Madras Boys add another win to record.

Scott Riddle scores two points for the Buffs in game against Estacada

"As I see 's um." The Madras White Buffaloes started out slowly in a game with the Estacada Rangers, Tri-Valley league game.

In the first half of the game the determined Rangers showed they were here to play basketball and perhaps knock off the No. 1 rated team in the state according to the latest A/P polls. At times the Rangers out hustled the Buffs and kept themselves in the game. As the first quarter came to a close the score was tied at 18 points apiece.

In the second quarter the Buffs started to make things happen and jumped out to a good lead. But the pesky Rangers kept hanging and cut the score back down to more of their favor and when the intermission came the score board lit up the Buffs 34, Rangers 32. Out in the three point range in the first half Brian Miller hit three, Micheal Kirsch two and Scott Riddle added one more to keep the Buffs on top. Justin Stores of Estacada kept the pressure on the Buffs in the first half with his nine points which he really earned.

In the second half the Buffaloes defense tightened up causing turnovers by the Rangers and turning

them into points as the Buffs pulled away from the Estacada team and at the end of three the score was Madras 53, Estacada 39.

In the final quarter the teams scored pretty much on equal bases, with the Rangers scoring 12 to the Buffs 10. By then the Buffs had the game all sewed up and have their eyes on the next game. Which will be with LaSalle here on Saturday February 1.

Brian Miller came away with 22 points, six of nine from three point range. Miller out scored everyone on the night.

Madras lead grew to 23 points by the end of the third quarter and the Buffs coasted the rest of the way.
