## Punt, Pass and Kick draws 77 participants.

The NFL Gatorade Punt, Pass and Kick, hosted by WS Recreation department, final competition was held October 4, at the Madras Senior High School. The winners will move on to the sectional competition held in Beaverton October 18, where the youth will have a chance to advance to the Team Championship held in Seattle, at a Seahawks game in November.

There were over 76 youth participating, with the punters, passers and kickers broken up into boy's and girl's age groups, with one winner from each age group qualifying to go to Beaverton. This competition gives youth a chance to show their passing, punting and kicking skills, because they are not only scored by the distance, but accuracy as well. There were four age groups for the boys and girls.

## Tourney benefits Museum

The Museum Benefit Golf tournament held September 28, at the Kah Nee Ta golf course and drew 77 golfers. The tournament raised 3,000 dollars, with all proceedings going to help the Museum with the maintenance costs. Six teams were local golfers, with some golfers coming from Madras.

"Which is great and more than we hoped for" stated tourney director Willie Stacona.

"The tournament was to help the Museum with expenses and repairs, so it really helped us" also adding "We had some good scores, but nobody won the Hole-In-One contests for the 1997 Buick or the Las Vegas trip. Everyone seemed to have a good time which was one of our goals."

The other two awards handed out were the Closest to the pin, were a golfer tries to get closest to the hole in one try. The other being the Longest drive who ever hits the ball farthest wins. There was a women's and men's division.

Tourney director Willie Stacona stated "We hope to make this an annual event and next years hope to have two tournaments, one in the spring and the other in the fall." Also adding "I would like to thank all who played and everybody that helped before and during the tournament, also the Museum staff for doing a great job helping in making this a success." Stacona stated "I would also like to thank the KNT resort and the staff at the golf course for their support and for waiving the green fees for this event."

Following is the results of the closest to the pin winners, in order by the hole number: Hole #3 winner was Pat Seiber, this was also the 1997 Buick hole in one. The Hole-In-One Las Vegas trip, #8 hole winner was Grant Kerger. The #1 hole winner was Shauna Queaphama. Winning the #10 was Will Moschetti. With Pat Seiber winning again on # 16 hole, she also won on the # 3 hole.
