teams unable to score. Then in the second quarter Seaside got the ball deep in the Buffalo's territory and running back Tony Putman ran the ball in from 10 yards out. A Madras turnover on their next possession gave the Seaside the ball again. Seaside pounded the ball in with quarterback Mike Little scoring from the 1 yard line. Madras's next possession they had to punt the ball. Seaside then drove the ball down field with a key pass that put them on Madras 5 yard line. Mike Little punch it in from the two for his second touchdown of the game. At half time the score read Seaside 21, Madras 0. After the half the scoring stopped until the fourth quarter when Seaside added seven more points with Chis Moe's running the ball in from the 7 yard line.

"This Seaside team has much experience and are well coached. They won a state title two years ago and were in the playoffs last year" Madras coach Chip Deloretto stated. Also adding "Seaside was big with their front line averaging 250 pounds

and 16 seniors on their roster, but I felt that we weren't doing the things that we had too, to win this game." Coach Deloretto stated also adding "I am really proud of the team because they didn't give up and played hard until the game was over. Also, I liked the way they handled the loss-very serious."

Seaside had 286 rushing yards on 47 carries. Mike Little passed for
